

Christ Our Light
CATHOLIC PARISH

Love God. Live the Eucharist.

THE BAPTISM OF THE LORD

I WEAR MY MASK IN PUBLIC FOR THREE REASONS:

1. HUMILITY

I don't know if I have COVID as it is clear that people can spread the disease before they have symptoms.

2. KINDNESS

I don't know if the person I am near has a child battling cancer, or cares for their elderly parent. While I might be fine, they might not.

3. COMMUNITY

I want my community to thrive, businesses to stay open, employees to stay healthy and our parish to keep worshipping together in-person. Keeping a lid on COVID helps us all!

PRAY FOR ST. CLOUD DIOCESAN CLERGY

Our priests and seminarians need our prayerful support:

Sun.	January 9	Seminarian Scott Kahler
Mon.	January 10	Seminarian Mark Nosbush
Tues.	January 11	Seminarian Jack Tyrrell
Wed.	January 12	Seminarian Peter Zabinski
Thus.	January 13	Seminarian Nicholas Daubner
Fri.	January 14	Seminarian Paul Guertin
Sat.	January 15	Seminarian Jack Massmann

A prayer for our neighbors:

Lord, help us to notice our neighbors more this year. May we learn the names of those who live next door to us, the people who serve us coffee and gas each week, and the families we run into at the park. Remind us to be a source of blessing, even in the most ordinary and simple ways, as we learn to abide in your love and extend it toward our neighbors.

Special collection bins are located at the parish. If you have any questions regarding this project or our Creation Care Team, please contact: Molly Weyrens, Pastoral Associate.

FOOD COLLECTION: Christ Our Light collects non-perishable food items for *Princeton Pantry* and *Passing the Bread*. Please bring donations to the main entrance. PLEASE NOTE: We cannot accept expired items, open packages of food and/or fresh produce.

DO YOU NEED A LISTENING EAR? Molly Weyrens, Pastoral Associate, and Fr. Kevin Anderson are available to meet with parishioners who have concerns they would like to discuss. Give a call to either person to set up an appointment. All conversations are confidential.

GOD IS ON YOUR SIDE: A STATEMENT FROM CATHOLIC BISHOPS ON PROTECTING LGBT YOUTH.

Tyler Clementi was a college freshman who killed himself after being a victim of cyberbullying.

A statement against bullying was signed by 14 US Catholic Bishops. It reads: As Catholic Bishops in the United States, we join with the *Tyler Clementi Foundation* in standing up for at-risk LGBT youth in our country.

As we see in the Gospels, Jesus Christ taught love, mercy and welcome for all people, especially for those who felt persecuted or marginalized in any way; and the Catechism of the Catholic Church teaches that LGBT people are to be treated with "respect, compassion and sensitivity."

All people of goodwill should help, support, and defend LGBT youth; who attempt suicide at much higher rates than their straight counterparts; who are often homeless because of families who reject them; who are rejected, bullied and harassed; and who are the target of violent acts at alarming rates.

The Catholic Church values the God-given dignity of all human life and we take this opportunity to say to our LGBT friends, especially young people, that we stand with you and oppose any form of violence, bullying or harassment directed at you.

Most of all, know that God created you, God loves you and God is on your side.

The leadership of Christ Our Light Parish which includes the Pastoral Council, staff, trustees, Deacon Mark Barder and Fr. Kevin Anderson voted unanimously to support the statement.

Keeping Everyone Safe...

In March of 2020, with news that COVID-19 was spreading rampantly across the world and more specifically, Minnesota, Christ Our Light Catholic Parish made the decision to take unprecedented measures to ensure that we were doing our very best to keep our parishioners and visitors as safe as possible upon entering our doors. Your health and the health of your family was not something that we were willing to jeopardize. Masks, social distanced seating, outdoor Masses and Zoom meetings became the norm, all with the intention of reverting to “normal” as soon as it was safe to do so.

As the pandemic has continued to surge in our area and with the state of Minnesota and the Diocese of St. Cloud no longer mandating strict COVID-19 safety protocols, Christ Our Light decided to create a COVID-19 Task Force, as your health and safety remain our top priority. Our task force is comprised of Fr. Kevin, three staff members, two physicians and two parishioners (listed below). This group meets via Zoom every third week, at a minimum, to discuss current CDC (Center for Disease Control) recommendations, MDH (MN Department of Health) updates, current transmission rates within our local counties, as well as concerns expressed by our Diocese and parishioners. With this information in mind, recommendations are made for how to most safely approach Mass, FIRE and other events held at Christ Our Light.

We hold all of you in prayer as we continue to navigate the impact that this virus has on us all.

Christ Our Light COVID Task Force:

- Dr. Greg Schoen •Fr. Kevin Anderson •Sally Weddel
- Dr. Jeremy Peterson •Teresa Callison •Don Schleper
- Wendy Rappé •Jenifer Rindels

MASK MANDATE EXPLAINED:

The COVID task force at Christ Our Light (COL) has been meeting regularly to determine what is in the best interests to protect all of our congregation and keep attendance at Mass as a safe environment. A masking mandate for COL was made based on guidance from the CDC. With the ease by which the Omicron variant is transmitted, there are many unvaccinated as well as vaccinated (and boosted) people who are testing positive for COVID with minimal cold symptoms or none at all, and therefore shedding the virus. Omicron transmission appears to occur from two days prior to any symptoms to just one or two days after symptoms occur.

The CDC has changed the definition of high-risk exposure to include any exposure to a COVID positive person who is not wearing a mask, whether or not you are wearing a mask and even eye protection. This is a new definition and greatly changes how we look at transmission of the virus, since at any given time, every one of us could in fact be shedding the virus, even when we feel perfectly fine. That means that we could unknowingly transmit the virus to a vulnerable person who is wearing a mask that could result in them becoming ill, or worse, in their hospitalization and/or death. For this reason, we concluded that mandating masking and further distancing was the most reasonable approach to keep all who gather safe.
