THE EPIPHANY OF THE LORD

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother.

They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh.

- Mt 2:10-11

ST. ELIZABETH ANN SETON JANUARY 4

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering

the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter's Square by Pope Paul VI and was the first citizen born in the United States to be given the title of "saint." ©LPI

CHRISTMAS PRAYER BY ST. BERNARD

Let your goodness Lord, appear to us, that we, made in your image, may conform ourselves to it. In our own strength we cannot imagine your majesty, power, and wonder, nor is it fitting for us to even try. But your mercy reaches from the heavens, through the clouds, to the earth below. You have come to us as a small child, but you have brought us the greatest gift, the gift of your eternal love. Caress us with your tiny hands, embrace us with your tiny arms, and pierce our hearts with your soft, sweet cries. Amen.

– St. Bernard of Clairvaux

EVERYDAY STEWARDSHIP

The Light of the Moon -

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others. Remember — the magi didn't chart their own course. They merely followed the star.

— Tracy Earl Welliver, MTS ©LPi

After a year off for COVID, the Our Lady of Lourdes Contemporary Group will once again be presenting a "Farewell to Christmas" concert and Christmas carol singalong on Saturday, Jan. 8th, at 7 p.m. (following 5:30 Mass). We will take up a free-will offering to benefit Catholic Charities' work with Afghan refugees.

To Celebrate

First Reading:

Rise up in splendor, Jerusalem!
Your light has come, the glory
of the Lord shines upon you. (Is
60:1)

Psalm:

Lord, every nation on earth will
adore you. (Ps 72)

Second Reading:

It was not made known to
people in other generations
as it has now been revealed
to his holy apostles and
prophets by the Spirit:
that the Gentiles are coheirs,
members of the same body,
and copartners in the promise
in Christ Jesus through the
gospel. (Eph 3:5-6)

Gospel:

"Where is the newborn king of
the Jews? We saw his star at its
rising and have come to do him
homage." (Mt 2:2)

GOSPEL MEDITATION

In his Apostolic Exhortation, *The Joy of the Gospel*, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.

"I WISH I KNEW ABOUT THIS TREATMENT SOONER"

Columbia resident Ellen suffered the painful side effects of peripheral neuropathy. "I couldn't walk. It was that broken glass feeling. Nothing touched it."

Before Ellen found relief at Acupuncture of Columbia, she suffered for many months from her diagnosis of peripheral neuropathy.

"I had neuropathy in my legs and feet. They were numb. I had shooting pains, and pins and needles. It felt like I was walking on broken glass all of the time. It was awful."

Ellen tried prescription pharmaceuticals and over the counter medications. "All of that didn't work." Then Ellen found Gina Butler of Acupuncture of Columbia. Her personalized neuropathy program helps to greatly reduce its symptoms and give people their lives back.

"Acupuncture is incredible at restoring blood flow and stimulating the regrowth of damaged nerves to prevent them from dying off completely," says Gina. "We take our treatments a step further by also integrating electro acupuncture, microcurrent therapy and custom herbal prescriptions for neuropathy."

Now on a maintenance program, Ellen says she enjoys her treatments at Acupuncture of Columbia. "It's wonderful. The space is serene, healing and peaceful. And the staff are so friendly and helpful. But most of all I can walk and hike. And I can sleep!"

SUFFERING FROM PERIPHERAL NEUROPATHY?

Call (573) 303-5522 to schedule a consultation

"My doctor applauded me for seeking alternative methods when my condition did not improve," Ellen says, "I wish I knew about this treatment sooner. I'd encourage anyone with this debilitating condition to try Acupuncture of Columbia."

To determine whether or not you are a good candidate for our neuropathy program, an initial consultation is required. Call (573) 303-5522 today to schedule.
