"This is a very important moment for Kansas. If we fail to defend the weakest and most vulnerable in our society, then there is very little hope that our country will respect other vulnerable lives.

Together, we can defeat the 'culture of death' and build a 'culture of life.' Together, we can make a difference and renew our society so that every human life will be cherished and loved. I want to do all that I can to make Kansas a destination state for life!"

Archbishop Joseph F. Naumann D.D.
