BAPTISM OF THE LORD

St. Hilary of Poitiers, Bishop and Doctor of the Church | January 13

Born a pagan, St. Hilary (c. 315 – c. 367) studied philosophy and the meaning of life, eventually making his way through the bible. He became a

convert and was appointed bishop of Poitiers in 353. Sometimes referred to as the Hammer of the Arians, St. Hilary defended the Nicene Creed against a popular heresy, Arianism. He was exiled to Phrygia for opposing Roman emperor Constantius II, who preferred the heresy which denies Christ's divinity. From Phrygia St. Hilary fought with his pen, zealously writing against the heresy.

Eventually he was allowed to return to Poitiers, but did so by a circuitous route, preaching against Arianism all the way. St. Hilary was likely the first writer of hymns in the West, his writings on the Trinity, Psalms and Gospel of Matthew survive today. St. Hilary was created Doctor of the Church, a title given to those who provided important contributions to theology and doctrine, in 1851 by Pope Pius IX.

The Baptism of the Lord

“We are called to live our baptism every day, as new creatures, clothed in Christ.”

— Pope Francis

What reference point do you use when making decisions? Many times, impulse takes control and decisions are made based solely on emotion and desire. We all know that these types of decisions can often get us into trouble. When a person has a confident sense of who they are and a real understanding of what is important and of value, the likelihood of kneejerk impulsive choices diminishes. Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life.

It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death, the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation, and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.

It is difficult to walk against the tide. Yet, that is precisely what baptism calls us to do. Although we are sinners, in need of mercy and far from perfection we are called to order our life and make decisions based upon the wisdom and guidance of Almighty God. He alone is the one who can claim us as His sons and daughters. Standing up for our principles will not make us popular. But who ever said Christianity is a popularity contest? Baptism calls us to stand up for that which goes against the grain of secularism. Standing in line with other sinners, we have our anchor to steady us in the tempests of life and God is very pleased. Forge ahead. There is nothing to fear.

EVERYDAY STEWARDSHIP

Recognize God in your Ordinary Moments

I Hope I Am Like Him

“Who is this Christ? Is he like you?”

Perhaps you've heard this story, often attributed to the life of St. Teresa of Calcutta. A sick man asked her this question, as he marveled at her tireless service to himself and others in the name of someone named Jesus Christ.

“He is nothing like me,” the saint is said to have answered. “But I hope I am like him.”

Though the authenticity of this exchange cannot be verified, its message rings perfectly true: all the value of our stewardship lies in its relativity to the one in whose name we perform it.

Consider the figure of John the Baptist — a magnificent, towering character even purely from a literary or historical perspective. A martyr who fed on wild locusts and boldly spoke truth to power — a man so great some mistook him for the Messiah.

But why is he great? Because he prepared the way. All his accomplishments and escapades mean nothing if they are taken out of the context of salvation history. He only makes sense relative to Christ — and this is exactly as he wanted it. “One worthier than I is coming,” he insists. And because of that humility and that total embrace of God's will, he is given one of the greatest honors in the New Testament — he baptizes the Son of God.

Let's examine our lives in the light of their relativity to Christ. How do we prepare the way? When Christ comes to us, what do we do? How do we leave ourselves open to be actors in God's plan?

— Tracy Earl Welliver, MTS

Stewardship Moment The Baptism of our Lord

"John answered them all, 'I baptize you with water; but he who is mightier than I is coming...he will baptize you with the Holy Spirit...' " (Luke 3:16)

The Catholic Catechism states that *"Jesus' immersion in the water is a sign for all human beings of the need to die to themselves to do God's will."* In other words, as baptized Catholics there is only one gift that we need to give to Jesus – the gift of ourselves. Surrender yourself to God, place your trust in Him and allow the Holy Spirit to work through you for the greater glory of God.
