5TH SUNDAY OF EASTER

"I am the true vine, and my
Father is the vine grower.
He takes away every branch
in me that does not bear
fruit, and everyone that does
he prunes so that it bears
more fruit." - Jn 15:1-2

"Spiraling out of control," is a phrase that can easily describe the current display of human existence. In addition to the violence, unrest, uneasiness and turmoil that are common elements of our daily news, other essential pieces are misplaced or missing. Many lack an objective center around which to order and structure their lives or a clear set of definable goals or mores to act as guideposts and life directives. It appears that "feelings" have become a "new god" and traditional structures and ideals set aside. It is almost as if history only shows that we got this whole thing wrong and many are determined to finally set things right. The real truth, however, is that while wrongs and errors are certainly a part of our often-checkered past, it is hardly the case that all was wrong. It is not our task to rewrite the history of our lives, but to learn from mistakes that were made, and preserve the perennial wisdom at the root of our successes. Learning is an essential part of being human.

The question becomes, however, from whom do we learn? Some have such a hard time placing God in that position, but that is precisely where God needs to be. God is the Master Teacher from whom all of humanity learns and gets its cues. It is in and through this relationship with the Gardener of Life that we are fashioned and pruned into the people we are intended to be and can be. It is only in God that we are able to find our best selves. Sadly, many think that religion too, as well as history in general, has also gotten all this wrong. Yet, our resurrection faith tells us differently. We are reminded, today especially, that we are meant to remain in Christ as Christ remains in us. We are also reminded that Jesus, the Incarnate God, is the vine upon which we grow, the branches that flow from the source of God's life.

Giving up our will to God's can be a painful endeavor. It is not easy to set our own desires and wants aside and allow God to step in and direct and guide our growth. But this is the only way to prevent deadly weeds from overtaking us and bringing us to a place of self-destruction. God's commandments are the very guideposts and benchmarks we need, yet many seek to remove them from all public view because they appear to limit self-expression and suppress what is considered by many to be "human freedom." They are the only way we can find freedom, however. And, until we learn this fundamental lesson, we will continue to spiral out of control, never really knowing who we are, what our potential can be or how life really can be lived. We will not know peace.

DIOCESAN DEVELOPMENT FUND CAMPAIGN

Kicks Off - THIS WEEKEND
2021 Goal - \$286,140

The Diocesan Development Fund is vital to the life of the Church in southern Missouri. Please complete and return your DDF pledge card by next Sunday, if you were unable to do so today. Thank you!

Please note: If you are making a payment by check when you submit your pledge card, please make it payable to SEAS-DDF.

If you are making a pledge commitment to be **paid over time, all subsequent payments need to be made payable to DDF and sent directly to the diocesan office NOT to SEAS.** The diocesan office will send you payment reminders in the mail.

DDF pledge amounts are not included with your year-end donation statements from SEAS, but rather those records are held by the diocese and reported by their office.

BE SURE TO REMEMBER YOUR MOTHER

Next Sunday, May 9

Please take time to remember your mother next Sunday, May 9, with a phone call or visit. Our mothers do so much for us, it's good to have this day to recognize their gift of life and love and to honor them for the many sacrifices they have made for us.

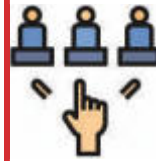

St. Vincent de Paul May Requests

For the month of May, SVdP is asking that you please consider donating feminine personal hygiene products, deodorant, shampoo and laundry detergent.

While our St. Vincent de Paul food pantry is open each Wednesday of the month, our big USDA distribution, partnering with Ozarks Food Harvest, is on the second Wednesday of each month from 9:30 to 11:30 AM. This is when we rely on parish volunteers. Individuals or groups are needed to unload and pack groceries into boxes/bags in an evening prior to the event (**May 12**), help in distribution during the event or help with the end of distribution from 11:00 AM - 12:00 PM. If you are interested, please text or call Tom Ryan at 619-5467 for more information. At our first USDA pantry in April, we served 72 clients, including 23 veterans.

NATIONAL DAY OF PRAYER

Thursday, May 6, 2021

This year's theme:

"Lord Pour Out Your Love, Life, and Liberty."

The National Day of Prayer is an annual observance held on the first Thursday of May, inviting people of all faiths to pray for the nation. It stands as a call for us to humbly come before God, seeking His guidance for our leaders and His grace upon us as a people. Please use May 6 as a day to ask God to pour out His "love, life and liberty" on our nation.

BABY BOTTLES FOR LIFEHOUSE

Beginning next weekend, May 8/9, you are invited to pick up a baby bottle and start collecting spare change for LifeHouse Crisis Maternity Center. Please place the baby bottle in a prominent place in your home and encourage all of your family members to deposit their loose change. Then bring the bottle, with the money you've collected, back to church on Father's Day weekend, June 19/20. Thank you so much, SEAS parishioners, for your continued support of this important cause.

SING JOYFULLY WITH SEAS CHOIR

In the coming weeks and months, we anticipate an increased comfort level with singing at church. We invite everyone interested in being part of our SEAS Choir music ministry to join us for rehearsals on selected Wednesday evenings at 7:00 PM. (Please see the calendar in the bulletin or on the parish website for upcoming dates.) Our choir is open to everyone high school age and older. Our goal is to build a couple of smaller vocal ensembles in addition to adding to our Adult Choir.

NEW TECH MINISTRY

We are building a technology team to assist with operating the equipment for livestreaming Masses and running the projector (until our missals return to the pews) and various other AV equipment during the year. This need for volunteers includes Sunday and weekday morning and evening Masses. Training will be provided, and you'll have plenty of support. Volunteers can be parent/teen pairs or adults. High school students interested in helping with our technology will need a parent's permission.

For information about joining the choir, or if you have interest in learning more about our new tech ministry, please call:

Melinda in the parish office at 887-6472 or email marnold@seaschurch.org

QUESTION OF THE WEEK

John 15: 1-8

Key Passage: "(the vine grower) removes every branch that bears no fruit. Every branch that bears fruit he prunes to make it bear more fruit."

Question: When have you been pruned by your experience in a way that led to greater abundance?

Children: When have you felt stronger or better because you did something hard to help someone else?
