Jesus tells his disciples, "Peace I leave with you; my peace I give to you. Not as the world gives do I give it to you." The peace that Jesus gives is far different than the kind that comes from the absence of war, conflict, or affliction. The peace that God offers is found alongside suffering and hardship, not necessarily in their absence.

St. Teresa of Avila offers us a bit of wisdom regarding peace: "May

today there be peace within. May you trust God that you are exactly where you are meant to be. May you not forget the infinite possibilities that are born of faith. May you use those gifts that you have received and pass on the love that has been given to you. May you be content knowing you are a child of God. Let this presence settle into your bones and allow your soul the freedom to sing, dance, praise, and love. It is there for each and every one of us."

In order for us to experience the divine peace that Jesus offers, we have to allow God's presence to settle into our bones! It is only when this happens that we can be truly taught by the Holy Spirit to discern the true path to peace and find ourselves with untroubled hearts. The world and our lives are so unpredictable and changeable. If we look for a source of lasting and real peace only there, our search will never be satisfied. Something will always unsettle and disturb us. The Jewish disciples could really relate to what Jesus was saying about peace (shalom). They already knew that it was more a matter of achieving wholeness and wellbeing than anything else.

Wholeness and wellbeing are precisely what is uncovered when we begin to really see and know the height, depth, and breadth of God's presence and promise. The elegance of God's Divine life flows through our blood and the marrow in our bones. It is that close and deep. As we breathe in and exhale God's life, peace becomes what we know within and what is exhaled out. This remains in the midst of intense conflict, persecution, suffering, rejection, and even death.

MAY IS THE MONTH OF THE ROSARY

During the month of May, the Church invites us to reflect on Mary's life and her response to God. Praying the rosary, and meditating on the mysteries of the rosary, is one way to do this. Mary is our model for coming to know and to follow the will of God in our lives.

ASCENSION OF THE LORD

Next Sunday, May 29th

Next Sunday, May 29th, we celebrate the ascent of Jesus Christ into heaven—on the 40th day of His resurrection (Easter being reckoned as the first day). The Feast of the Ascension ranks with Christmas, Easter and Pentecost in the universality of its observance among Christians.

WORLD COMMUNICATIONS DAY

Next Sunday, May 29th

On this, the 56th Word Day of Social Communications, Pope Francis implores us to "listen with the ear of the heart." He suggests that listening is a condition of good communication, and with the recent launching of the synodal process, he asks that we pray that this will be a great opportunity for us to listen to one another.

What is a Discipleship Quad?

"A Discipleship Quad is a group of four people who journey together as disciples through weekly gatherings of fellowship, ongoing conversion and learning." Are you interested in being a part of one of these?

CONTACT: Denise Dumars, DRE, ddumars@seaschurch.org or 417.887.6472, ext. 610. *You DO have time for this!*

PRAYER FOR VOCATIONS

Almighty and eternal God, in your unfailing love you provide ministers for your Church.

We pray for those whom you call to serve the Church as priests. Inspire in them a generous response. Grant them courage and vision to serve your people. May their lives and service call your people to respond to the presence of your Spirit among us that, faithful to the Gospel and hope of Jesus the Christ, we may: announce glad tidings to the poor, proclaim liberty to captives, set prisoners free and renew the face of the earth. Amen.

MOMMY, WAS THAT GOD?

I recall the story of a little girl who, when trains were popular transportation, was taking her first train ride with her parents. As night descended, the mother took the girl, who was clearly quite anxious, and placed her on the upper bunk of the sleeper. She told her little one that up there she would be nearer to God and that God would watch over her.

As silence enveloped the young lady she became afraid and called softly, "Mommy, are you there?"

"Yes dear," came the response.

A little later, in a louder voice, the child called, "Daddy, are you there, too?"

"Yes dear," was the reply.

After this had been repeated several times one of the passengers sharing their sleeper car finally lost his patience and shouted loudly, "Yes, we're all here, your father, your mother, your brother, and all your aunts and cousins; now settle down and go to sleep!"

There was a moment of silence and then, in hushed tones a little voice asked, "Mommy, was that God?"

You may be someone who never had many doubts about God's presence in your life. You might be someone who has always felt comfort from God and little doubt about God's hand in your life. If you are one of these people you are one of few, for most people fear. They fear the darkness, they fear the day, they fear people, the law, family, friends, enemies, life, and death. You name it. Fear is all around us. So Jesus made it clear to his disciples that he wanted them to have peace and that he would leave that peace with them.
