## 11<sup>TH</sup> SUNDAY IN ORDINARY TIME

“To what shall we compare the kingdom of God, or what parable can we use for it? It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants.” - Mk 4:30-32b

## Virtual Reality

Virtual... Perhaps this is the best word to sum up what we have all endured during the last year and a half. Nearly every aspect of our lives has been touched by this word. We encounter each other on our phones and computers. Our work is virtual. Students go to a virtual school. Mass has been virtual. This virtual existence is a result of the restrictions placed on us by the virus, but it has also been the result of a culture that was already dominated by screens and in which real human interaction is increasingly difficult to experience. My favorite author G.K. Chesterton wrote that, "A dead thing can go with the current, but only a living thing can go against it." With the current of our culture sweeping us in all sorts of directions, we must actively fight to swim against it. The virtual experience was necessary for a time, but we are moving back to life where we need to seek out those things which are Real. As men and women alive in Christ we are called to contradict the world and to fight the currents that draw us away from our Lord. We are called to draw close to Him who is the source of all Reality.

This last Sunday, we celebrated the great Feast of Corpus Christi. The obligation to attend Sunday Mass was reinstated, and we are in the process of transitioning from a virtual experience of Mass and prayer back to the Real Thing. As Christians, we have been given a tall task of sanctifying the world, but we have not been left to our own abilities. Christ, who understands the

weakness of our condition has not abandoned us but has left us the necessary aids to grow in holiness, and thankfully, they are very far from virtual. The two main ways by which we encounter Christ and grow in holiness are The Eucharist and the Church, the Body and the Bride of Christ. Last weekend, we were invited to encounter both of these: to assemble as the People of God, and to receive our Lord in His Most Precious Body and Blood in reality. Christ did not just leave us with a series of spiritual platitudes transcending our everyday life. He chose to leave us visible signs of His Body. He chooses to be Really present in the forms of bread and wine, and in the members of His Church.

Contrary to this virtual life we have been living, we have been invited back to an encounter with the Real Presence of Christ. Perhaps we felt abandoned by God during these months. Perhaps we felt the isolation that comes with social distancing. Whatever our experience has been, Christ has never left us. "Behold, I am with you always, even to the end of the age." (Matt 28:20) It is during these upcoming months that we must intentionally pursue communion with Christ in The Eucharist and The Church. These two realities, which many of us have gone without, are stable points of contact with Christ in an ever-changing world. No matter what happens in our lives, in our country, in the world, these two rocks will remain, for they are Real.

In Christ,

*Colm Larkin*

### STEWARDSHIP REFLECTION

The 11th Sunday in Ordinary Time

*"For we must all appear before the judgment seat of Christ, so that each one may receive recompense, according to what he did in the body, whether good or evil." - 2 CORINTHIANS 5:10*

We are all accountable for all of the gifts God has given us – our time, our talent and our treasure; everything we have and everything we are. Each of us is accountable not only for our own life but for the lives of others as well. One day, God will ask each of us what did we do with the gifts we were given. How will you respond?

## Gospel Meditation

June 13, 2021  
11th Sunday in Ordinary Time

### Encourage Deeper Understanding of Scripture

A favorite motto of St. Teresa of Calcutta was, "do small things with great love." This is how it works in the kingdom of God. God can do tremendous things with the smallest gesture, especially when it is done in love. We can clearly see that our world is suffering greatly. People are struggling to find peace, navigate through conflicts, earn a sustainable living, find security and enough food to eat, and work through political tensions and conflicts. In the light of the magnitude of the difficulties that exist around us and even within us, we can find ourselves floundering to discover practical, effective solutions. How can something so large be helped by someone as small and seemingly insignificant as me? While whole systems and structures may be out of the league of our personal influence, are we really that helpless in the midst of all of the turmoil, sadness, and suffering?

If we believe that God is with us and that God is still working to bring about the glory of God's kingdom, then the answer is no. We are never helpless or without hope. Armed with a strong life of prayer, we can always flee to God and ask for inspiration, wisdom, and especially love. We are all blessed with unique gifts and talents and it often seems that considering all that the world lacks, love and charity remain at the top of the list. Life can easily become a battleground of hostility. Because life is challenging and difficult, anger is not far away. We see it on people's faces and hear it in their voices. There is a measure of frustration that permeates all avenues of life. It is even felt in the air.

As people of faith, we know that what we see here is not the end but only a part of something far greater to come. We know that God's kingdom is where we are ultimately meant to be, and the Gospel is the way to get there. If love and charity can prevail in us, then God will be able to do what God does best. God will use us to scatter the seeds of his kingdom. Through our small gestures, those seeds can receive the nurturing attention that is necessary for them to bear great fruit. We cannot fall victim to the strife that is around us. We have to keep ourselves refreshed and focused so that even in small ways, we can become part of the solution, not the problem. Love and charity, which come from God, can help to heal the ills of the world. May we bring these simple gifts to the everyday simple tasks of our lives! Watch how big the plant grows!

## Help STOP TAX-PAYER FUNDED Abortion

Your voice could help save millions of lives. The Hyde Amendment has protected Americans from funding abortion for 45 years. It's credited with saving the lives of over 2.4 million children to date.

Now, powerful members of Congress want to take away this law that both Democrats and Republicans have supported for nearly half a century. Without it, billions of taxpayer dollars could go to abortion. That means abortions would be cheaper, easier, and funded with our taxpayer dollars.

It is critically important for Catholics to send a strong message before Congress moves forward to impose taxpayer-funded abortion. Because of the incredibly high stakes, Congress needs to hear from a massive number of people. We need millions of Catholics to sign the petition!

Please sign at [NoTaxpayerAbortion.com](http://NoTaxpayerAbortion.com) and encourage others to do the same.

## An Important Note To Parish Families:

In an effort to keep our parish database as up to date as possible, we are identifying children whose names still appear under their parent's household registration, but who are over 25-years-old. Your family may be one of these. We will be inactivating your child's name as they are now considered adults. If they are still active members of our parish, please encourage them to join the parish as official registered members on their own. They, like you, are encouraged to be active members of the parish and share with all some of their time and talents. If there are special needs or circumstances, please call the Parish Office, at 913-782-8864. Registration is now available online at <https://www.popolathe.org/new-member-registration-stewardship-2020-21>

Parish membership is such a privilege, both for the community to grow together with you, as well as for you to benefit from all that the parish has to offer. Please continue to pray for us as we strive to be all that God has made us to be in community with one another.

## Sacrament of Baptism

## Around Town

### June's theme for Enflame Our Homes is: Joyful families SERVE.

Like moldy leftovers in the back of the fridge, our gifts and talents go to waste if we don't use them! Service to others doesn't need to be elaborate or expensive to have an effect on our families. Simply noticing the needs of those we care about and offering a small kindness is a habit that goes a long way toward building a more joyful family. Here is the website: [archkcks.org/serve](http://archkcks.org/serve)

**What is the art of listening?** How do we best approach loved ones that have left the Church or other difficult conversations? What does a community of care look like? Join us for Spark Session: Care on Saturday, June 19. For more information and to register, go to <https://archkck.org/adults/home/spark-session>

### Religious Freedom Week 2021: Solidarity in Freedom, June 22-29.

Catholics are encouraged to pray and act each day for religious freedom. Learn about religious liberty concerns in the United States and what you can do by visiting [www.usccb.org/committees/religious-liberty](http://www.usccb.org/committees/religious-liberty). Everyone is also invited to celebrate Mass with Archbishop Joseph Naumann for Religious Freedom Week followed by an event with speakers, food, and fun! Religious Freedom Mass with the Archbishop Saturday, June 26, 4:00PM at Holy Spirit Church, 11300 W 103rd St. Overland Park. Speakers and a casual meal following Mass on the Holy Spirit grounds

**The Enderle-Bogenrife Scholarship Endowment:** Mary Rose Enderle and Richard Bogenrife have established a scholarship endowment for Catholic students living in Leavenworth and Wyandotte counties that plan to at-

tend a trade or vocational school. Most trade and vocational programs are available through community and technical colleges. The scholarship award is \$5,000.00. To request a scholarship application please email Dave Hernandez at [landofoz1239@sunflower.com](mailto:landofoz1239@sunflower.com) or call 913-369-2718. **Scholarship application deadline is July 15, 2021.**

### Teens Encounter Christ Retreat August 14-16, 2021

Does Jesus really have our back ALL the time? Does He really love us that much, even when we aren't at our best? Does He really want to listen to us, even when we haven't been a good friend to Him? When you come to a Teens Encounter Christ Retreat, you're going to hear some great things from other people about Jesus, but you're also going to get a lot of time to talk with Him and get to know Him better too. Teens Encounter Christ is a 3-day retreat where we focus on the Paschal Mystery of the dying and rising of Jesus Christ for each one of us. **This is for High School Students and graduated seniors. It will be held at PSR on August 14-16, 2021.** Cost is \$110.00. Scholarships are available. Sign up at [www.archkckyouth.org/tec](http://www.archkckyouth.org/tec).

### Give the gift of yourself! The Special Needs Ministry of the Archdiocese of Kansas City in Kansas needs volunteers (14 years of age and older) to help restart BREATHE – A Respite Care Program.

This program provides a break from caregiving to families who have a child with a disability. The program is held at Bishop Meigs High School usually on the third Saturday of each month from 4-8:00PM. We are planning to offer our first session on Saturday, August 21. Volunteers "buddy" with a child with a disability for a fun evening of recreation and leisure activities. COVID protocols will be followed. To learn more and to register, go to [www.archkck.org/special-needs](http://www.archkck.org/special-needs) or email [tracunas@archkck.org](mailto:tracunas@archkck.org).
