PRINCIPAL'S PEN ...a word from the heart of Dr. Hopson

“The people who walked in darkness have seen a great light; for the Lord is born for us; and he will be called Wondrous God, Prince of Peace, and Father of future ages: and of his kingdom there

will be no end.” (Is. 9:1, 5 and Lk. 1:33) With these words the Sacred Liturgy announced the birth of our Lord Jesus Christ on Christmas Day. It is truly a joyous day in which we join Christians all over the world in welcoming into our hearts the King and Ruler of all creation born of the Blessed Virgin Mary. We hope this Christmas season finds you and your family in good health and grace.

Celebrating the Nativity of the Lord Jesus gives us the opportunity to once again return to the true spirit and joy of this blessed season. The danger for us is to get too caught up in the commercialized holiday that we forget the heart of what we celebrate. You and I must be witnesses of the Lord Jesus, reminding all our neighbors and friends of the great birthday celebration of the Lord.

With us being half way through our school year, it is a good time to look back at all the wonderful things that have taken place this first semester of school and what we have to look forward to when we return in January 2022. First, SCBA has been blessed to be in school every day this

semester. Our scholars and families have helped to keep everyone healthy and this has allowed us to be in session each day. Our Kindergarten through 3rd grade scholars went on their first field trip in over 18 months! What a glorious experience for the scholars to go to the KC Zoo for the day! Our scholars raised over \$1,600.00 for the Respect Life Committee and collected items to make 48 care packages for the homeless. SCBA was able to have our Recitation Showcases all together this year and perform in front of a live audience! Our scholars and families participated in the Red Bag program and helped to collect over 4000 pounds of food for the Bishop Sullivan Center! The most important thing that we were able to do, is be together each week for our All School Masses. Attending Mass in person with all the scholars and teachers in the church is a true gift and blessing. God is good.

As we celebrate our new year and welcome 2022, we should desire to go into 2022 with confidence, grace, and healed hearts. I have learned that through Christ, all things are possible. That means that no matter what 2021 held for you, Christ is able to walk alongside you to help you to move forward in your life. Asking for His assistance in making 2022 the best year possible for you and your family is a wonderful gift. I wish a peaceful and happy New Year to each of you.

Dr. Karen Hopson

LIVE THE LITURGY

Inspiration for the week

Human beings easily get bored. Life's routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God's creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved.

SAINT OF THE WEEK

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter's Square by Pope Paul VI and was the first citizen born in the United States to be given the title of "saint."

STEWARDSHIP

Marie's New Job

I know it may not seem like a big deal, but it is HUGE to me. I was working with Catholic Charities and their employment services on my resume. They helped proofread my spelling and grammar. We worked on my interview skills... and I found a job! I don't mind the work; I like to clean and I like the feeling of leaving something clean and fresh. I also don't mind working alone, which I will for the most part. I like to get right down to it and get the job done. Will this be my job forever? I don't know. I can't say, "I don't care" because I really do care. I am so thankful for the job and the chance to earn my own living. Read more about Marie. www.HelpMarie.org

Annual Catholic Appeal

As you prayerfully consider your pledge to this year's campaign "to equip the holy ones for the work of ministry, for building up the body of Christ," consider the times when you might have needed the help of another, and you received it. The Catholic Church in Northwest Missouri provides this type of help and relies on your sacrificial giving to make it happen. Be Christ for others—pledge a generous gift to the Annual Catholic Appeal.
