Gospel Reflection

Let God be who God is. This is often one of the hardest things to do. Rather than allowing the mystery of being created in the image and likeness of God unfold and take root in our lives, we change the dynamic. We want to be the creators who want to make God into the image and likeness we need God to be. We have a hard enough time letting the people in our lives be who they are. We struggle even more so with God. It is almost as if we want God to be our imaginary friend who is not only with us whenever we need but becomes the Being we need God to be. Who is it that we want God to be today? A protector, disciplinarian, champion for justice, healer, advocate for our cause, grantor of prayers, guardian of my life, or the avenger? Our prayers tell an interesting story. When you pray, what does God look like?

Recently, a young woman who was feeling invisible, overlooked, ignored, and misunderstood by her husband struggled to make her feelings known and get his attention. Finally, she screamed, "Listen to me!" Thus, birth was given to a renewed and healthier relationship. We spend so much time storming heaven with our agenda and trying to make God into a "god" of our desires that we do not hear God saying, "Listen to me!" God is desperately trying to get our attention. God is saying, I am here among you as not one but three, Father, Son, and Holy Spirit. Many people seldom notice God's presence because they are so caught up with other spiritual cares and concerns. And, when the "god" they fashion and create doesn't produce as they desire, they shake the dust from their feet and move on. "I tried," they exclaim, "but God didn't listen."

Healthy relationships aren't built on making someone be who we need them to be. Healthy relationships are built on encounters of persons and the development of an appreciation of someone solely for who they are. Deeper relationships can even be found with two people marveling at each other and almost experiencing a childlike joy and giddiness when they see the other coming. Do you ever have these feelings about God? Believe it or not, God does for you! There is a joyful laughter that gives rise to and connects all three members of the Holy Trinity. It is this laughter, flowing from the very depths of the Godhead that not only keeps the Trinity in joyful unity but spills over into the creation of all beings and things. It is an expression of Divine Delight! Have you ever taken time away from your agenda to experience the Divine Joyfulness of God?

We can reach a connection of Presence wherein even the smallest of creatures suddenly radiate the fullness of God: the wonderful creation of their being, the innocence and playfulness of their movements, and the sustaining life breath that flows through their veins. The same God who created the heavens and the earth is the same God who wants you to call him 'Dad' and the same God who preserves your life and has all things in His care. ©LPi

Serra Club of Wright County

The mission of Serra is to pray for, foster and affirm vocations. We seek to help the faithful understand that each person has a vocation and to support vocations to priesthood and religious life. The Serra Club of Wright County will meet at the Kings House in Buffalo on Thursday, June 10. Our meeting will start with a rosary in the Chapel at 5:10 followed by Mass at 5:30. Due to Covid restrictions, please bring your own sandwich, etc. Also, please call Sharon, 763 -497-2454, by June 8 if you plan on coming.

At 7 p.m. Ken Schultz will share his conversion story with us. Ken was raised in the St. Paul's Evangelical and Reformed Church, part of present day United Church of Christ, where his father was a deacon and an elder. After high school he studied at Lakeland College and became a pastor. In April of 2021 he became a member of the Catholic Church.

We welcome you to join us and learn more about the Serra Club of Wright County and our ministry. Please call Marian Meyer at 763-497-2371 or Kate Theisen at 952-955-1544 for more information. We usually meet the second Thursday evening of each month at Christ the King Retreat Center in Buffalo. Also please visit Serra's website www.serraus.org

Question of the Week

Q: If it isn't only for people who are dying, when should someone receive the Sacrament of Anointing of the Sick?

A: One of the unfortunate realities in the Church today is that so few people understand the meaning and value of the Sacrament of the Anointing of the Sick, largely because so many people still mistakenly think of this sacrament as "Last Rites" or "Extreme Unction."

In his life and ministry, Jesus healed the sick. In this sacrament, the Church continues the healing mission of Jesus and, in hope, prays that God will grant healing to the person who is suffering. But even if there is no physical healing, the sacrament offers spiritual healing through the Holy Spirit's gifts of peace and courage. And so, anyone who is living with serious illness (including emotional or psychological illness) and the elderly are encouraged to celebrate this sacrament when it is needed.

The ritual for Anointing of the Sick does also include special prayers and blessings for those who are facing death, including viaticum (communion given to the dying, trusting that the Lord Jesus will be their companion along the way, as they make their final journey).
