### Let us begin Advent preparing our hearts!

Advent comes from the Latin word meaning "coming." Jesus is coming, and Advent is intended to be a season of preparation for His arrival. While we typically regard Advent as a joyous season, it is also intended to be a period of preparation, much like Lent. Prayer, penance and fasting are appropriate during this season.

Advent is not as strict as Lent, and there are no rules for fasting, but it is meant to be a period of self-preparation. The purple color associated with Advent is also the color of penance. The faithful should fast during the first two weeks in particular and receive the Sacrament of Reconciliation for us this will be December 16 at 1pm-2pm we will have visiting priests.
