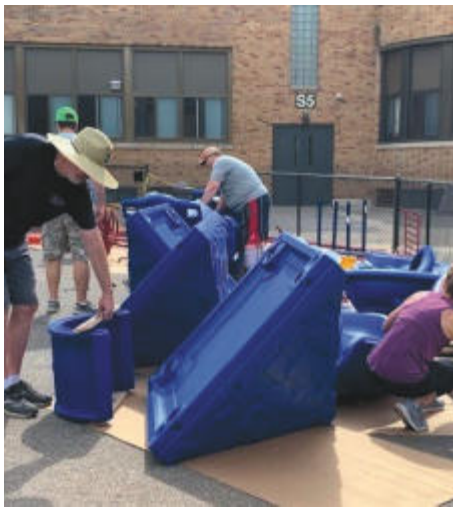
Dedication and Blessing of the new St. Stephen's Playground

Meet and Greet our New St. Stephen's Principal

Mrs. Theresa Gunderson

St. Stephen's Catholic School Volunteer Community Build

June 11-12



During this past May, the old playground at St. Stephen's Catholic School was disassembled, removed, and the footings were hauled away. In June, the new playground was delivered in two HUGE pallet crates. This was only made possible by the amazing volunteers who stepped forward and because of our generous Mardi Gras donors.

The assembly of the new playground first involved taking out and identifying all the pieces and placing them in the area they would be needed. The yellow posts or the "backbone" of the structure were placed in the holes pre-dug by the playground distributor. It wasn't looking like much, but then as the volunteers carried and connected the pieces to the poles, and the poles became straight – it began to look like a playground! We had a deadline to meet as the concrete to be poured for the footings was on its way. With all the extraordinary help we were right on time! Some of our volunteers were even able to revitalize other parts of the parking lot with weeding and refreshing rock beds.

Thanks to this amazing volunteer group and our Mardi Gras donors.

Watch for more pictures of the volunteers and playground assembly in next week's bulletin!

Dear St. Stephen's Catholic Community:

One of my goals as principal is to spend some one-on-one time meeting with every teacher and staff member this summer, prior to workshop week and the start of school. I prepared a list of questions for them to look over before our "Getting to Know You" meeting. I desire to learn about their families and hobbies, what they like best about their job and St. Stephen's and what they wish could be changed and improved. I want to learn what technology they feel comfortable using in the classroom and new staff development opportunities that will help them grow. I want to learn about the current culture at St. Stephen's and how they feel our school can better live out its mission and vision. I ask them what characteristics they desire in an excellent school leader and what they would like me to bring to our school as their next principal. I plan 30 minutes for each meeting yet many of them last longer, and sometimes I have to schedule a follow-up meeting as the teachers and staff have so much invaluable information to share. I am truly motivated, inspired and humbled by how dedicated, caring and kind the teachers and staff at St. Stephen's are. We are all blessed with an amazing group of talented and devoted people that is much more a family than it is a staff.

Are these "Getting to Know You" meetings as ***urgent*** as planning the school calendar, or putting the final touches on the uniform policy? No, it's not urgent that I immediately spend one-on-one time to get to know the staff, but it is ***important***. We can be taken over by the urgent things in life which means we never really get to the important. This is called, "The tyranny of the urgent." Getting to know each staff member early on and learning about the school from their vantage point has been incredibly rewarding, inspirational and important. The staff know the history of the school and they are filled with passion, wisdom and insight. Listening to each other builds trusting relationships and listening will help me discern how to continue moving the school forward to live out its mission and vision; ***"To provide a caring Christian community that nourishes spiritual development and academic excellence."***

God Bless!

Theresa Gunderson, Principal

Estimada Comunidad de San Esteban:

Uno de mis objetivos como directora es pasar algún tiempo de reunión uno-a-uno con cada maestro y miembro del personal este verano, antes de que empiece el ao escolar. He preparado una lista de preguntas para que las revisen antes de nuestra reunión de "Conocimiento". Deseo aprender sobre sus familias y pasatiempos, lo que más les gusta de su trabajo y de San Esteban y lo que desearían que se cambiara y mejorara. Quiero aprender qué tecnología se sienten cómodos utilizando en el aula y las nuevas oportunidades de desarrollo del personal que les ayudará a crecer. Quiero aprender sobre la cultura actual de San Esteban y cómo sienten que nuestra escuela puede vivir mejor su misión y visión. Les pregunto qué características desean en un excelente líder escolar y qué les gustaría que yo aportara a nuestra escuela como próximo director. Planifico 30 minutos para cada reunión, pero muchas de ellas duran más, y a veces tengo que programar una reunión de seguimiento porque los profesores y el personal tienen mucha información valiosa que compartir. Me siento realmente motivada, inspirada y humillada por lo dedicado, el cuidado y la bondad de los maestros y el personal de San Esteban. Todos somos bendecidos con un grupo asombroso de gente talentosa y dedicada que es mucho más una familia que un personal.

¿Son estas reuniones para "conocernos" tan urgentes como planificar el calendario escolar o dar los últimos toques a la política de uniformes? No, no es urgente que dedique inmediatamente tiempo a conocer al personal, pero sí es importante. Podemos dejarnos llevar por las cosas urgentes de la vida, lo que significa que nunca llegamos a lo importante. Esto se llama "La tiranía de lo urgente". Conocer a cada miembro del personal desde el principio y aprender sobre la escuela desde su punto de vista ha sido increíblemente gratificante, inspirador e importante. El personal conoce la historia de la escuela y está lleno de pasión, sabiduría y perspicacia. Escuchar a los demás construye relaciones de confianza y escuchar me ayudará a discernir cómo seguir avanzando la escuela para vivir su misión y visión; "Proporcionar una comunidad cristiana de cuidado que alimenta el desarrollo espiritual y la excelencia académica".

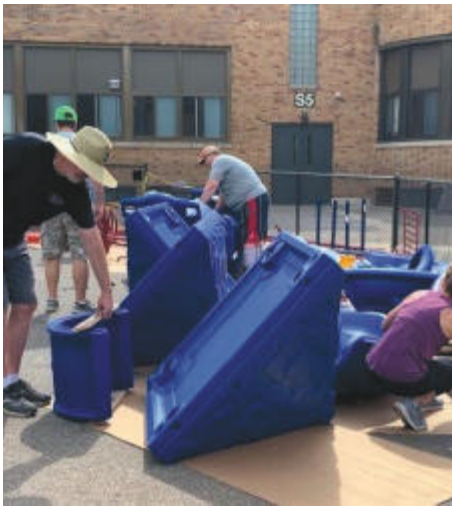
Dedicación y bendición del nuevo parque infantil de St. Stephen

Conozca y salude a nuestra nuevo directora de la escuela St. Stephen's

Sra. Theresa Gunderson

Construcción de la comunidad de voluntarios de la escuela católica St. Stephen



Durante el mes de Mayo, el playground viejo de la escuela católica St. Stephen fue desmontado, retirado y se retiraron los cimientos. En Junio, el nuevo parque infantil se entregó en dos ENORMES cajas de paletas. Esto solo fue posible gracias a los increíbles voluntarios y por nuestros generosos donantes de Mardi Gras.

El montaje del nuevo playground implicó, en primer lugar, sacar e identificar todas las piezas y colocarlas en el área que serían necesarias. Los postes amarillos o la "columna vertebral" de la estructura fueron colocados en los agujeros precavados por el distribuidor del patio de recreo. No parecía mucho, pero luego, cuando los voluntarios llevaron y conectaron las piezas a los postes, y los postes se volvieron rectos, ¡comenzó a parecer un playground! ¡Con toda la ayuda extraordinaria, terminamos a tiempo! Algunos de nuestros voluntarios incluso pudieron revitalizar otras partes del parking lot arreglando las piedras y quitando maleza.

Gracias a este increíble grupo de voluntarios y a nuestros donantes de Mardi Gras.

¡Esté atento a más fotos de los voluntarios y la asamblea del playground en el boletín de la próxima semana!

Reflection

"GATHER THE FRAGMENTS" (Jn. 6:12b) *Reflection by Sister Mary Anne Schaenzer, SSND*

Why are there fragments?

Why is anything left over when we started with so little to feed so many?
What are the leftover fragments in our lives?
When is it that we think that we have nothing or little to give?

When is it that we have to dig deep to find something to give,
to find the energy with which to reach out,
to find the strength to be courageous and generous,
to find the faith to believe in ourselves enough to go beyond how we feel to reach out to others?

What are the leftover fragments?

Do we have joy within – left over from a beautiful experience?
We could share that joy with others.

Do we have a feeling of accomplishment - left over from a successful project into which we put so much effort?
We could encourage another person to persevere in their challenging project.

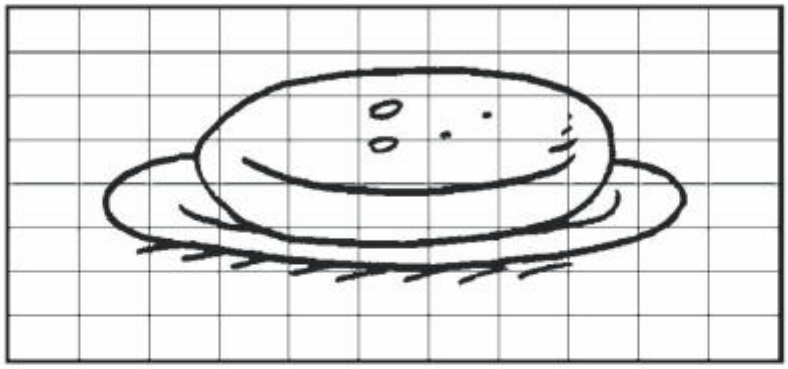
Do we have a sense of being loved because of a rich family or friend relationship?
We could pay attention to another person for just a few minutes, maybe just listening to what they would like to share.

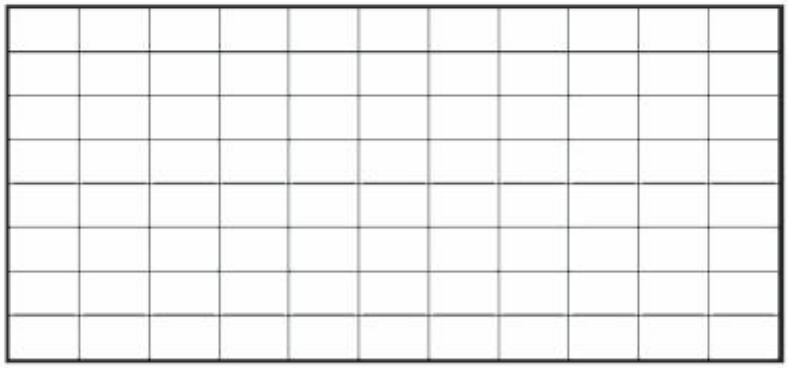
Gather the fragments and give them away.

Feel free to use the following space to write down your own reflection notes during or after Mass.

PUZZLE

Try to draw the same bread by following the grid.





MISSION

The boy in today's Gospel shared his lunch. You can share food, too. Bring boxed and canned food to a food pantry in your neighborhood, and ask God to bless the people who eat it.
