CHRIST THE KING SCHOOL

A LETTER FROM OUR PRINCIPAL

As I reflect on the happenings at our parish school this year, I can't help but wonder what God's message is for us. As educators in our parish school we are given a great responsibility to enlighten and form His most vulnerable and precious of gifts-our children. In addition to the challenges that the coronavirus has piled on all of us, we embarked on implementing a new curriculum. I am convinced that through the rich tradition of our Church told through history, science, math, music, art, and great literature, our children will be better prepared for their futures. In this first semester of implementation, we are already seeing beautiful growth in our students from their ability to think and question more deeply, to their increased interest in wonder and discovery. Additionally, that we have been able to be in our school building for in-person learning this fall has been a true blessing. We work extremely hard to keep our students and faculty safe with the many precautions that we have in place. In turn, the faculty and staff are vigilant in staying to the guidelines set forth by our local health department to keep their students safe. To all of our supporters and friends who pray for the success of our children not only in school but in whatever God's plan is for their futures, I extend my most humble gratitude. Please know that my prayers and best wishes are for your Advent and Christmas to be filled with the joy of the Christ-child's coming. (I say new curriculum, but there is nothing new about the classical liberal arts. I have much literature and many resources for anyone who is interested in learning more.)

ENFLAME OUR HOMES ~ DECEMBER

Joyful homes aren't perfect, but they assume the best. Advent is a time of reflection and preparation, but it can also be full of stressful family interactions! This month we will consider how joyful families assume the best of one another. ESCUELA DE CHRIST THE KING

UNA CARTA DE NUESTRA DIRECTORA

Mientras reflexiono sobre los acontecimientos en nuestra escuela parroquial este año, no puedo evitar preguntarme cuál es el mensaje de Dios para nosotros. Como educadores en nuestra escuela parroquial, tenemos la gran responsabilidad de iluminar y formar Sus dones más vulnerables y preciados: nuestros hijos. Además de los desafíos que el coronavirus nos ha acumulado a todos, nos embarcamos en implementar un nuevo plan de estudios. Estoy convencido de que a través de la rica tradición de nuestra Iglesia contada a través de la historia, la ciencia, las matemáticas, la música, el arte y la gran literatura, nuestros niños estarán mejor preparados para su futuro. En este primer semestre de implementación, ya estamos viendo un hermoso crecimiento en nuestros estudiantes desde su capacidad para pensar y cuestionar más profundamente, hasta su mayor interés en la maravilla y el descubrimiento. Además, haber podido estar en el edificio de nuestra escuela para el aprendizaje en persona este otoño ha sido una verdadera bendición. Trabajamos muy duro para mantener seguros a nuestros estudiantes y profesores con las muchas precauciones que tenemos. A su vez, la facultad y el personal están atentos para cumplir con las pautas establecidas por nuestro departamento de salud local para mantener seguros a sus estudiantes. A todos nuestros seguidores y amigos que oran por el éxito de nuestros niños no solo en la escuela, sino en cualquier plan de Dios para su futuro, les extiendo mi más humilde gratitud. Por favor, sepa que mis oraciones y mejores deseos son para que su Adviento y Navidad estén llenos de la alegría de la venida del niño Jesús. (Digo nuevo plan de estudios, pero no hay nada nuevo en las artes liberales clásicas. Tengo mucha literatura y muchos recursos para cualquiera que esté interesado en aprender más).

INFLAMA NUESTROS HOGARES

Los hogares alegres no son perfectos, pero asumen lo mejor. El Adviento es un tiempo de reflexión y preparación, ¡pero también puede estar lleno de interacciones familiares estresantes! Este mes consideraremos cómo las familias alegres asumen lo mejor unas de otras.
