Fr. Bill's Weekly Reflection

By Fr Bill and Dcn Derick

When you look in the mirror, what do you see? Do you notice every little perceived flaw in the image looking back at you? Most of us do, but when you look in the mirror you should see Christ looking back at you. A pretty tall order, isn't it? But it shouldn't be.

Every Sunday when you receive the Eucharist, you take into yourself the Body of Christ. By receiving the Eucharist, Christ can shine through you so other people will see him in you.

Collectively we are the Church, the Body of Christ. Take time to reflect upon ALL that Christ has done for you, and emulate him through "Word, Worship, Service, and Fellowship". Share the same self-giving, unconditional love He has for you with all those who cross your path.

You will have this opportunity next Sunday when we have our first Stewardship and Evangelization Fair at Holy Trinity. At the fairs you will learn about our new Ministry Commissions, and the various committees that make up these Commissions. These Commissions are: Liturgy and Worship; Faith Formation; Church and Parish Life; Justice, Peace, and Social Action; Stewardship and Evangelization; Family Life and Vocations; and Finance.

All of these ministries are an extension of Christ's work that can shine through you. By signing up, you will be given an opportunity to be Christ to those around you. The Ministries encompass a broad range of activities, all the way from simply visiting someone who is homebound and sending cards, to specific skill sets such as Information Technology and Grant Writing.

So, look in the mirror and ask yourself what Christ wants you to do? Share the Joy of the Gospel and be an active part of our Catholic Faith. Look in the mirror and see Christ within you, and share him with the world!

- *May God Bless You Always!*

- *Fr Bill*

What People are Saying

“It was not what I expected! The best part of Chapters 1-4 was our weekly meetings-watching the video as a group but most importantly the discussions, answering the study guide questions, etc.”

- Julie Berger

“The sessions were inspiring and insightful...Even though I found the text daunting at times, the discussion sessions were well led...”

- Pat Schmida

“The Joy of the Gospel is a thorough look at ourselves as to the depth of our relationship with Christ. and a challenge to live the teachings of Jesus every day.”

- Junell Duwa
