Word of Life

“Without a foundational, practical formation, it is difficult for our consciences to guide us well in concrete situations. As Catholics, we have the immense gift of the teaching authority of the Catholic Church and can turn to it for help forming our consciences. For example, learning about Christian moral principles, reading the *Catechism of the Catholic Church*, or researching what the Church says about a challenging teaching will help us grow in knowledge of the truth.”

USCCB Secretariat of Pro-Life Activities, “Understanding Conscience”
