Our Mission Statement

St. Elizabeth Catholic Church is a vibrant,
Christ-centered community whose primary
purpose is to celebrate the sacred liturgy
and the Sacraments. Empowered by the
Sacraments, we are called to personal
holiness, to spread the word of God, and
to actions of generosity and compassion
toward all of God's people.

18th Sunday in Ordinary Time

When we lose our ability to trust, we become afraid. When we are afraid, we may begin to grumble and question whether where we are is where we need to be. For us who have faith, we even question whether God is who God says He is. Trust is so important to our success on our journey. Often, the road of our lives can become a bit treacherous. We may find ourselves feeling more unsettled than comfortable and less fulfilled than we would like to be. As much as we try, the pieces of our puzzle don't quite fit together as they ought. We wonder if we will ever experience happiness again. Then, something reminds us that God is very much present in this mess we call life.

God is still bringing hope out of despair and life out of death. After all, God is the true bread that comes down from heaven to give life. All that is necessary is for us to trust in this truth, even when we may be lacking in some of life's essentials. The God who gives life is the same God who sustains it. He is also the same God who assures us that we will not perish.

Dollars and Sense

In an effort to increase awareness and understanding of our parish's finances, each week in this column we will provide updates and information regarding a variety of topics:

If you are traveling this summer, please remember to keep your pledge current. An easy way to do that is to sign up for automatic withdrawal. But if you prefer to use envelopes, please remember to catch up when you return home. Or better yet, anticipate your absence and give in advance. Safe and happy travels to all!

Pray for our Military

We remember in our prayers the loved ones of our parish family who serve in the military:

Major James Harris, son-in-law of John and Kieran Cullinan; **SPC Riley Head**, nephew of Sarah Darmitzel; **John Kelly**, son of Joe Kelly; **Luis Moen**, son of Gary and Bridget Moen; **Pfc. Michael Muraski**, nephew of Phillip Muraski; **Ross Ryan Nigro**, grandson of Gloria Nigro; **Jeremy Rice**, son of Mike and Catherine Rice

Please notify the parish office when a loved one is serving in and returning home from the military.

School Corner

Technology in the Classroom

Today's student is born into a technological society. The classroom used to serve as an introduction to computers and information technology but now students of all ages enter the classroom having had "Smart TV" and "Smartphone" be a part of their everyday language and experience. The challenge of being a leader in the use of academic technology has therefore changed. It is now more critical than ever that the teaching environment not only actively engage with technology but that it be used to open the discussion around what constitutes proper and productive use of these tools.

In the academic year of 2018-2019, St. Elizabeth launched a 1:1 Chromebook "take-home" initiative for 7th and 8th-grade learners. This initiative was one of the keys to the success of STE's remote instruction during COVID. This would have not been possible without the STE community's ongoing commitment to our school.

As we continue to grow and adapt beginning next month the school will engage in a 1:1 "take-home" pilot for the 5th-6th grade students for the 2021-2022 academic year.

Pray for the Sick & Homebound

Raul Acevedo, elder and community leader in the Romero Community of El Salvador; **Annette Ahnemann**, sister of George Koppe; **Mary Ann Brown**, mother of Kevin Crawford; **Coly Bryant**; **Jim Buckley**; **Terry "Red" Carter**, father of Patrick Carter; **Mark Craig**; **Anita Donaldson**; **Sue Dulle**; **Mike Faeth**; **Cathy Fox**; **Leo Guzman**; **Angela & John Hirte**; **Christine Hurlbert**; **Jan Irick**; **Wanda Kaffenberger**; **Sandy Kauffman**, mother of Matt Kauffman; **Dale Keith**, brother of Joyce Fish; **Lionel Klem**, son of Jonathan & Ellen Klem; **Lucy Koch**, daughter of Kevin & Beth Koch and granddaughter of Michael & Hanna Cusick; **Joseph Ludwikoski**, son of PJ and Mary Ludwikoski; **Carol Lynn**; **Fr. Robert Mahoney**; **Marsha Mangold**; **Pearl Mayanja**, daughter of Judith Mayanja; **John Miller**, father of Victoria Blume; **Michaela Neal**; **Butch & Donna Newell**; **Sara Ottenbacher**, sister-in-law of George & Terri Hage; **Rosie Ragsdale**, daughter of Kelsey & Michael Ragsdale; **Tahlia Riley**; **Don Rizzo**, father of Anna Valdivia; **Ron Rode**, father of Kay Kremer; **Mary Jayneen Ross**, sister of Jim VanDyke; **Larry Shiller**, brother-in-law of Chris Lester; **Marilyn Stowers**, sister-in-law of Shirley McCarty; **Heather Volker**, sister-in-law of Staci Courter; **Toni Walters**; **Felix Witkowicz**, father of Sandra Nussbeck; **Marie Wood**, sister-in-law of Peggy VanDyke; **Beverly Yancey**, sister of Janet Garnett

Pastor's Corner

Dear Parishioners,
It has been a challenging summer for many of us in terms of loss, and I recently experienced one of my own. My wonderful canine companion Remi died on July 20. He was 15-1/2 years old and had just been diagnosed with an acute heart condition. He had started some medication, but nothing seemed to reverse or ease the symptoms. He died of what was most likely a heart attack very early in the morning on July 20.

It has been so hard to be without him. He had such a mighty presence in my life. When you live alone, a dog fills the house with such warm, positive energy. I miss him so much! But I am so glad he didn't have to suffer for a long time. Remi was healthy up until the last four or five days of his life. That gives me a lot of consolation.

He was 4-1/2 years old when I got him. He'd been a breeder's dog and had been given to a shelter, so I was happy to welcome him into my life. As a Piebald Dachshund he was just beautiful and such a character. Dachshunds tend to have strong identities, which I always enjoy. Remi was such excellent company. He just wanted to be wherever I was. And he was happiest if he and I were just relaxing on the sofa. He didn't need much outdoor time. He was not one to go for a walk. He loved being indoors, on the sofa and near me, which made him a perfect companion for me.

Remi was definitely his own dog. He didn't need a lot of attention or affection, though he did learn to connect with people if treats were involved! He had the funniest ways and was so dear to me. When I'd ask if he wanted to go to the office, he'd yelp with delight and go running to the garage, often spinning his wheels faster than he could steer. When I'd get up from the sofa to go to the kitchen, I'd come back to see Remi sitting in my place with a look that said, "You moved. So did I. Is it wrong that I don't feel guilty?" He also loved going for a ride every night, putting his head out the window for a few minutes to survey the neighborhood. But he was just as eager to get home!

If you've lost a pet, you know how much it hurts and how important it is to grieve it properly. This is my second experience of losing a close canine companion, and I really want to take my time with the grief. I also realize that it frees me in certain ways, and I want to spend the next year living in to that. So I have no plans to get another dog. I'll say I'm undecided. So please don't offer or do anything to get me a dog. It's really important to me to take my time and decide if I want another, or if it's a chapter to close. It hurts, there's no way around that. But please don't bring me a dog or surprise me with opportunities. Someone actually did that after Truman died and it didn't work out well.

Thank you for being so welcoming to Remi. I know he wasn't very friendly or interested in bonding too warmly, and I really appreciate how you respected that. He was definitely my dog, and I belonged to him! I always liked to say that Remi's solar system was very small: I was the sun and he was the only planet revolving around it! At least that's how he wanted it to be. It's going to take some time before I can talk about it publicly, especially at Mass, as it is heartbreaking. But I appreciate your prayers, support and patience!
Peace,
Fr. Greg

Stewardship

In today's Gospel we hear Jesus proclaiming that he is "the bread of life." He then offers an invitation to come to him. For us, the invitation is to live the Eucharistic life in Christ. What does it mean for our parish family to live together in the Eucharist? What does it mean for us to share the Eucharist together, to participate in the "bread of life" together? Does it mean we love each other, support our community of faith, work together? Do we carry each other's burdens? Celebrate our joys? What are the practical implications of being good stewards of our Eucharistic life together?

~International Catholic Stewardship Council

Stewardship Shout-Outs:

- To our ministry leaders, who have continued to find ways to keep our ministries vibrant in the midst of the pandemic.

Parish News & Notes

Current Mass Procedures

We continue our regular weekend and weekday Mass schedule. All are invited to attend.

- Masks are now optional for individuals who are fully vaccinated. Unvaccinated individuals should continue wearing a mask when attending Mass.

For more information on the particular dispensation, please visit <https://kcsjatholic.org/comehome/>
- We will continue to livestream Mass for as long as needed so that those not attending in person may maintain a spiritual connection with St. Elizabeth. All livestreamed and recorded Masses are accessible through our YouTube channel at https://bit.ly/STChurch_School

Thanks to all who have helped with this process over the past year.

"I know there are many who sincerely believe that limiting the right of abortion violates the freedom of choice of the individual. But if the unborn child is a living entity, then there are two individuals each with the right to life, liberty, and the pursuit of happiness."
