4TH SUNDAY IN ORDINARY TIME

The Gospel is the Good News. It shows us the path to everlasting life. But sometimes it does this not just by showing us what to do, but also demonstrating what not to do. Today is a great example. Jesus preaches in Nazareth, where he grew up. The hometown crowd is expecting to

hear some inspiring words, and maybe even see some miracles. But that's not what Jesus has in store for them. Instead, he challenges them, pointing to their self-centeredness and their unwillingness to open-up to God. Definitely not the easy message they wanted to hear! This is a moment of decision for his audience. Do they allow Jesus's hard words to change them, leading to conversion and deeper relationship with God? Or do they put up walls, and respond with anger and stubbornness? We know how they chose. The challenge for us is to choose differently when we're confronted by a challenging message from Christ and His Church. One of those challenging topics in our parish today is the need to support the Archbishop's Call to Share appeal. It can be easy to react to this conversation by putting up walls or tuning things out. But the parish's needs are real. What's more important than whether we give or not is whether we allow ourselves to be challenged by the invitation to contribute, allowing ourselves to lower our defenses and to prayerfully listen and discern. Try it out today, and see how the Lord prompts you.

Evangelization Committee will be presenting a talk on "Why Lent and Ash Wednesday?", in conjunction with the Knights of Columbus' breakfast on **Feb. 20, 2022 after the 8:00 am Mass**. Please join us for the presentation and a very good breakfast.

**EVERYDAY STEWARDSHIP -
RECOGNIZE GOD IN YOUR ORDINARY
MOMENTS**

First Corinthians and the Stewardship of Social Media

"Love is patient, love is kind ..." As familiar as these words are, they never seem to stray into the territory of becoming trite or silly. At their core they communicate a truth about us and about our Creator that never fails to inspire.

But despite the fact that you've probably heard it at many weddings over time, First Corinthians isn't just for newlyweds. It wasn't written for married folks. It's for every single one of us, in every state of life and every social situation, in every country and culture and language across the globe.

Which means that First Corinthians is even for the online world. It's for Facebook and Twitter and Instagram and all the other platforms I'm forgetting (there seems to be a new one every day, doesn't there?).

A sense of division — whether rooted in politics, culture or anything else — is growing in our world, and it's never more obvious than when we observe interactions online. It is far easier, after all, to remember what love is when a human being of flesh and blood stands before us. When all we see is an avatar or a profile picture on a screen — especially accompanied by an opinion with which we vehemently disagree — even the most loving Christians can throw First Corinthians out the window.

As everyday stewards we know that we are charged to be not only gracious but grateful. We receive others but we also give thanks for what they bring to us — even if that's an opportunity to "strive eagerly for the greatest spiritual gifts."

So before the next time you post anything online, I suggest giving First Corinthians a read — and remember, love never fails.

— Tracy Earl Welliver, MTS

It will be held at Townsite 16 (formerly known as Top of the Tower) on **February 6, 2022**, beginning at 5:30 P.M. Tickets can be purchased online at saintmatthews.org/school under the Sharing Our Blessings tab or by mailing your check payable to St. Matthew Catholic School to the school at **1000 SE 28th St., Topeka, KS 66605**. Any questions please contact Theresa Lein, Principal at 785-235-2188.

You may be familiar with the annual “blessing of throats” that many parishes in the United States use to commemorate the beloved bishop and martyr. St. Blaise lived in the fourth century in Turkey and Armenia. Due to religious persecution, he was forced to flee and hide in a cave in the back country in order to save his life.

History has it that one day a group of hunters stumbled upon where St. Blaise was living. They found the bishop kneeling in prayer, surrounded by wolves, lions, and bears that he had tamed. The legend has it that as the hunters dragged Blaise off to prison, a mother came with her young son who had a fish bone lodged in his throat. At Blaise’s command, the child was able to cough up the bone and thus lived.

Today we remember the saint on his feast day by taking two candles, crossing them against the throat, and saying the following prayer:

Through the intercession of St. Blaise, bishop and martyr, may God deliver you from ailments of the throat and from every other evil. In the name of the Father, and of the Son, and of the Holy Spirit. Amen.
