## "VALUE THEM BOTH" KANSAS CONSTITUTIONAL AMENDMENT

The "Value Them Both" petition The new Kansas Legislature is likely to vote soon on the Value Them Both Kansas Constitution Amendment. We will begin to pray for the successful passage of Value Them Both with a petition during the Prayers of the Faithful.

What is **VALUE THEM BOTH**? VTB is the proposed state constitutional amendment for life supported by the Catholic Bishops of Kansas. On April 26, 2019, the Kansas Supreme Court created a nearly unlimited "right" to abortion in the 1859 Kansas Constitution which continues to allow the live dismemberment of preborn children in our state. Due to this ruling, all of our existing pro-life laws including bans on taxpayer-funded and late-term abortions will be considered unconstitutional once challenged. The **VALUE THEM BOTH** amendment will reverse the Supreme Court ruling and once again allow Kansans, through their elected representatives, to pass laws that will help protect women and their unborn babies from the abortion industry. Please pray for passage of **VALUE THEM BOTH**.

**THE PAST**  
*is no longer yours;*  
**THE FUTURE**  
*is not yet in your power.*

# RESPONDING to the Call

## EVERYDAY STEWARDSHIP

Recognize God in Your Ordinary Moments

Give Until it Hurts

One of the characteristics of Everyday Stewardship is to be committed — to persevere daily in a way of life acknowledging that everything belongs to God.

I know, I know. Easier said than done.

Just ask Zebedee. It's quite an image we get from the Gospel, after all. "So they left their father Zebedee in the boat along with the hired men and followed him."

There was Zebedee, about his business, mending nets with his two sons, who were undoubtedly his best workers — they had to have been more dedicated than the hired men, who worked for wages rather than for family. And in an instant off they go, following this strange man.

I don't know about you, but if my kids left me on a hot summer day to finish the lawn by myself, I wouldn't be too happy.

But Zebedee must have been someone quite special. Perhaps he realized that his sons didn't belong to him — not really. They belonged to God, and from the beginning of time, it had been appointed that they would be among the first disciples of Christ. He passed, he called, they followed, and Zebedee obliged. He simply went back to mending his nets, I imagine.

Zebedee already understood what St. Teresa of Calcutta would say millennia later: "Give until it hurts."

"You're wasting my time." "I've done so much for her; she owes me this." How often do we think things, and even people and relationships, belong to us? The truth is none of them do. We must be ready, as Zebedee was, to surrender them to God when He comes walking past.

## GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

It was a normal day by all accounts, but John just wasn't feeling himself. He was a little lightheaded and out of sorts. Later in the afternoon, he experienced a sharp pain in his chest and arm. Quick thinking and action brought John to the emergency department with a diagnosis of a significant heart attack. Surviving this ordeal, he found himself face to face with his cardiologist, having an honest conversation about things that needed to change. "I came close to death," John found himself thinking. Then came the remorse. He was a young man with a loving wife and children who were very close to facing life without him. John found himself with intense sorrow for living an unchecked and self-indulgent life that almost brought him to his demise. He wanted to change.

We all have our wake-up calls. We have experiences and encounters that force us to really think twice about choices we have made and directions we have taken. Often, we find ourselves looking at those we have hurt square in the eye and wallowing in our foolishness. We regrettably realize that we have allowed our needs to lure us into making some cruel mistakes. We impulsively say things and flippantly do things that reveal our unredeemed and unhealed self. It is a self we stumble over and try to tame but can't quite seem to master and control. Help!

We spin our wheels, naively thinking that we will somehow, perhaps through persistence, get ourselves unstuck. But, we don't. We just get out of the car, feeling very helpless, and ignorantly look at the mess we got ourselves into. Did we ever think to ask someone for help? Or, taken the advice of One who is wiser and avoid this route altogether? "Come after me," are words that Jesus says to all of us. In order to heed his invitation, we must leave our ego-self behind and follow.

When we really see and understand the freedom, peace, justice, and love he offers, we find ourselves with such sorrow in our hearts for how foolish and silly we have been. All the misguided choices and sinful actions come full view and we see how risky our random impassioned behaviors really have been. Repentance is beautiful. When done with a sincere and contrite heart, it directs us to the glory that can be ours, ignites us with the challenge of living a life in service of others and reminds us that all is well.

**WHY DO WE DO THAT?**

**Catholic Life Explained:**

***Communion Wafer***

**Question:**

**Do Catholics always need to receive communion in wafer form, or can it be different kinds of bread?**

**Answer:**

In the Roman Rite of the Catholic Church, the most common form for the eucharistic bread is the small white communion "wafer" that is a ubiquitous part of the Catholic Mass. The instructions of the Church have been very specific regarding the make-up of the bread used in the Mass: "The bread used in the celebration of the Most Holy Eucharistic Sacrifice must be unleavened, purely of wheat, and recently made ... it follows therefore that bread made from another substance, even if it is grain, or if it is mixed with another substance different from wheat to such an extent that it would not commonly be considered wheat bread, does not constitute valid matter for confecting the Sacrifice and the Eucharistic Sacrament" (see Redemptionis Sacramentum by the Congregation for Divine Worship and the Discipline of the Sacraments, no. 48).

The Church's tradition of using a wheat-based bread is based on the bread that Jesus would have used at the Last Supper and is considered to be an essential part of the "matter" of the Sacrament of the Eucharist.

As we consider the question of whether a "wafer" — which is properly called a "host" — should be used, we also must keep in mind that in the Eastern Rites of the Catholic Church, leavened (i.e. "raised") bread is more often used. And so, while the thin, white "wafer" is most commonly used in the Roman Rite of the Church, the full expression of the Catholic tradition does allow for a more substantial form of bread to be used, but the tradition of using a simple wheat bread with no other additions or additives is considered essential.
