PLEASE REMEMBER IN YOUR PRAYERS

We remember in prayer all those in our parish family who are suffering from an illness:

Peter Grathwohl
 Tom Ryan
 Nathneal Torres

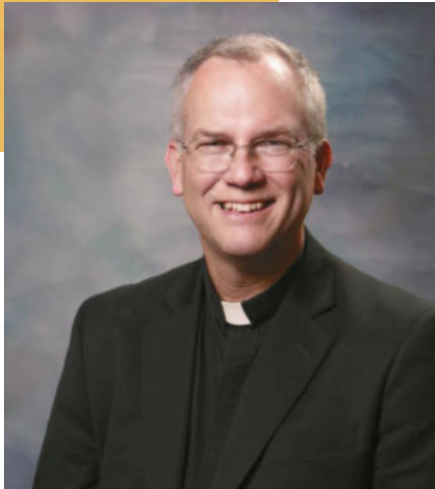

For those who have died, especially, Roger Sanders, uncle to Kathleen Armistead. Eternal rest grant unto him and let perpetual light shine upon him. May he rest in peace.

Bishop McKnight's February prayer intention for our Local Church

For those who are ill, depressed, or forgotten in society; may the charity and mercy of the local parish community manifest the healing presence of God and counter the culture of indifference.

PASTOR'S NOTES Catholic Schools Week

Catholic Schools Week begins today. Each year, this special week is an opportunity to celebrate the role of Catholic schools in the faith formation and education of young Catholics. We are blessed to have Our Lady of Lourdes Interparish School and Fr. Tolton Catholic High School in our community. Thanks to all for your support of OLLIS through your support of our parish, and for the ways you support Fr. Tolton. Special thanks to Principal Elaine Hassemer, Assistant Principal Katie Helfer, and the faculty, staff, volunteers, and families of OLLIS and President-Principal Dan Everett, Vice-President Jill McIntosh, and the administration, faculty, staff, volunteers, and families of Tolton for making these opportunities for Catholic faith formation and education available in our parishes and community. Together in Christ,

Fr. Chris Cordes

WORLD DAY FOR CONSECRATED LIFE

World Day for Consecrated Life will be celebrated in the Church on Wednesday, Feb. 2, and in parishes over the weekend of Feb. 5-6. Please pray for all those who have made commitments in the consecrated life, and be sure to thank them on their special day. May they continue to be inspired by Jesus Christ and respond generously to God's gift of their vocation.

Important Update on Religious Ed & EDGE

With the rise in cases in Boone County and all over Missouri, we have decided to postpone Religious Ed and EDGE until February 9th. This was a tough call, but wanting to keep the safety of the kids, teens and volunteers in mind, we have come to this decision. We can't wait for February to be here and we can be back together with everyone! If you have any questions, please contact Kathleen or Anna at: reddirector@ourladyoflourdes.org aporting@ourladyoflourdes.org

RCIA News

During the 8:30 Mass on January 23rd, Our Lady of Lourdes celebrated the Rites of Acceptance and Welcome for RCIA catechumens and candidates preparing to join the Catholic faith. The Church accepted five catechumens who expressed their intent to receive the sacraments of initiation and join the Catholic Church at Easter. The Church also welcomed 18 candidates who were baptized into other Christian faiths and are now preparing to make a profession of faith and join the Church at Easter. Please keep these catechumens and candidates in your prayers!

These preparation classes will be the same, just offered at different times. Registration will open January 10th- February 10th. You can find the registration online at ourladyoflourdes.diojeffcity.org/sacraments/confirmation/ If you have any questions, contact Anna Porting at aporting@ourladyoflourdes.org

EVERYDAY STEWARDSHIP

First Corinthians and the Stewardship of Social Media

“Love is patient, love is kind . . .” As familiar as these words are, they never seem to stray into the territory of becoming trite or silly. At their core they communicate a truth about us and about our Creator that never fails to inspire.

But despite the fact that you’ve probably heard it at many weddings over time, First Corinthians isn’t just for newlyweds. It wasn’t written for married folks. It’s for every single one of us, in every state of life and every social situation, in every country and culture and language across the globe. Which means that First Corinthians is even for the online world. It’s for Facebook and Twitter and Instagram and all the other platforms I’m forgetting (there seems to be a new one every day, doesn’t there?).

A sense of division — whether rooted in politics, culture or anything else — is growing in our world, and it’s never more obvious than when we observe interactions online. It is far easier, after all, to remember what love is when a human being of flesh and blood stands before us. When all we see is an avatar or a profile picture on a screen — especially accompanied by an opinion with which we vehemently disagree — even the most loving Christians can throw First Corinthians out the window. As everyday stewards we know that we are charged to be not only gracious but grateful. We receive others but we also give thanks for what they bring to us — even if that’s an opportunity to “strive eagerly for the greatest spiritual gifts.” So before the next time you post anything online, I suggest giving First Corinthians a read — and remember, love never fails.

CATHOLIC SCHOOLS WEEK

Dear Parishioners,
At OLLIS, we are lucky to learn, pray and grow in a special environment. This would not be possible without the generous support of people like you, members of Our Lady of Lourdes Catholic Church. When you support our school, you invest in the future of all of our students and Catholic Church.

As we celebrate National Catholic Schools Week (CSW), we want to thank you for all you do to help our school. We are grateful for your prayers and contributions, and we appreciate the time and talent you so generously share through your volunteer efforts.

Our Lady of Lourdes is an important part of our community, and we hope you will join us as we celebrate our Catholic education this week. You can follow our busy CSW celebration on our Facebook or Instagram page.

Gratefully,
OLLIS students

The OLLIS library is sponsoring a Scholastic Book Fair which will be open to parishioners during the 8th grade pancake breakfast and OLLIS open house on Sunday, January 30, 8am to 1pm. All proceeds from the fair will go to purchasing new books and supplies for the school library.

OLLIS BRANDING

There have been many discussions over the last several years about the OLLIS logo. Mixing the old name with the new school name has caused quite a bit of confusion. As we moved forward with this initiative we knew it needed to be handled by experts. We hired a nationally recognized branding agency to not only create a new school logo but also design an original mascot. The branding agency's expertise has been invaluable as we navigated this strategic process. In our first meeting we discussed the importance of faith, community and school brand. We want to make sure ALL families feel connected to OLLIS while preserving our identity as a Catholic school.

The goal was to create a unique brand for OLLIS. Part of that includes the logo and mascot but the other factor is the school color palette. OLLIS currently has two color palettes which makes it seem as though we want to separate athletics from academics or that we are two different schools. Black and gold represent our sports teams and navy and red are used for our school uniforms. The branding agency strongly suggested moving towards one color palette, navy and red.

We are nearing the end of this project and are thrilled with the work created by the branding agency. We feel as though they heard and understood our needs as a school and what we want our logo to represent. Their team has been working hard to create a strong brand identity for OLLIS. The new logo and original Tiger mascot will be unveiled at the annual Pot 'O Gold fundraiser in March.

February Food Collection

The February food collection will be given to the St. Raymond Society which is a Catholic organization that helps struggling mothers with infant children. These mothers have little or no support and the Society's goal is to help them get back on their feet. Items needed include: diapers (sizes 1 thru 4), wipes, formula (0 to 12 months), and various canned goods. Please cut this notice out and place it on your refrigerator as a reminder to bring your donations to church the next weekend. The donated items are to be placed in the closet located by the Media Center window in Flanagan Hall. Thank you and may God bless you!

ST. BLAISE | FEBRUARY 3RD

Today in our parish we will remember the beloved bishop and martyr St. Blaise with the blessing of the throats. St. Blaise lived in the fourth century in Turkey and Armenia. Due to religious persecution, he was forced to flee and hide in a cave in the back country in order to save his life. History has it that one day a group of hunters stumbled upon where St. Blaise was living. They found the bishop kneeling in prayer, surrounded by wolves, lions, and bears that he had tamed. The legend has it that as the hunters dragged Blaise off to prison, a mother came with her young son who had a fish bone lodged in his throat. At Blaise's command, the child was able to cough up the bone and thus lived.

"I WISH I KNEW ABOUT THIS TREATMENT SOONER"
Columbia resident Ellen suffered the painful side effects of peripheral neuropathy. "I couldn't walk. It was that broken glass feeling. Nothing touched it."

Before Ellen found relief at Acupuncture of Columbia, she suffered for many months from her diagnosis of peripheral neuropathy.

"I had neuropathy in my legs and feet. They were numb. I had shooting pains, and pins and needles. It felt like I was walking on broken glass all of the time. It was awful."

Ellen tried prescription pharmaceuticals and over the counter medications. "All of that didn't work." Then Ellen found Gina Butler of Acupuncture of Columbia. Her personalized neuropathy program helps to greatly reduce its symptoms and give people their lives back.

"Acupuncture is incredible at restoring blood flow and stimulating the regrowth of damaged nerves to prevent them from dying off completely," says Gina. "We take our treatments a step further by also integrating electro acupuncture, microcurrent therapy and custom herbal prescriptions for neuropathy."

Now on a maintenance program, Ellen says she enjoys her treatments at Acupuncture of Columbia. "It's wonderful. The space is serene, healing and peaceful. And the staff are so friendly and helpful. But most of all I can walk and hike. And I can sleep!"

SUFFERING FROM PERIPHERAL NEUROPATHY?
Call (573) 303-5522 to schedule a consultation

"My doctor applauded me for seeking alternative methods when my condition did not improve," Ellen says, "I wish I knew about this treatment sooner. I'd encourage anyone with this debilitating condition to try Acupuncture of Columbia."

To determine whether or not you are a good candidate for our neuropathy program, an initial consultation is required. Call (573) 303-5522 today to schedule.
