14TH SUNDAY IN ORDINARY TIME

When the sabbath came he began to teach in the synagogue, and many who heard him were astonished. They said, "Where did this man get all this? What kind of wisdom has been given him? What mighty deeds are wrought by his hands!" - Mk 6:2

**GOSPEL MEDITATION

UNDERSTANDING OF SCRIPTURE**

**July 4, 2021
14th Sunday in Ordinary Time**

It's all so ordinary that we can easily miss it. The seagulls hunting and diving for mollusks at the beach offer a display of

determination and precision as they gather their food for the day. It's simply what these creatures do. Yet, there's a magical artfulness and skill to their work that speaks volumes about the One who breathed life into their being. This is pretty much the way it is with God's presence. God comes in common ways through common things and ordinary people. Sadly, we are so engulfed in our little worlds of order and ideas to notice the beauty and wonder of it all. Many have numbed themselves to the Divine spark at the essence of all life because that's just the way it is. What's so special about it? A sunset is a sunset and a seagull is a seagull. That's precisely what they thought about Jesus too. After all, isn't he just the carpenter's son? What merit can his words possibly have?

If we're looking for God to come in an event that is so dramatic and intense that it knocks our socks off, then think again. When pondering God's relationship with His people and God's action in our lives, we have to go back to the stable and the recurring, creative, unending power of God's presence. It was a quiet, run of the mill kind of night. There was nothing spectacular or extraordinary. To the naked eye, a woman gave birth to a child and there wasn't anything extraordinary to see. We have a hard time understanding God's ordinary-ness. Jesus grew up in an ordinary town, had neighbors and did normal human things. Perhaps that's why we don't always like the Gospel. It doesn't dazzle us with extraordinary things but simply challenges us to take a different look at our ordinary stuff. That makes us uncomfortable. We prefer things as they are. Our lack of faith can even cause us to take offense at what Jesus says and does, dismissing it as folly.

God's life-giving presence continues to sustain that seagull in flight and keep all things in being regardless of whether we have the faith to see and understand this. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be hardened and blinded to what God is doing or desiring to do. While God continues to do what he has done for all eternity, faith is needed for God's presence to bear fruit. The blinders we wear and the expectations we bring to life can often prevent us from seeing graced moments that radiate with God's graceful presence. They also prevent God's transforming, healing, and hope filled vision for our world from being realized. Without faith, God won't be able to do much for us either.

Independence Day Prayer

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

We all know these words by heart. They are from the United States Declaration of Independence. However, are these words held with the same reverence around the world as they are held here at home? Sadly, no. There are many places in the world where it is a life-threatening endeavor to practice one's faith, that faith that was given to each human by that Creator who endowed us with inalienable rights.

Let us take a moment to remember all those people in the world who are not free to seek life, liberty or happiness.

Let us pray...

O God,

You willed that the Jewish people be free from slavery by their Egyptian captors.

You will that all people should be free to worship you without fear and to celebrate their religious beliefs freely, even if they have not yet found you.

Grant that those of us who live in this great nation will thank you daily for our freedom, and work for the freedom of others around the world that do not yet have the freedom to practice their faith openly and proudly.

We seek your wisdom where hatred abounds, and ask for humility to offer our good works to others who live in fear and bondage.

We ask all this through Christ our Lord, who frees us from sin and death through the wood of the cross.

Amen

Abortion - Your voice could help save millions of lives. The Hyde Amendment has protected Americans from funding abortion for 45 years. It's credited with saving the lives of over 2.4 million children to date. Now, powerful members of Congress want to take away this law that both Democrats and Republicans have supported for nearly half a century. Without it, *billions* of taxpayer dollars could go to abortion. That means abortions would be *cheaper, easier, and funded* with our taxpayer dollars.

It is **critically important** for Catholics to send a strong message before Congress moves forward to impose taxpayer-funded abortion. Because of the incredibly high stakes, Congress needs to hear from a **massive** number of people. We need *millions of Catholics to sign the petition!* Please sign at NoTaxpayerAbortion.com and encourage others to do the same.

Thank you!

TEENS ENCOUNTER CHRIST (TEC) WEEKEND - Does Jesus really have our back ALL the time? Does He really love us that much, even when we aren't at our best? Does He really want to listen to us, even when we haven't been a good friend to Him? When you come to a Teens Encounter Christ Retreat, you're going to hear some great things from other people about Jesus, but you're also going to get a lot of time to talk with Him and get to know Him better too. Teens Encounter Christ is a 3-day retreat where we focus on the Paschal Mystery of the dying and rising of Jesus Christ for each one of us. This is for High School Students and graduated seniors. It will be held at PSR on **August 14-16, 2021.** Cost is \$110.00. Scholarships are available. Sign up here: www.archkckyouth.org/tec.

The Prophecy of You and Me

Prophet. There's a heaviness to this word. It's weighted down with meaning. We think of prophets and we think of Charlton Heston with wild hair and a booming voice, reaching out his hand to work wonders of nature by the grace of God. We think of prophets and we think of ancient Biblical history — someone far away, someone so removed from our everyday life. A prophet is someone who knows something we don't.

When I let you in on this secret, it might scare you at first: in a way, God is calling you to be a prophet. He is calling me. He is calling anyone who hears the truth of the Gospel. However, there is no need for the megaphone and the wild locusts. This prophet gig might not be what you're thinking.

What does a prophet do? He hears and testifies to the truth, even when it's uncomfortable, even when it's unpopular, even when it results in, as Paul says, "weaknesses, insults, hardships, persecutions and constraints." A prophet doesn't have to be smart or rich or ordained; heck, he doesn't even have to be particularly willing.

All a prophet has to do is listen to the truth. The truth we receive from Christ, through the Gospel and the sacraments, is a mighty gift. But it is a gift that we are not meant to simply keep for ourselves. In possessing it, we are compelled to also pass it on, to share it, to let the Spirit set us on our feet.

Yes, the shortage of blood continues.

There has been a chronic deficit in blood donations throughout the pandemic but making the situation worse is the uptick in blood usage by our area hospitals *above* pre-pandemic levels as patients seek care that they put off during the pandemic. Blood donations each month are *hundreds below what hospitals need* keeping us on the cusp of a blood emergency throughout this last year.

To date, **25,000 blood donors** have not returned to give blood and many high schools and colleges have not resumed their blood drives making an already difficult situation even more challenging. **Please help by donating at our upcoming blood drive.**
