## SACRAMENTS & PASTORAL MINISTRY ~ FAITH FORMATION

### CATHOLICS WANT TO KNOW!

**Question:** How do we know that God is merciful?

**Answer:** In many passages in Sacred Scripture God shows that he is merciful, especially in the parable of the merciful father (Lk 15) who goes out to meet his prodigal son, accepts him unconditionally, and celebrates his return and their reconciliation with a joyful banquet. (CCC 1846, 1870)

### PRAYER TO MARY - YES TO LIFE

O Mary, Mother of Jesus and Mother of us all, we turn to you today as the one who said "Yes" to Life. "You will conceive and bear a Son," the angel told you. Despite the surprise and the uncertainty about how this could be, you said yes. "Be it done unto me according to your word." Mary, we pray today for all mothers who are afraid to be mothers. We pray for those who feel threatened and overwhelmed by their pregnancy. Intercede for them, that God may give them the grace to say "Yes" and the courage to go on. May they have the grace to reject the false solution of abortion. May they say with you, "Be it done unto me according to your word." May they experience the help of Christian people, and know the peace that comes from doing God's will. Amen

### INCLEMENT WEATHER POLICIES

### GOSPEL REFLECTION - JANUARY 30TH 4TH SUNDAY IN ORDINARY TIME

St. Oscar Romero (1917-1980) was a "Salvadoran Roman Catholic archbishop who was a vocal critic of the violent activities of government armed forces, right-wing groups, and leftist guerrillas involved in El Salvador's civil conflict (Encyclopedia Britannica)." As a voice of the voiceless, he was an outspoken champion of the poor who were the ones most affected by the civil unrest and violence. His advocacy provoked several attempts on his life. Nonetheless, St. Oscar Romero was convinced that before all else his faith in the resurrected Christ and the values of the Gospel trumped any earthly concern or worry. He walked with complete confidence and trust. On March 24, 1980, St. Oscar Romero was assassinated while celebrating Mass. Such is often the fate of those who challenge the socio-political agendas of the day.

We may look at the example of witness of St. Oscar Romero as something extraordinary. In one sense it is. Through the power of God, an ordinary human being did extraordinary things. But, in and of himself, St. Oscar Romero was simply a humble, loving servant of God. Oscar knew not only the power of love but the risk that comes when loving unconditionally. The beauty of God's message was able to shine in and through him because he was able to step out of the way and be a vessel. One can assume that for St. Oscar Romero, one's earthly life has no merit when faith, integrity, conviction, zeal and love are jettisoned. Fear and apprehension had no grip on this man who not only saw but spoke the truth.

Do we speak the truth? It makes us feel good to speak of God as love. But have we ever considered the ramifications of this radical message? There are assaults on human life occurring daily. More and more the value and worth of a human being is being reduced and minimized. We are becoming widgets in the production of life. In our whole simple humble ways, we too are called to be prophets. Knowing who you are and what is within your means to do, how can you make God's love real, stand up for what is right, and give witness to the sacredness of all that is around you?
