The offertory rebounded sharply from the last weekend in April, in part due to an annual gift of $2,400. We also received a number of monthly gifts, which tend to fall in the first two weeks of the month. Our initial results for the month of April show we had net revenue of $4,400, elevating our year-to-date income to $15,056, not including the forgiveness of the Paycheck Protection Program loan. We will now turn to the process of budgeting for the 2021-2022 budget year that commences July 1, 2021. The current year has clearly presented challenges, however we believe we have surmounted those challenges thanks to the generosity of our parishioners.

We continue to be heavily reliant on our mail-in and online offertories and are pleased to remind everyone that you may also text the letters "QHR" to 800-950-9952 and follow the prompts. We also encourage you to download the Parish App onto your smart phone. It can be found at the iPhone App Store or Google Play store ("WeConnect"). We are very grateful for the generosity of our parishioners.

Livestreaming

We are very pleased with the feedback we have received from parishioners, as well as non-parishioners here and across the United States. For daily mass, we are averaging 36 viewing locations, with a number of couples, so we have as many as 50 online viewers for our daily mass. We continue to have envelopes available in the information station to help pay for the livestreaming equipment. We are also encouraging those who have participated in mass from home to contribute. Any mailed checks marked "livestream" will be dedicated to this fund.

We are very pleased to have completed the conversion to fiber-optic cable for our Internet. We now have consistently strong speed and have been told any pixilation now occurring is due to high traffic at the streaming service and other intermediaries.

We are still able to stream to a screen in the basement of the church, which increases our capacity as we maintain social distance.

FIAT FOR THE FUTURE CAMPAIGN STATUS

We are very pleased with the continuing commitment of our parishioners to our Fiat for the Future Capital Campaign. Pledges are now at $2,606,656 and the amount collected now totals $1,411,508 as of the end of March. Particularly impressive is that 542 families have pledged and/or donated, 170 of which didn't pledge, but have given a total of $95,042. The numbers also include 43 non-parishioners. We are thankful for the generosity of our community.

A Message from Fr. Bill

Dear Queen of the Holy Rosary Family,

Each week, I see more and more people returning to Mass. What a wonderful blessing. We are seeing signs of hope all around us, from the spring flowers and longer days of sunshine, to the children participating in school and sports. This Easter Season is truly bringing hope and optimism.

You may have heard that Archbishop Naumann has chosen the Solemnity of The Most Holy Body and Blood of Christ, the weekend of June 5-6, 2021, as the occasion on which the dispensation from the obligation by the faithful to attend Mass shall be lifted. Beginning with Masses for that weekend, all Catholic faithful of the Archdiocese are to return to the precept of the Church to attend Mass on Sundays and Holy Days of Obligation.

Those suffering from underlying health concerns or compromised immunity, or who have genuinely serious concerns about the risk of contracting Covid-19 at Mass are not bound by the obligation to attend Mass.

We will continue to follow the directives of the Johnson County Health Department. The latest directives are showing signs of hope that we are coming out of the pandemic. Here are the two latest updates from the county.

1. The Health Order of the Johnson County Local Health Officer issued March 25, 2021: All churches and houses of worship are exempt from social distancing and mask requirements.

2. The JOCO Board of County Commissioners will not be extending the mask and social distancing mandate effective Friday, April 30th. **They are strongly encouraging the continued use of masks and social distancing, as well as encouraging every eligible person to get the coronavirus vaccine as soon as possible.**

Because the Health Orders has eliminated the mask mandate, masks will not be required during Mass effective immediately. **However, I would like to encourage all of our parishioners to continue to wear face masks as a gesture of good will and solidarity with those who are only able to attend Mass due to the prevalence of masks at Mass.**

Even beyond June 5-6, we will continue to provide socially distanced seating for the south section of pews. The north section provides more and closer seating. This will allow families to make choices for themselves regarding their health and comfort. We will keep the balcony open with socially distanced seating and will also continue to livestream the Mass in the Parish Hall. And we will continue to livestream our Masses on Facebook and our homepage for the vulnerable who cannot attend Mass in person. Communion protocols will remain the same. We will continue to use the outer aisles and encourage social distancing. I strongly encourage you to wear your mask when receiving communion.

You'll notice a few more returns to the church as we know it. You may have noticed we have added "touch free" Holy Water dispensers at all the entryways of the church. We will also fill the Baptismal Font with Holy Water for the Feast of Corpus Christi.

The Missals will be returned to the pews by June 5th. It will be good to have our music and readings back in our hands. The latest studies show that there is very little danger spreading the virus from hard surface contact.

Be assured of my prayers, and my gratitude for each of you. May God keep us all safe and fill us with the Holy Spirit of Hope!

Gratefully in Christ's Victory,
Father Bill Bruning
