A Prayer for the Second Sunday in Lent

Thank you Lord God for the opportunity of worship for the freedom to be amongst your family meeting together in your house and in the warmth of your embrace. Thank you that in worship we can put aside the uncertainties of this world and rest upon the certainties of the Kingdom for your promises are not changeable as those of a politician might be but immovable and eternal. Thank you that we can bring to your feet all the hurts and fears that trouble us and leave them there knowing that your strength and assurance are all that we require. Thank you that as we draw near in worship we are transported from a world of concerns and fears to a place where we can be at peace in your presence find healing, wholeness and refreshment. Thank you Lord God for the opportunity of worship.

Cluster Prayer Chain

Please pray for Peter Kriener, Dennis Franzen, Evelyn Hruska, Doris Bouska, Linda Fisher, Lonnie Reicks and anonymous for depression.

Today, Sunday, March 8, is celebrated as "Lady Day". Please pray to the Blessed Mother for a return to authentic femininity which is a combination of class, tenderness and virtue.

Reflection

Question for Children: Share about a time when you felt especially close to God or Jesus.

Question for Youth: Have you ever had a “mountain top” experience where you felt exceptionally close to God? How was your life changed by that experience?

Question for Adults: Perhaps this reading calls us, not to cling to the familiar, but to leave the comforts of the parish and reach out to the world around us. In your neighborhood or community, who is waiting to hear the Good News?

As Paul writes to Timothy in today’s second reading, Jesus Christ “destroyed death and brought life.” That is the core of the Gospel, and that is the subject of the conversation that Jesus has with Moses and Elijah during the Transfiguration (Luke’s account of what we read today from Matthew identifies the subject of the conversation – see Lk. 9:31). The word used there for the passion, death, and resurrection of Jesus is “exodus,” reminding us of the great act of liberation in the Old Testament that prefigured the Paschal Mystery. The exodus was not easy for God’s people, nor was the passion easy for Christ. Yet these were the paths to the destruction of death and the revelation of life. So it is for us, who – as individuals and as a society – are called to make the transition from a culture of death to a culture of life. Priests for Life
