True Spirituality

by Anthony de Mello, S.J.

The Master was asked, "What is Spirituality?"

He said, "Spirituality is that which succeeds in bringing man to Inner Transformation."

"But if I apply the traditional methods handed down by the Masters, is that not Spirituality?"

"It is not Spirituality if it does not perform its function for you. A blanket is no longer a blanket if it does not keep you warm."

"So Spirituality does change?"

"People change and needs change. So what was Spirituality once is Spirituality no more. What generally goes under the name of Spirituality is merely the record of past methods."

Cut the coat to fit the person. Don't cut the person to fit the coat.
