PRINCIPAL'S PEN *...a word from the heart of Mrs. Stracener*

The Academic year has officially begun and we have completed our first full week of classes at Borromeo Academy. The first couple of weeks of

school are always filled with excitement and maybe sometimes a bit of anxiety, but as we settle into routine and begin the work of the year we start to feel at home.

Borromeo Academy is home this year to over 250 scholars ages 2 years old through 8th grade. It is our job as staff members and parishioners to work alongside these children and their families to make our community a place like no other.

We are founded in faith, grounded in the Gospel and inspired by the Holy Spirit to welcome our scholars into a home that values them as individuals created in the image of God, unique and talented, loved and respected. We are called to be examples of living a life filled with truth, love, and charity. We are bound in the teachings of Christ to exemplify all that is good and kind. We are not only preparing our scholars to communicate eloquently, think critically, and serve humbly; more than

that, we are preparing our scholars for a lifetime of discipleship. We are preparing our scholars to leave their home at St. Charles Borromeo and to go out into the world shining their light for God.

Our task, our mission, is to make this home a place where our scholars thrive and where the community is active and visible in their lives. We give our time, our talent, and our treasure to inspire and nourish the gifts of our scholars. We make sure that no matter how far they travel in the future or how many years have passed since their graduation, these halls and this community will be home.

Thank you for your continued and future support of our Academy. Welcome to the new academic year. I hope to see many of you returning to our halls to volunteer and visit because, at the end of the day, "there's no place like home."

LIVE THE LITURGY Inspiration for the week

Discipline is necessary for us to focus our attention and develop and refine our skills. A disciplined person has integrity and can make difficult but necessary choices. Most people do not like discipline, especially children. When we have to rise above our impulses and desires and do something challenging, it can appear as a punishment. The struggles of living a good and effective Christian life, especially when we actively choose virtue over vice, are allowed by God and necessary for reaching spiritual maturity. God invites us to share in His Kingdom. Hearing and accepting that invitation requires an active, conscious decision on our part. Reforming our lives and changing how we do things does not come easily. But it is precisely what is necessary for us to enter through the narrow gate that leads to life. Discipline is essential if we are going to discover our desire for union with our Creator and live in God's house. In this way, we will not risk finding the door locked when we need it to be open.

SAINT OF THE WEEK

Born Isabel Flores de Olivia in April 1586 in Lima, Peru to Spanish colonists, Saint Rose of Lima took the name Rose at her confirmation in 1597. Legend holds that she received this nickname as an infant because a servant saw her face transformed into a rose.

Even as a child Saint Rose was dedicated to Christ. Growing up she made many secret penances. And when she was old enough to be married, deterred suitors by cutting off her hair and rubbing pepper on face to make it blister. She took a vow of chastity even though her parents wished her to marry. She fasted many times a week and permanently abstained from meat.

Eventually her parents gave in and allowed her to join the Third Order of St. Dominic, although she was not permitted to live in a convent. Saint Rose undertook severe penances, allowing herself only two hours of sleep a night in order to have more time to pray, wearing a heavy silver crown with spikes on the inside imitating Christ's crown of thorns, and even burning her own hands. However, she also cared for the sick and hungry, and sold her beautiful embroidery and fine lace, as well as flowers she grew to help raise funds for the poor.

She died at the age of 31 on August 24, 1617. Pope Clement X canonized her in 1671, she was the first saint of the New World, born in the Americas. Saint Rose of Lima is the patron saint of Latin America and the Philippines.

“An 8-session program that examines Paul's letter to the Romans and provides historical context, highlighting the connections to Jesus and Christianity that Paul makes with the Old Testament. Provides an authentically Catholic, comprehensive, and simple way to understand the overarching theme of Romans--salvation. Explores the ways in which Jesus is the fulfillment of Israel's prophecies, which leads to the universal, "Catholic" family of God. Participants will learn Catholic teaching on salvation, how to explain salvation to non-Christians, what is required for salvation--faith or works, what Paul means by "works" not leading to salvation, how Christ's death changed their relationship with God, the meaning of the difficult passages in Romans, and how they can enter more deeply into Christ.”
