# IN OUR PARISHES & OUR DIOCESE

## Christmas Mass - Planning Ahead

Christmas Masses are already being planned for all 3 of our parishes. In order to plan for the capacity at each of our parishes, 'sign-up' sheets are located in the gathering space as you sign in for Sunday Mass. We ask that you please indicate what time you plan to attend Mass for Christmas. This is by no means is written in stone that you must attend the Mass you indicate. This is so that we can have a general idea of the number of people attending each Mass. If you are currently not attending Mass in person, please feel free to call the parish office or send an email to jenniferckhf@gmail.com to let Jennifer know what Mass you and your family plans to attend. Please include the number of people who will attend.

Again, we are working to get an idea of what to expect for our Christmas Masses. Thank you.

**Christmas Mass Schedule:**

| Christmas Eve | Christmas Day |
|---|---|
| 4:00pm Christ the King | 8:30am Holy Family |
| 7:00pm St. John Baptist de la Salle | |

The commitment is for at least 2 academic years. To become an AVID Big or to sign up for an info session to learn more reach out to Megan Horton at megan@bbsofsouthernmn.org.

### GOSPEL REFLECTION
#### NOVEMBER 29TH - FIRST SUNDAY OF ADVENT

You are at the eye doctor and it's time for the peripheral vision test. You know the one. It's where you put your head up to a contraption and have to click a switch every time you see a squiggly line. If you don't concentrate and maintain optimal focus, you will miss them and skew the outcome of the test. You can easily find yourself with a diagnosis that really isn't accurate! Concentration and focus are key to succeeding with this evaluation. They are also key to developing a healthy, vibrant spiritual life. If we do not bring our full consciousness to the task, concentrate with all our might, be watchful and vigilant, we are not going to see God's loving presence flashing before our eyes!

That's why we need Advent. Let's face it. We can easily get distracted, focus on nonessential and superficial things and lose touch with what really matters. Our attentions wander. We daydream and even become a bit overwhelmed and tired. All of the stresses and demands of life consume us and we find ourselves constantly trying to play catch up rather than relishing the moment of the now. "Now" moments are so fleeting. They flash before us like those squiggly lines on a screen. Present moments go as quickly as they come but it is important to discover them and rest in them as often as we can. Though gone in a flash, these now moments of encounter with God teach powerful lessons and offer a grounding in truth that can be found nowhere else. It's the grace of Advent to become watchful and attentive because we are never sure when God will surprise us.

God loves surprises and love thrives on them! God's now moments of surprises come as tender instants of intimate connection where I find profound peace, experience joy, and rest in love. These are Advent times reflective of the now moments when Christ first was born, when God surprises us during every time we care to watch and when the great surprise of Christ's second coming dawns upon us all. But, to discover the grandeur and experience the awe of these now times, we have to be ready. We have to want to be there. We have to believe. And, we have to have the desire to soak in as much as we can in the time we have before us.
