### A Campaign Message from Bishop Kemme

The One Family, Fully Alive in Christ! Campaign is now underway, and the generosity of our diocesan family is truly inspiring. To date, our campaign has already raised \$34,069,342 toward our diocesan goal! Many thanks to the volunteers who have worked diligently to get us to this point. I would also like to thank the donors who have given so generously in the early stages of our campaign. While there is much to celebrate, there is also more work to be done. A team of St. Thomas campaign volunteers has graciously agreed to donate their time and talent for the betterment of the Church. They are serving in this role because they believe in the parish and our diocese and are passionate about the Church's future. We thank them for helping in this important capacity.

By now, you have received a letter from me that includes a financial request. It is not an expectation but rather an invitation. I invite you to pray for this campaign, your parish, and the diocese. You may not be able to give what was asked. You may be able to give more than asked. Whatever that decision is, know that your commitment is appreciated and a true blessing to our diocesan family!

Thank you for your cooperation, your consideration, and your support of the Church throughout the Diocese of Wichita! I remain,

Humbly yours in Christ,

+ *Carl A. Kemme*

Most Reverend Carl A. Kemme, D.D.  
Bishop of Wichita

## GOSPEL MEDITATION

"The scribes and the Pharisees brought a woman who had been caught in adultery and made her stand in the middle" (John 8:3). Why do they make her stand in the middle? Why not expose her on the periphery? The reason is something that affects us practically every day.

The center is what stabilizes a community's identity. We humans tend to center ourselves around an accused and condemned victim — though we rarely admit it. This renews our fragile communities and our power as those who weaponize the accusation. This is effective because it is often a victim who represents something truly dangerous for the group. In this case, adultery stands for the breakdown of a community and those within it, because it forces questions like: who is my father? Whose child is this? Is this child one of us, or that of an outsider? The accusers place the adulteress in the center because their community, like most, is built around turning an enemy into a victim.

Once you understand this, you'll see it almost anywhere humans group together (families, politics, workplaces, sports, schools, etc.). The good news is Jesus exposes this dynamic by deftly pointing out the sin-infected hearts of everyone besides the woman. They all leave, symbolizing the breakdown of the old order, and she is "left alone before him." A new community has begun, structured around the merciful love of Christ.

What is in your center? What is in the center of our parish and family communities? Strive to center on Christ's forgiveness, and we experience the new, lasting community we call the Church.

Father John Muir, ©LPi
