GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

August 1, 2021

18th Sunday in Ordinary Time

“You cannot see the forest for the trees” is a widely known saying that can bring wisdom to our understanding of our journey. Often, our sight becomes limited to what is immediately before us. We lose touch with lessons and experiences from the past and promises and hope for the future. As human beings, we have the privilege of being able to choose things. What I like and don’t like, want, and don’t want can be major preoccupations of our minds and hearts. Our preferences and desires begin to define us more than the simple fact of our being. Who we are matters more than what we are or what we have. If we don’t move beyond the external and superficial stuff to what really is of essence, we risk becoming very unsettled, disorientated, angry, and unhappy. We fail to see the bigger picture of hope and promise that lies ahead and the Divine Presence that has sustained and carried us before.

We like it when the “now” time of our lives satisfy us. Even the people who witnessed Jesus feed the five thousand got confused and distracted. It felt good when thousands of people were able to eat. They wanted to know what they could do to get this to happen again! But Jesus quickly reminds them that this is not the point of this sign. As much as the now time of our lives is of concern, it is not what is ultimately important. We need to learn the difference between being and doing, drawing more strength from who we are and who God is rather than what is happening around us and the choices we can make. Jesus is the true bread that came down from heaven. Jesus is the very incarnate presence of God who sustains life and assures us that we will not perish. This is not easy to understand and feel. We have to practice being in the presence of ourselves, others, creation, and God. We are brought to a holy place when we encounter the sacredness of being. This is real prayer.

Then, we learn to trust. It is when we cease trusting that we start to become afraid, uncertain, apprehensive, and doubtful, and overly self-concerned. We even start to grumble. God has our back. That is the essential powerful message of the living bread come down from heaven. God, who is alpha is also omega, the beginning and the end, and has everything in between in his care as well. A woman once remarked that her most powerful God moment happened when she and her husband cuddled with their new baby for a time. Without exchanging words and using only the affection communicated through sight and touch, they rested in being with each other. This brought them to the sacred, where they realized that a greater Being was with them. It was real. They knew that they were part of something bigger, intimate, and profound. When we rest in the Living Source of life, we will find that our souls are no longer hungry or thirsty.

Mass Stipends

The practice of requesting a Mass to be offered for loved ones is a beautiful and wonderful part of our Catholic tradition. In our parishes, anyone may request a Mass intention by calling the parish office. While it is customary for the intention to be on behalf of someone deceased, it is also customary to offer a Mass for a living person who is facing a challenge, for a wedding anniversary or other life celebration, or simply "In Thanksgiving" for some blessing received. When a Mass intention is made, it is often accompanied by offering a stipend. At all parishes in the Diocese of Superior, that stipend is \$10. Canon 946 of the Code of Canon Law notes that when members of the faithful offer a Mass stipend, they are contributing to the good of the Church, for they are sharing in the Church's concern for the support of her ministers. But the Mass stipend is not only about the priest. From the perspective of the faithful, by offering to help with the priest's essential support, the one offering the stipend also enters into the Sacrifice of the Mass in a sacrificial way. This has been found to be spiritually meaningful for Catholics all around the world.

To request a Mass intention, please call the St. Louis parish office at 715-373-2676 or the Holy Family office at 715-779-3316.

The Catholic Church is working diligently to prevent sexual assault by parish employees, volunteers, deacons, and priests. If you have been sexually abused by someone associated with the Church and would like to report or discuss the experience, we urge you to contact:

Kathy Drinkwine at 715-718-1110.

The Diocese of Superior welcomes your call and understands how difficult it may be to reach out in this situation. The phone number provided is confidential and dedicated solely to these calls. Know that your call will be treated with respect, dignity, and compassion. The Diocese of Superior is bound by civil and canon law to report sexual abuse of a minor to civil authorities. Anyone who believes that they have been sexually abused is strongly encouraged to report as well.
