Our Mission Statement

St. Elizabeth Catholic Church is a vibrant, Christ-centered community whose primary purpose is to celebrate the sacred liturgy and the Sacraments. Empowered by the Sacraments, we are called to personal holiness, to spread the word of God, and to actions of generosity and compassion toward all of God's people.

May Crowning

May Crowning

In the Catholic faith there are different devotions to the Blessed Virgin Mary. They are important to the believers, and the Church encourages them. The Marian prayers and the liturgical feasts dedicated to Mary, the Mother of God, are ample proofs of the universality of these devotions. The word 'May' is often considered a form of Mary, though the name of the month comes from the Latin 'Maia' referring to the Roman goddess of grain. Special devotions to Mary in May date back to the time of St. Philip Neri who died in 1595. He began a custom of decorating the statue of the Blessed Mother with spring flowers in early May. Annibale Dionisi, an Italian Jesuit proposed devotions to Mary throughout the entire month of May.

Just like many other traditions and customs, the Church incorporated the pre-Christian May celebrations and gave them a Christian dimension. The people of ancient Rome celebrated the first day of May by honoring Flora, the goddess of flowers. She was represented by a small statue wreathed in flowers. Later, a procession of singers and dancers carrying the statue developed. Soon festivals of this kind began to spread to other parts of Europe, especially England. Dances around a flower-decked May pole and choosing of a May queen were added to the festivities.

The month of May began to be celebrated in honor of Mary in the sixteenth century with similar types of festivities including floral tributes, processions and crowning of the statue. Soon it spread all over the world. In the United States May procession and May crowning became current prior to the Second Vatican Council. The practice continues in parishes and schools where a statue of Mary is honored with a wreath of fresh blossoms to indicate the virtues of Mary. A procession around the church with the decorated statue of the Blessed Mother is common. May crowning ceremony often takes place at a public parish celebration. Mary is celebrated as a queen because she was the perfect follower of Jesus Christ and the absolute 'crown' of creation.

Recently, the 8th Grade students held their annual Spring retreat. Students spent time reflecting on memories and looking forward to the future. The students were asked to choose classmates they felt best demonstrated those qualities who would represent the class in the May Crowning ceremony, a tradition that has continued for decades at St. Elizabeth Parish.

We are excited to announce that the 2021 May Queen is Audrey Jimenez, and the attendants are Hannah Baker, Madeline Knox, Lucy Liston, and Annie Ward.

Join us for a special, livestreamed video ceremony to be held on Friday, May 7th at 1pm:
https://bit.ly/STChurch_School.

Pastor's Corner

Dear Parishioners,

I have sure enjoyed seeing so many familiar faces returning to Mass. A year of absence from one another is a long time, and it really feels like a homecoming to gather around the altar again. Each week I see familiar faces I've missed over the past year, and it feels so good to know that we are slowly returning to the Eucharist together in person. The dispensation from the obligation to attend in-person remains in place, so there is no pressure to attend right now if you are not comfortable. Soon enough we will all be together again!

We have talked as a staff about events we might host to help us not just return to Mass, but return with renewed knowledge and appreciation. Of course we will have to retrieve some old habits. Of course some of us will be a little rusty at the words and rituals. But we also might be more receptive to expanded knowledge and insight from our liturgical tradition. There is so much to learn! This is a good time for us to enrich and deepen our understanding of the Mass. As we have all missed it in various ways, as our hunger for the Eucharist intensified over the past year, we might well be more motivated to learn and incorporate new perspective about the Eucharistic celebration. We as a staff are pondering and processing possible avenues for this.

The diocese recently relaxed some of the restrictions, and we will gradually move forward in that spirit, but we, along with many other parish communities, have decided that we'd at least like to get through the month of May before we do so completely, especially as long as the dispensation remains in place. The consensus among many pastors and staffs I've spoken with is that we should focus on getting through the end of the school year before relaxing many more restrictions. And restarting liturgical ministries such as Extraordinary Ministers and Servers will require some training and retraining. It's been a challenging year for the staff and I to manage. It's been a challenging year for all of us to bear with upheaval. But we are on the road to restoration, and that feels so good.

Peace,
Fr. Greg

Stewardship

Your discipleship, while good work, can also be tiring work. When the going gets tough (and even when it doesn't), you have to remind yourself that you are a collaborator with God in His work. You are not doing the work on your own, and if you try to do so, you are certain to burnout or fail altogether. What a great honor to take part in the labor of the Lord! Invite Him to guide you throughout the day! Ask Him to bless your mission and inspire your heart. And if you are going to "remain on the vine," you must remember that you are replenished in the Sacraments. Draw near to the Lord often, and allow Him to "prune" your branches as needed!

~Diocese of Wichita, KS

Parish News & Notes

Updated Mass Procedures Effective Immediately Please Read

We continue our regular weekend and weekday Mass schedule. All are invited to attend. **We do require social distancing and mask wearing at each Mass.**

Based on recently updated guidelines from the diocese we will no longer require advance sign-ups or check-in to attend weekend Masses. Additionally, you may enter and exit the church using any doors.

- Masks are still required while in the church, as is 6 feet of social distancing between households. We have opened more pews, making individuals that much more responsible to remain masked and socially distanced. Cleaning of doors and pews will still be required after Mass, and we still need & welcome volunteers to assist with this.
- **Those who are symptomatic or who have been exposed to another with the virus within 14 days are not permitted to enter the church, in accordance with diocesan, national, state, and local health directives.** All attendees are asked to check their temperature at home before coming to church.
- **Those who are at risk because of an underlying health issue or who are 60 or older are strongly encouraged, for their own health, to avoid the risk of attending public celebrations of the Mass.**
- We will continue to livestream Mass for as long as needed so that those not attending in person may maintain a spiritual connection with St. Elizabeth. All livestreamed and recorded Masses are accessible through our YouTube channel at https://bit.ly/STChurch_School

We give thanks for all who have helped with this process over the past year, especially our Ushers, check-in staff, cleaners, and parish staff.

Mass Volunteers Needed

Continuation of Masses depends on the availability and willingness of Lectors, Extraordinary Ministers, Ushers, and clean-up people. Please help.

We thank these students for their service to our parish!

Life Corner Presented by The Respect Life Ministry (RLM) of St. Elizabeth May, the Month of Mary

As we prepare to celebrate Our Blessed Mother, Mary, through our school's May Crowning ceremony, St. Elizabeth Respect Life Ministry is grateful to our school parents for prioritizing Catholic education. St. Elizabeth School teaches students much more than reading, writing, and arithmetic. Children receive religious and moral formation, in a world that needs Gospel values. We also give thanks for the ability to send our children to a school that is committed to honoring Mary as the mother of Jesus and as our mother as well.

Our Gift to Mothers—In celebration of Mother's Day, the Respect Life Ministry will be handing out carnations to all mother's in attendance at each mass next weekend.

Who is Mary and what do we know about her from the various Biblical passages that pertain to her? Women theologians and biblical scholars have helped us come to a deeper understanding of Mary as a woman and mother in the first century male dominated Jewish world controlled by the Romans.

These four Zoom sessions explore these and other aspects of Mary's life as understood through the cultural and historical unpacking of various biblical passages pertaining to her. The sessions will be facilitated by Biagio Mazza, Pastoral Associate at St. Sabina Catholic Church in Belton, MO. To register, email Biagio at biagio@stsabinaparis.org and please indicate your day preference.

Community service is a key component of the scholarship program. Older students often spend afternoons, evenings and weekends tutoring younger students in their community. The scholarship students in the Romero Community are able to better support elementary and middle school children by using the newly installed white boards.
