## Sharing God's Gifts

Strong words come from Saint Paul in today's second reading. He reveals in no uncertain terms that life in Christ is our goal. Everything else, he maintains, is "rubbish." Junk. Trash. Garbage. Is that true? Is everything else "rubbish" compared to deepening our relationship with the Lord? What about putting recreational activities ahead of attending Mass? Or preferring uninterrupted hours playing the latest video games or watching TV to spending time in a bible study group, choir practice or serving in a soup kitchen? Or keeping late hours at work over sharing the gospel with friends and neighbors?

To what extent do we exercise stewardship over our relationship with Christ? How have we used this Lenten season to build and strengthen our relationships for the better? **Come On, Holy Spirit!**

## Brian Chiles

as he prepares for the Sacraments of  
Initiation at the Easter Vigil on  
April 16 at 7:30 p.m.

In recent months, Brian has worshipped with us and studied with us. We give God praise for bringing Brian to this moment of receiving the sacraments of Baptism, Confirmation and Eucharist. In the coming weeks, please pray for Brian and congratulate him as we welcome him and his wife, Megan, more fully into this Family we call Holy!

## Sharing The Gospel - Fifth Sunday of Lent

We love to make examples out of those who have erred and done wrong. Publicly punishing others serves as a means of demonstrating the consequences for what is deemed inappropriate or wrongful behavior. While this may appear an effective way of achieving conformity to established rules, it runs the real risk of distorting motivation. Obviously, we want people to do what is right and pursue healthy, virtuous behaviors and ideals. But is fear of punishment ever the best motivation for avoiding one action in favor of another?

Doing something out of fear is never healthy. Focusing exclusively on our behavior and what others expect or think, leads to living life with a self-focused superficiality. We become more concerned about protecting ourselves from something negative and unpleasant, than investing

ourselves in the freedom, wonder and awe of being human! We can still find our way to the unacceptable or inappropriate behavior as long as we do not get caught! Being a whole, focused, and God-centered human being requires more. It demands an investment of the heart. Virtuous, moral, and mature lifestyles reflective of the Gospel necessitate love.

When we experience and recognize love, God's unconditional love, in the depth of our soul, we fall in love with what we have found. We then find ourselves leaving destructive and sinful actions behind in search of something more holy, dignified, true, integral, and loving. This is really "mercy realized." God's tremendous, loving, eternal forgiveness and willingness to bring us back to something more real and tender is transformational. The respect for myself that I receive from God is so life

changing that it causes me to run quickly away from anything sinful and self-destructive to things that are whole and holy.

There are many people who want nothing more than to judge or criticize us. What would actually stoning the woman caught in adultery really accomplish? Nothing more than the inflation of the already self-righteous egos of a few men who think they have power. They have no power because they are sinners too, just like everyone else. What all of us have is the humble ability to express sorrow for pursuing destructive thoughts and actions and receive the power of God's mercy. Then, Jesus' request to "go and sin no more" will be one we proudly heed and follow.

### Lent Regulations

1. Good Friday (**April 15, 2022**) is a day of abstinence from meat and also a day of fasting. Only one full meal is allowed; no solid food between meals. Two other meatless meals, sufficient to maintain strength, may be taken according to one's needs but they together should not equal another full meal.
2. The other Fridays of Lent are days of abstinence from meat.
3. The obligation to abstain from meat commences at 14 years of age.
4. The obligation to fast commences at 18 years of age and ends at 59 years of age.

Practices of Lenten penances, increased devotion and prayer, and acts of mercy and charity are worthy elements of our Lenten tradition.

Catholics should avail themselves of reconciliation, receive Holy Communion and renew their commitment to live a life of integrity. We pray for and make sacrifices for those who are preparing to enter the church at Easter.

### Question of the Week – False Pride

**Key Passage:** Jesus straightened up and said, "Let anyone among you who is without sin be the first to throw a stone at her." (Jn. 8:7)

**Adult Question:** Have you ever been too willing to "cast the first stone" when you disapproved of someone's behavior? How can you resist these feelings?

**Child Question:** When have you criticized or made fun of someone? What could help you act differently?

### Stations of the Cross and Mass at Holy Family

Join the Holy Family faith community in the Stations of the Cross and Mass every Wednesday during Lent. Stations are at 5:30 p.m. Mass will be celebrated at 6 p.m. Please call the parish office if you have any questions.
