“The Christian Life on earth is a warfare never lay your sword down on the Battlefield of Life”

Thomas K. Sullivan

The Christian life is a warfare. We are taught that “the whole of man’s history has been the story of our combat with the powers of evil, stretching, so our lord tells us, from the very dawn of history until the last day. Finding himself in the midst of the battlefield man has to do what is right, and at great cost to himself, and aided by God’s grace, that he succeeds in achieving his own inner integrity.” (CCC 409)

Join us every Sunday morning one half hour before the Mass time (7:00, 8:30 & 10:30) to pray the Rosary.

(Led by KC’s Council 1260.)

It has been said and rightly so, that our weapon to fight the powers of evil in this world is our Rosary. Many a battle has been won while on our knees imploring God’s graces be sent to aid us

St. Thomas Aquinas | January 28

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, “*The Summa Theologiae*.” Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The *Summa Theologiae*, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.

RESPONDING *to the Call*

EVERYDAY STEWARDSHIP

Recognize God in your Ordinary Moments

Plant Your Works in the Word

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

— Tracy Earl Welliver, MTS

Stewardship Moment 3rd Sunday in Ordinary Time

"Go, eat rich foods and drink sweet drinks, and allot portions to those who had nothing prepared..." (NEHEMIAH 8:10)

Ezra's instructions to the people show us that God does not forbid us from enjoying the good things in life. He wants us to be happy! However, God expects us to be grateful for all that He has given us and to generously share our blessings with those who are in need. Now here's the hard part – to share all we have without expecting anything in return.
