stewardship

The stewardship message in the parable of the prodigal son is that it is never too late to become a good steward. Blessed is the elder brother who had been a good steward all along, but blessed, too, is the prodigal son, who had to lose all he had in order to understand the value of what he'd been given.

Word of Life

"There is an everyday heroism, made up of gestures of sharing, big or small, which build up an authentic culture of life... Part of this daily heroism is also the silent but effective and eloquent witness of all those 'brave mothers who devote themselves to their own family without reserve, who suffer in giving birth to their children and who are ready to make any effort, to face any sacrifice, in order to pass on to them the best of themselves'... We thank you, heroic mothers, for your invincible love! We thank you for your intrepid trust in God and in his love. We thank you for the sacrifice of your life" (*The Gospel of Life* 86).

Everyday Evangelizing

International Priests Collection—March 26th & 27th, 2022

Our parishes are blessed to be served by an International Priest. He not only offers our faith community the gift to participate in the Eucharist, but he also offers us a glimpse of the universal nature of the Church, and a deeper understanding of what “mission” means. The Church is one, with many faces, and from many cultures.

This Weekend you will have an opportunity to give back to the home Diocese of Fr. Francis for sharing his vocation and priestly service with us. All 100% of the funds raised from the World Concern Collection in our community will serve as our Stewardship in appreciation. Feel free to use your normal World Concern Collection envelope for this purpose. (You may also direct your donation to be allocated to a cause that is normally part of the collection. Please direct your wishes on the envelope if necessary). Thank you for your generosity!
