

THE MOST HOLY BODY AND BLOOD OF CHRIST

He said to them, "This is my blood
of the covenant, which will be shed
for many." - Mk 14:24

The Solemnity of the Most Holy Body and Blood of Christ celebrates devotion to the real presence of Christ in the Eucharist. Saint Thomas Aquinas reminds us, "Faith will tell us Christ is present, when our human senses fail." The Word was made flesh, so the flesh could sacrifice itself for our redemption, thus John 6:54 "he who eats my flesh and drinks my blood has eternal life and I will raise him up on the last day." By eating the divine flesh and drinking the divine blood we partake in the paschal meal thus becoming adopted sons and daughters of God the Father and through communion become one body in Jesus Christ, the Son of God. In the early Church communion as one body in Jesus Christ was so significant, Fermentum was the common practice

of all Bishops. Fermentum is a practice of the Early Christian Church whereby bishops affirmed their communion with one another, or with their own local subordinate priests by having a Deacon carry a consecrated hosts from his Bishop to the Bishops of other dioceses. The receiving bishop or bishops would then consume the species at their next celebration of the Eucharist as a sign of the communion between the churches, as one body in Christ. There existed a great belief in the real presence of Jesus Christ in the Eucharist and Fermentum was a visible sign of their faith for communing as one body in Jesus Christ.

Reflection Question:

Do you remember a time when after receiving the real presence of Christ in the Eucharist, God's real presence affected your life? (Also known as a heroic or inspired moment)

Patron Saints

Question:

Why are some saints honored as "patron saints"?

Answer:

Each person is unique and each of us has different gifts, interests, talents, and, yes, even struggles and areas where we need to grow. This is no less true of those holy women, men, and children who have been canonized or beatified.

Because we believe that the saints and blessed are both models of faith and intercessors, Christians have looked to certain holy people as role models and heavenly protectors for occupations, spiritual charisms, and even places. Although the Church sometimes names a person as a patron saint (e.g. Saint Philip Neri as the patron of Rome, Saint Clare of Assisi as the patroness of television, or Saint Aloysius Gonzaga as the patron of youth and young adults), more often it is popular devotion that inspires lay Christians to turn to a particular saint or blessed for heavenly help and support. This is how, for example, Saint Cecilia came to be honored as the patroness of musicians, Saint Toribio Romo as patron of migrants coming into the United States, and Saint Gertrude of Nivelles as patroness of cat lovers. Although there are official and unofficial lists of patron saints, we should always feel free to ask any and all the saints to give us their patronage and protection in whatever it is that we need.

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

June 6, 2021

The Most Holy Body and Blood of
Christ

As our world faces so much turmoil and
change, it is now more important than
ever to remember who God is, who we are

and where we are going. It is easy to get distracted and lose focus, especially when we are being pulled in so many directions. We can not only lose sight of God but one another. Maintaining our well developed and mature relationships with God and one another is essential to continuing to live, healthy, happy, and focused lives. In a message to young people, Pope Benedict XVI said, "the happiness you are seeking, the happiness you have a right to enjoy has a name and a face: it is Jesus of Nazareth, hidden in the Eucharist." What is true for those who are younger is even truer for those who are older. Regardless of how the particulars of life change over time, human beings are still hard-wired to seek the fullness of life and happiness. How we embark on this journey and what we choose along the way will indicate whether we meet success.

There is so much brokenness and pain in our world. Many people are lost, feeling lonely, anxious, marginalized, victimized, isolated, oppressed, and abused. Every time we receive the Body of Christ, we have an opportunity to become what we eat. The power and presence of Christ in the Eucharist becomes present in us and effects change in ourselves and in the lives of those we meet. We are given the grace to become temples of justice and peace, carrying God's sacred Presence within us wherever we go. Our faith community is ignited with the fire of God's love and stands out as a beacon of hope in a world that is lost. This is the only way we can discover peace-filled resolutions to violence and create innovative solutions to what is fueling its need in the first place. True happiness, for the young and old alike, becomes an obtainable goal.

St. John Maria Vianney says it so well. "There is nothing so great as the Eucharist. If God had something more precious, he would have given it to us." Only the Eucharist has the ability to connect, sustain, strengthen, and properly orient us, not only on the road of this life but the road to life eternal. Knowing this, when life gets challenging, unsettling, and difficult, we can rely on and cling to this gift we have in the Real Presence of Christ. This actual encounter with God celebrates God's unconditional love for us and grounds us to the truth of who we are in a way nothing else is able to do. Because through the Eucharist we really do become the Body of Christ, we are also bonded together in a most perfect way to one another as that Body. Nourished, united, and strengthened by the Eucharist, let us individually and collectively, bring this wonderful gift to all we meet, especially the poor with whom we have a special connection.

June's theme for Enflame Our Homes is: Joyful families SERVE. Like moldy leftovers in the back of the fridge, our gifts and talents go to waste if we don't use them! Service to others doesn't need to be elaborate or expensive to have an effect on our families. Simply noticing the needs of those we care about and offering a small kindness is a habit that goes a long way toward building a more joyful family. Here is the website: archkcks.org/serve

Help STOP TAX-PAYER FUNDED Abortion - Your voice could help save millions of lives. The Hyde Amendment has protected Americans from funding abortion for 45 years. It's credited with saving the lives of over 2.4 million children to date. Now, powerful members of Congress want to take away this law that both Democrats and Republicans have supported for nearly half a century. Without it, *billions* of taxpayer dollars could go to abortion. That means abortions would be *cheaper, easier, and funded* with our taxpayer dollars.

It is **critically important** for Catholics to send a strong message before Congress moves forward to impose taxpayer-funded abortion. Because of the incredibly high stakes, Congress needs to hear from a **massive** number of people. We need *millions of Catholics to sign the petition!* Please sign at NoTaxpayerAbortion.com and encourage others to do the same.

Thank you!
