21ST SUNDAY IN ORDINARY TIME

Supplies include pencils, pens, markers, crayons, glue, notebooks, paper, folders, binders, colored pencils, erasers and scissors. Collection boxes are located in the main entrance of the Church near Mary's office and in the Parish Hall entrance to the Church from the parking lot. They will be available until Monday, August 23. Spiritual Adoption – Baby's First Month Development

Your spiritually adopted baby has been quite active during this first month of growing. Already your baby is 10,000 times bigger than at conception. Your baby has developed the foundations of her brain, spinal cord and nervous system by the 20th day. Her heart began to beat 18-21 days after conception. Her heart is pumping blood through her own circulatory system and her blood type can be different from her mother's. Your baby is just ¼ of an inch long.

God will indeed bless and reward your generosity and concern for others, of that you can be assured. The responsibility our parish has to help provide diocesan services and ministries such as support for vocations and the education of seminarians is an answer to some of the challenges that are facing us today.
