SEEING AND BELIEVING

**“...the other disciple, who reached the tomb first,
also went in, and he saw and believed”**

(John 20:8)

When we look at our spiritual life—especially in the light of the pandemic, can we say that we have become stronger in our love for Christ and for others? Or, that we have lost our way. Wherever we are, we should not feel discouraged because Jesus has risen! In the light of His resurrection, we can begin again!

The faith of the beloved disciple is exemplary. I want a share of his belief, love, and simplicity. This disciple rushes to the tomb with others and given nothing but evidence of the empty tomb. The effect of this evidence on Peter is not stated here, but its impact on the beloved disciple is clear: “he saw and believed.” No angelic announcement accompanies the glimpse into the empty tomb and no reassuring words that Jesus has risen, that he has gone before them. Unlike other Evangelists, John’s account has only the stark emptiness of the tomb and the telltale presence of Jesus’ abandoned burial clothes. Yet, the beloved disciple believes.

The beloved disciple is nameless—and so, he could be you and me. This disciple has been loved much and therefore does not need any evidence. As Martin and Wright reflect: “The disciple’s love for Jesus results from Jesus’ love for him. God’s love awakens and enflames disciples’ love, which leads them to a greater knowledge of Jesus.” (The Gospel of John, 335 p)And I want to be the beloved disciple of Jesus!

The beloved disciple reminds us that no matter where we are in our relationship with Jesus—disengaged, skeptical, or lukewarm, God will gather us and accompany us on our journey to Jesus. I pray that our hearts are ready for Him who has been longing and yearning for our return during this year!

May our risen Lord fill our hearts with peace, Father Chinna

**“... el otro discípulo, que llegó primero a la tumba,
también entró, y vio y creyó ” (Juan 20: 8)**

Cuando miramos nuestra vida espiritual, especialmente a la luz de la pandemia, ¿podemos decir que nos hemos vuelto más fuertes en nuestro amor por Cristo y por los demás? ¿O que hemos perdido el rumbo. ¿Dondequiera que estemos, no debemos desanimarnos porque Jesús ha resucitado! ¡A la luz de Su resurrección, podemos comenzar de nuevo!

La fe del discípulo amado es ejemplar. Quiero compartir su fe, amor y sencillez. Este discípulo se apresura a ir a la tumba con otros y no da más que evidencia de la tumba vacía. El efecto de esta evidencia en Pedro no se declara aquí, pero su impacto en el discípulo amado es claro: "vio y creyó". Ningún anuncio angelical acompaña al vislumbre de la tumba vacía y ninguna palabra tranquilizadora de que Jesús ha resucitado, que ha ido antes que ellos. A diferencia de otros evangelistas, el relato de Juan solo tiene el vacío absoluto de la tumba y la presencia reveladora de las ropas funerarias abandonadas de Jesús. Sin embargo, el discípulo amado cree.

El discípulo amado no tiene nombre, por lo que podría ser tú y yo. Este discípulo ha sido muy querido y por eso no necesita ninguna prueba. Como reflexionan Martin y Wright: “El amor del discípulo por Jesús resulta del amor de Jesús por él. El amor de Dios despierta y enciende el amor de los discípulos, lo que los lleva a un mayor conocimiento de Jesús.” (El Evangelio de Juan, 335 p).

Sin embargo, el discípulo amado cree. El discípulo amado nos recuerda que no importa en qué punto de nuestra relación con Jesús estemos: desconectados, escépticos o tibios, Dios nos reunirá y nos acompañará en nuestro viaje hacia Jesús. ¡Oro para que nuestros corazones estén listos para Él que ha estado anhelando y anhelando nuestro regreso durante este año!

Paz y todo bien, padre Chinna

WELCOME: PASTORAL COUNCIL 2021

BRIAN BECKER

I have been a member of St. Boniface since 2002 and work as an Edward Jones Financial Advisor for individual retirement planning. I have been on the council for a few years now. I am excited to continue to help build the Church community and give back to Saint Boniface parish that has given me so much!

DICK BRDICKO

I have been a member of St. Boniface since 1993 and I work in Information Technology at Principal Financial Group. Being part of a growing and ever changing parish comes with opportunities and challenges. I want to use my gifts to serve the needs of our growing parish community. One of the greatest strengths of St. Boniface is outreach. I look forward to continuing to grow and evolve that outreach while emphasizing other aspects of our faith as intentional followers of Jesus through our actions, our words and our presence in our community!

LIZ CRAIG

I have been a member of St. Boniface since 2009. I am a family dentist and practice at Craig Dental Center which I opened the same year we moved to the community. I am honored to serve on the parish council. The parish has been so welcoming to me and even more so to my family. Aside from a baptism in Omaha for my oldest, all of my children have benefited from sacramental preparations and celebrations offered at St. Boniface. God willing, there will be many more receiving the Sacrament of Baptism and become engaged in the Sacramental life of the Church!

MONICA FASSE

My family and I have been with St. Boniface since 2013 and I'm excited to play an active role in ensuring we are serving our diversified parish family. I am personally excited about the transition to Whole Parish Faith Formation that supports the vision of Bishop Joensen. As a parish we have an opportunity to find new ways of learning and growing in our faith and in our relationship with Jesus. I have been a Catchiest since 2016 and served on the Faith Formation Committee last year. My first ministry at St. Boniface was being a Extraordinary Minister of Holy Communion for a parishioner during her final months while she battled cancer.

KATHI JUDGE

My family and I have been members of St. Boniface for 20 years. Father Bob Shoemann asked us to wait for the new church (now the parish hall) to join and that's what we did. We filled a pew in the old church with 4 kids! I am a retired RN.

I am excited about the future of St. Boniface as we return to church to strengthen our faith and parish connection post COVID!

DAN UPPENA

My family and I have been members of St. Boniface since 2006 to 2009, then from 2012 to 2016, now again. My wife and I have moved 7 times in my 27 year career, and have been active in Catholic parishes everywhere we've lived. St. Boniface has been one of the greatest blessings in my life. I want to pay this blessing forward to others – and am willing to serve the parish in the pastoral council. I think coming out of the pandemic the need to build a strong community is more important and challenging than ever—and I feel that I'm here at the right time to help meet this challenge.

WITH FAITH & LOVE

On February 15, 2021, we lost our 8-week-old son Oscar David Burns. He was a twin to Oliver Patrick, but Oscar never got to see the world outside of the hospital besides his one helicopter ride to Iowa City. While our faith in God helped us keep hope through his two-month battle with pulmonary hypertension, our world came crashing down when the doctors told us there was nothing else they could do.

**Our healing process will continue,
and knowing we have the support of the parish
will only strengthen our faith.**

When we left Iowa City that morning, we had no idea what to do. St. Boniface was the first place we turned. Father Chinna and Sarah Krohnke were the first people we met with, and their reassurance that we had a whole parish and God supporting us in our corner was calming and evident from day one. We cannot THANK YOU, the entire St. Boniface community, enough for helping us cope with our loss. We are truly grateful for all the thoughts and prayers, cards from people we have never met, and the entire parish staff. We now have a deeper appreciation for the parish who have been so giving. Our healing process will continue, and knowing we have the support of the parish will only strengthen our faith. Our lives are like a book of chapters; learning from each chapter as we go through life. While a lot of this chapter is filled with pain and disappointment, a lot of it is also filled with healing, gratefulness, faith, and love. We will never overlook who all were a part of this unforgettable chapter in our lives. Joshua, Jill, Georgia, Charleigh, and Oliver & Oscar Burns

HENRY STRONG

Last week before leaving Waukee for Henry's surgical procedure, we had Father Chinna receive the Sacrament of Baptism!

After his procedure to balloon open his pulmonary valve, doctors came out to tell us everything went as expected, and we learned we would be seeing him in recovery soon. An hour later, they reappeared to let us know Henry was experiencing complications. In essence, the procedure to open his valve overwhelmed his lungs, and they were experiencing blood flow his little body had never had before. His lungs were essentially drinking from a fire hose and he was struggling immensely to breathe. They call this a 'reperfusion injury'. We were reunited with him in the cardiac ICU where we spent 3 nights with him full of ups and downs. This is where we really had to trust God and hold each other with reminders that God has a plan.

**Henry was moved
to a step-down cardiac care unit Saturday
and miraculously we were able
to come home Sunday, March 28th.**

This surgery will likely buy Henry a couple more months before needing his open heart procedure. We appreciate all your prayers for him and our family and know you will continue to lift him up in prayers the coming months. We are so grateful for the St. Boniface community.

The Easter Season: 50 Days!

The word "Easter" comes from Old English, meaning simply the "East." The sun which rises in the East, bringing light, warmth, and hope, is a symbol for the Christian of the rising Christ, the Light of the world.

The Easter Vigil is the "Mother of All Vigils." **Easter Sunday, then, is the greatest of all Sundays**, and Easter Time is the most important of all liturgical times.

Easter is the celebration of the Lord's resurrection from the dead, culminating in his Ascension to the Father and sending of the Holy Spirit upon the Church. There are **50 days of Easter**, beginning from the First Sunday of Easter to the Pentecost.

Easter is characterized, above all, by the **joy of glorified life** and the **victory over death** expressed most fully in the great resounding cry of the Christian:

Alleluia! All faith flows from faith in the resurrection: "If Christ has not been raised, then empty is our preaching; empty, too, is your faith." (1 Cor 15:14)

The **Octave of Easter** comprises the eight days which stretch from the first to the second Sunday. It is a way of prolonging the joy of the initial day. In a sense, every day of the Octave is like a little Sunday.

FAITH & FELLOWSHIP

COMFORT, SUPPORT, AND UNCONDITIONAL LOVE

by Dena Forret

The Spiritual Book Study Group continued to meet during COVID that impacted our lives so greatly, disrupting our normal day to day activities. It was a blessing to tap into technology such as Zoom to continue our weekly meetings or to meet outdoors during good weather and enjoy the beauty of nature. Rosemary Perschau hosted Zoom meetings which helped us continue to meet in an efficient and effective way.

**Our continued presence to one another
made a big difference
as we coped with isolation, illness due to COVID
and other family situations
that we could share and support each other.**

Sharing our insights, feelings and knowledge has made us a tight knit group and has allowed ourselves to be vulnerable which in turn made us more available to growth. As Shawn stated, "I see this group as contemplative". That can happen in smaller groups where we draw on the experiences of others relative to the messages we are reading. Another member appreciates the unconditional love that allows her to speak freely in a nonjudgmental environment. Exploring and learning about ourselves, our faith, the church, and the greater global community of God's people has inspired us to continue this process. We look forward to each new book as we continue our adventure together.!

THANK YOU

- ⇒ **Worship Committee:** for beautifully decorating the altar, sanctuary and the gathering space!
- ⇒ **Liturgical & Music Ministers:** for your readiness to support the Liturgical celebrations!
- ⇒ **Knights of Columbus:** for being always available to support the parish family!
- ⇒ **Men of Boniface:** for your cheerfulness and for your generous service to the parish family!

MY LENTEN JOURNEY

By Tammy Rutledge

This past year has been difficult and challenging in so many ways for so many people. I started early January feeling a need for something more in my prayer and spiritual life, not knowing why I felt that need. Was it just the pandemic?

For three weeks in a row I read the invitation in the bulletin to join a small group meeting once a week during Lent for seven weeks. I didn't say yes to that commitment until shortly before Lent started. I just finished my last zoom meeting with an amazing group of people who gifted me with a deeper appreciation for our church community and realization that each of us has a choice in how we live our faith. I said a thank you prayer as I was driving this afternoon for this incredibly faith filled group and to the experience of being a part of the Lenten journey, The Search.

This series has been incredibly profound, very emotional, and spiritually enriching. I now have a deeper appreciation for how God has created a path for each of us from the beginning of time. He loves each of us enough to send his Son to save us, messy lives and all!

Last thought...We can do this life journey alone (not really) or we can commit to our church and faith community that strengthens us, to us recognizing what strength we bring to our community and to us being aware that God is present each and every time we walk through the church doors receiving the sacraments.
