Sharing God's Gifts

In today's Gospel, Jesus offers a warning to those who pursue leisure and pleasure as their goal in life without concern for the poor and less fortunate. He tells the parable of the wealthy landowner who, upon yielding an exceptionally profitable harvest one year, determines that he will live the rest of his days in relaxation; to eat, drink and be merry. God calls the miser a "fool" and lets him know that his greed and self-indulgence will not bring him the security he seeks. Good stewards acknowledge that the money and possessions entrusted to them are to be used to further the mission of Jesus Christ. This week let us reflect on our own daily consumption habits. Do we spend money on articles that make us better ambassadors of Christ? Does our personal lifestyle bring "good news to the poor" (Luke 4:18)? Are we always wanting more, never satisfied? How do you use what God has given you to further the mission of Jesus? **Come On, Holy Spirit!**

After using over \$113,000 in cash during the last fiscal year, we need to increase giving by \$200,000 in order to keep the parish in a good cash position. Our \$4 million loan is down to \$3.1 million, but rising interest rates will make the pay-off more challenging. Please consider an increase in giving if you are able.

Ministry To The Sick - We Need Your Help!

Our brothers and sisters in Christ who are sick or homebound desperately long to receive the Eucharist. For them to receive Christ in the Eucharist, it is up to us, their holy family, to be willing to give a little of our time each month.

Holy Family Catholic Church has responsibilities to the sick and homebound, specifically the Catholics in North Kansas City Hospital, Benton House, and many people in their own homes. We have not been able to get this ministry up and running again since Covid, due to lack of parishioners willing to help. We NEED you!

PLEASE contact Christen Cota if you are willing to help or want to learn more about this special and important ministry, christen@holyfamily.com or 816-436-9200 ext. 304. ** We are aware that some parishioners already take the Eucharist to those in need each week. If you are currently doing so, please email christen@holyfamily.com. We want to keep an active list so we can be supportive of this great gift we are offering. Thank you!

Sharing The Gospel - Eighteenth Sunday In Ordinary Time

What makes us feel secure? Many people look to tangible forms of security that will safeguard their livelihood and prepare for their future. We tend to associate security with things: the accumulation of goods and possessions, retirement funds, savings accounts, and substantial incomes. While acquiring these promises a life with less anxiety and worry, we actually find ourselves more preoccupied and consumed with their growth and preservation. We worry more! We can easily become quasi-hoarders, consumed with obtaining more tangible crutches. Our minds and hearts are always restless, and we never seem to be at peace.

Why do we so easily give our self-worth, value, and sense of security over to things? God certainly does not deny us the pursuit

of a productive and enjoyable life but where do we draw the line? A sense of well-being and happiness can easily get deferred to sometime "in the future" while we continue to wrestle with the toils of today. There is no guarantee that there will be an earthly tomorrow and all of the frenzy we bring to securing our state in life will be for naught. When we are called from this world, will we even know where to begin to look for the tranquility and repose our souls so desperately need?

We cannot be hoarders, pursuers of vanity, or greedy. They just don't work as they are too dependent on things that can fall apart. Rather than always feeling the need for more, we need to learn how to be grateful for what we have. By learning to look inward we can learn how to live lives of

faithful service to others. "Happiness can only be achieved by looking inward and learning to enjoy whatever life has, and this requires transforming greed into gratitude (St. John Chrysostom)." We all need to be good stewards of what has been entrusted to our care. Grateful hearts recognize the true source of what we have and realize that our true treasure lies not in what matters to us but to God.

Question of the Week – Seeking Balance

Key Passage: And Jesus said to them, "Take care! Be on your guard against all kinds of greed; for one's life does not consist in the abundance of possessions." (Luke 12:15)

Adult Question: When have you felt that possessions were becoming too important in your life?

Child Question: Have you ever received a gift you wanted a lot and then found it didn't make you as happy as you thought it would?

"But God said to him, 'You fool, this night your life will be demanded of you; and the things you have prepared, to whom will they belong?' Thus will it be for all who store up treasure for themselves but are not rich in what matters to God." – Lk 12:20-21
