Are you a "handy person" and would be willing to help others with repairs? Contact Phyllis or Henry Font with your information and area of expertise.

## Sharing God's Gifts

As we draw close to the great Feast of the Nativity, we hear the bold stewardship proclamation twice in today's second reading from the Letter to the Hebrews: "Behold, I come to do your will, O God!" Who is this Jesus? Who are we that we should follow him? Many want him as a friend, a guide, a king, an advocate. We long to see the face of God. Jesus reveals the nature of God, the servant sent to give us new life in Him.

Take time to ponder: Do we have the courage to follow Jesus? To show others the face of God? To say to the Lord: "Behold, I come to do your will?" Through your generosity to the Giving Tree Program, many will see the face of God! May we continue to seek the ways God is calling us to do His will.

### Come On, Holy Spirit!

## SHARING THE GOSPEL

### Fourth Sunday of Advent

St. Augustine tells us that a "Christian is a mind through which Christ thinks, a heart through which Christ loves, a voice through which Christ speaks and a hand through which Christ helps." As we look around and out at the world, we do not have to search too far before we come face to face with inequity and injustice. There is so much unfairness, prejudice, anger, hatred, violence, and want. The stories of human heartache, people being hurt, deprived of life's necessities, loneliness, and sickness are far too commonplace. For many of the world's ills, the vices of greed, lust, pride, gluttony, and jealousy are clearly among the more significant root causes. Why doesn't God just step in and fix this

mess? After all, God created this world, and one would hope that he would step up and take some measure of responsibility for it! Once we sit with this thinking for a while, we can begin to realize just how flawed it really is. God did take responsibility and God did fix the problem! God sent us Jesus Christ as the divine solution to the world's ills. It is not God who has shirked responsibility, we have. We are the ones who continually fail to set our own personal needs, wants, and securities aside so that One more powerful than us can use us.

Mary had to set her needs aside in order for the Son of God to come into the world. Put simply, Mary listened and believed. Having opened herself to being an instrument of the Divine, God could use her

as his mind, heart, voice, and hand. She became God's vessel so that God's greatness could reach the ends of the earth and peace could come upon the world. God's fix for the world's difficulties is you and me. We are the ones who confess that Jesus Christ came into the world as the Son of God, the Prince of Peace, and herald of justice. All we have to do is believe, as did Mary, that what has been spoken to us by the Lord will be fulfilled. Then, we can step aside and be the Christians we claim to be. What a difference it would make if every person who professed to be Christian truly understood that their one and only vocation is to be God's instrument. What a beautiful, equitable, and just world it would be.

## St. Peter Canisius | Feast Day December 21

Born in Holland, St. Peter Canisius (May 8, 1521 – December 21, 1597) was a preacher, teacher, and writer throughout his whole life. At the age of 19, he received a master's degree from the university at Cologne. Soon afterwards, St. Peter met Peter Faber, the first disciple of Ignatius of Loyola, who influenced him so much that he eventually joined the Society of Jesus.

St. Peter Canisius founded colleges and seminaries, served as a missionary, cared for the sick or imprisoned, and wrote close to eight volumes of letters — many about St. Cyril of Alexandria and St. Leo the Great. A man blessed with many talents, St. Peter Canisius is a wonderful example of a man who developed his talents to further God's work here on earth.

## Plan Your Stewardship

*"As Christian stewards, we receive God's gifts gratefully, cultivate them responsibly, share them lovingly in justice with others, and return them with increase to the Lord." To Be a Christian Steward: A Summary of the U.S. Bishops' Pastoral Letter on Stewardship.*

As we near the end of 2021, we look back on how we have shared our gifts with Holy Family. Is there an opportunity to pray more, serve others more, or make a contribution as part of our year-end giving? Take the time to ask if we're truly being stewards of our Church. Not only are we stewards of our time, talent, and treasure - we are also stewards of the assets that gave us the treasure and the opportunity to develop our talents. Did we seize the opportunity to strengthen our relationship with God through sharing our gifts? Perhaps this is the time to make a planned gift to strengthen our parish's future and keep faith alive for generations to come? It's never too late to start being a good steward of God's gifts. There is no gift too small or the wrong size, every gift counts!

Contact Patty Rose at the parish office or [patty@holyfamily.com](mailto:patty@holyfamily.com) with questions.
