### Our Mission Statement

St. Elizabeth Catholic Church is a vibrant, Christ-centered community whose primary purpose is to celebrate the sacred liturgy and the Sacraments. Empowered by the Sacraments, we are called to personal holiness, to spread the word of God, and to actions of generosity and compassion toward all of God's people.

## The Baptism of the Lord

*"We are called to live our baptism every day, as new creatures, clothed in Christ."— Pope Francis*

What reference point do you use when making decisions? Many times, impulse takes control and decisions are made based solely on emotion and desire. We all know that these types of decisions can often get us into trouble. When a person has a confident sense of who they are and a real understanding of what is important and of value, the likelihood of kneejerk impulsive choices diminishes. Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life.

It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death, the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation, and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.

It is difficult to walk against the tide. Yet, that is precisely what baptism calls us to do. Although we are sinners, in need of mercy and far from perfection we are called to order our life and make decisions based upon the wisdom and guidance of Almighty God. He alone is the one who can claim us as His sons and daughters. Standing up for our principles will not make us popular. But who ever said Christianity is a popularity contest? Baptism calls us to stand up for that which goes against the grain of secularism. Standing in line with other sinners, we have our anchor to steady us in the tempests of life and God is very pleased. Forge ahead. There is nothing to fear.

## Pastor's Corner

Dear Parishioners,

The Feast of the Baptism of the Lord always concludes the Christmas Season. While Christmas began for many people the day after Thanksgiving and concluded the day after Christmas, we began Christmas, liturgically speaking, on Christmas Day and conclude the season today, celebrating Holy Family, Solemnity of Mary, Epiphany and several other feasts along the way. The Baptism of the Lord serves as a turning point from one season to another, and does so with the focus on the beginning of Jesus' public ministry, setting the tone for the liturgical year ahead. As His baptism inaugurates His public ministry and the arrival of the Reign of God, our baptism immerses us into that new way of life, one that will never be without hope. No matter what kind of mess is shaking up the world, no matter what kind of darkness we endure, no matter how discouraged we might feel, our baptism orients us toward hope in the Reign of God. Every time we baptize an infant or an adult, we rejoice because we know life will never be the same for them. It changes us. It changes everything.

I don't remember the water pouring over my head. Nor do I recall being anointed with Chrism. And I have no visual recollection of my godparents holding the lighted candle. But my baptism has had a profound impact on my life. That brief but powerful ritual, that first Sacramental celebration of my life, set me on a path to follow Jesus. And the impact is not just temporal but eternal. I am following Jesus through the waters of Baptism into the Christian life as a Catholic, but as I follow Him on earth, it's really a path that leads to eternity. What threshold Baptism is for us!

Peace,  
Fr. Greg

## Stewardship

In today's reading from the Gospel of Luke we hear the proclamation of the baptism of Jesus with "all the people." Indeed, "heaven was opened," and the Father announced his special favor. Whenever we partake of the body and blood of Christ, heed his call in our daily lives, share his Good News, become instruments of his transforming justice and peace, heaven is opened to us, and through the Holy Spirit, the Lord announces his special favor on us as well. A good stewardship reflection this week might be this: How, or in what ways, have we personally experienced God's special favor in our lives?

~International Catholic Stewardship Council

### Life Corner

#### Presented by The Respect Life Ministry (RLM) of St. Elizabeth

Sometimes the words of wise men and women can help us see our mistakes. Many learned people of all faiths have spoken about the evils of abortion. Let us listen to them.

Respect Life Ministry (RLM)

"America needs no words from me to see how your decision in Roe v. Wade has deformed a great nation. The so-called right to abortion has pitted mothers against their children and women against men." –St. Teresa of Calcutta

Our first RLM event of 2022 will be a rosary to pray for an end to abortion and for all those who believe that they have no other choice. The rosary will be held in the church on **Tuesday, January 18 at 6:00pm**.
