Dear Parishioners,

I want to take this opportunity to thank all of our mothers... I pray that each of you is blessed on this day when we honor our mothers. In this time in our nation, when life is not protected in the womb, every child's life is in the hands of his or her mother. We thank you for choosing life for us... and for your children. Mothers are such an important part of our lives. I think as I grow older and my own relationship with my mother changes, I have a greater appreciation for what she did for me as a child and even what she does now. I know for many mothers (and fathers), when you have a family you are raising it can seem like a lot of work. Many tasks and time and energy that goes without much recognition or thanks. Know that as you pour yourself out, it is making a big impact on your family, and even the broader community. I hope that today, we can all strive to find some way to honor our mothers, a card, a phone call, a gift... find some way to show your appreciation.

I wanted to thank everyone who came to the St. Joseph meetings regarding the capital campaign last Sunday. It was great to see you there, and to share with you where the project is at and have a chance to hear your questions and comments. For those who have received their personalized folders, I would invite you to send in your decision regarding your participation in the project in the next 2 weeks. We thank all who are stepping up to be involved. I know this is a big undertaking, and I am grateful to have so many people take part in this project.

We will be having a special Mass at Our Lady of Fatima on this Friday (May 13th) at 9 AM. This is the Feast of Our Lady of Fatima. Fr. George has agreed to offer the Mass that morning. We will still have the regular 8 AM Mass at SJ in Crosby that morning. While it's not essential, it is nice to have Mass in a parish on the patronal feast day.

Thanks for your prayers for me as I was on my retreat last week. I am grateful for the time to spend some extra time in prayer and reflection. Every priest is asked to take a "canonical retreat" by canon law each year, and this is to renew him in his own walk with the Lord. I find this time helpful each year to renew my own relationship with the Lord, and try to reflect on where I've gone and where I'm going in my journey. Thanks to Fr. George and the deacons for covering in my absence.

I know it's a busy season as we have all the end of the school year events and people coming back up into the area to their cabins. Let's do our best to welcome our summer visitors or summer parishioners!

I pray you all have a blessed week!

*In Christ,
-Fr. Eli*

PRAYER FOR MOTHERS

*Heavenly Father,
from the beginning you have chosen to entrust the human person to mothers in a special way. We thank and praise you for the gift of mothers; for their tenderness, care, and compassion, for their intuition and encouragement, for commitment and sacrifice.
Bless all mothers this day. Keep, strengthen, and refresh them in your loving care. May they be blessed by our open-hearted love and gratitude.
Amen.*

OUR LADY OF FATIMA

THE MIRACLE OF THE SUN

The story begins in the village of Fatima, Portugal, on May 13, 1917. On that fateful day, The Blessed Virgin Mary, Mother of God, appeared to three young peasant children: Francisco, Jacinta, and Lucia; ages 10, 9 and 7. As was the custom, these youngsters were tending their family's sheep when "a Lady all in white, more brilliant than the sun... indescribably

beautiful," standing above a bush, appeared to the youngsters.

From May through October 1917, the

Lady appeared and spoke to the children on the 13th day of each month. News of these apparitions began to spread throughout the region. The children recounted that the Virgin told them that God had sent her with a message for every man, woman, and child living in the century. She promised that God would grant peace to the entire world if Her requests for prayer, reparation and consecration were heard and obeyed. While many people believed the children had actually seen the Virgin, many others discounted the children's story, subjecting them to much derision and ridicule. When it became known the Lady would visit the children for the last time on October 13, 1917, and had promised a sign that would convince the world she had appeared, many pilgrims made plans to attend. Many were scornful, unbelievers whose sole intent was to discredit the children's stories.

Suddenly the "clouds separated...and the sun appeared between them in the clear blue, like a disk of white fire." The people could look at the sun without blinking and while they gazed upward, the huge ball began to "dance". The huge fireball whirled rapidly with dizzy and sickening speed, flinging out all sorts of brilliant colors that reflected on the faces of the crowds. The fiery ball continued to gyrate in this manner three times, then seemed to tremble and shudder, and plunge in a mighty zigzag course toward the earth. The crowd was terrified, fearing this was the end of the world.

However, the sun reversed course and, retracing its zigzagging course, returned to its normal place in the heavens. All of this transpired in approximately ten minutes. After realizing they were not doomed, the crowd began ecstatically laughing, crying, shouting and weeping. It has come to be known as "The Miracle of the Sun."
