Fr. Jerry's FORUM

Listening to Our Story

Every Sunday our Catholic community gathers to hear our story. The book from which that story is read is carried in with reverence and respect. We prepare to hear our story with singing and silence and prayer. We take the time to get ready, to put aside the cares that separate us from one, to empty ourselves of noise and data so that we can hear the story; and that story is about a people made and chosen by God.

Over the course of three years, if you were to participate in Mass daily and every Sunday, we would hear most of the Bible proclaimed. Our Christian story begins with the Jewish people. Their tradition and ours is told in legends, myths, histories, genealogies, laws, customs, prophetic sayings, parables, letters and songs. Whatever form they take, these scriptures tell the story of a God who made and loved a people, a God who chose a people who could reveal to all who God is. But it is not enough to hear these words or to read them ourselves at home; we must recognize that these stories are ours, that the people in them are our people, that the God who called and loved them calls and loves us and is fashioning us into a people who can reveal to all who this God is.

As people of the book, our book is called the lectionary, because in it, most of the Bible is divided into small portions (lections) to be read aloud when the church gathers to do anything important. We should always open up our book and read from it before sharing the holy meal, and with the holy meal, the book makes us who we are: the word of God made flesh.

Over the centuries some have tried to destroy our book thinking that if they destroyed the book they might also destroy the message. Our book challenges the way of the world. It asks "Why does might make right? Why does money matter most? Why is killing an unborn child wrong? Why do people have to be hungry, homeless and hopeless?"

Maybe we've grown too comfortable with our book. We've heard it so many times over so many years, we barely listen to it anymore. We say it is outdated and it was meant for another time. Homilies preached about it sometimes sound to some like nonsense. Is it relevant?

I would suggest that first, we must listen to the story. We must listen hard, and we must listen hard together. We should be able to listen to the lector at Mass who hopefully is proclaiming the story just as the storyteller might be telling it to us in person. We have to pray that our readers and preachers do a good job, and expect that they practice and know the story themselves.

Next, we must ponder. We need a moment of silence after each of the first two readings and then after the homily. This is not free time. This is not time to read the bulletin or check our phone. This is time for us to ponder -- to ponder hard and to ponder together in a communion of quiet.

Then we will begin to hear anew our dangerous book. Then will its words change us into something more than what we have been so far. Then, even though we may never have to risk our lives to smuggle our book to a safe place, we will still risk everything by carrying its message into our world. Then strange and wonderful things will happen.

God bless,
Fr. Jerry

Covid Restrictions Loosened

As things open up in our community, we have implemented some changes in our procedures at Corpus Christi. Our main goal is to keep every one of our parishioners safe, so we will still continue to keep every other pew vacant. Fr. Jerry stated at last weekend liturgies, parishioners will now be able to seat themselves. Please be mindful that you will still need to social distance yourselves and ask that you listen to the ushers if they ask you to move to the center of pews so that others can be seated. Our changes are listed in the timeline below.

May 1/2

- Parishioners will be able to seat themselves
 - Please be mindful that you must continue to social distance yourself from those in your pew
 - You must be aware that you may need to move to the center of the pews so that others can be seated.
- The special needs entrance will be unlocked and parishioners will be able to enter and exit through that door.
- Parishioners will no longer have to wait to be dismissed from the conclusion of the liturgy, but you still need to social distance yourselves from other people leaving.
- You still need to remain in the church until after the liturgy has concluded (no leaving after communion)

May 29/30

- Last weekend for Outside Communion
- Last listen in the lot.

June 5/6

- Archbishop Naumann has chosen the Solemnity of The Most Holy Body and Blood of Christ, the weekend of June 5-6, 2021, as the occasion on which the dispensation from the obligation by the faithful to attend Mass shall be lifted. Beginning with Masses for that weekend, all the Catholic faithful residing within the Archdiocese of Kansas City in Kansas must return to observing the precept of the Church to attend Mass on Sundays and Holy Days of Obligation.
- Of course, those who suffer from underlying health concerns or compromised immunity, or who have genuinely serious concerns about the risk of contracting the coronavirus are not bound by the obligation to attend Mass.
- Additionally, and as has always been the case, whether one is obligated to attend Mass or not, we are nonetheless obliged to observe the Third Commandment of our Lord to keep holy the Sabbath. The faithful who are unable to attend Mass should celebrate a liturgy of the Word in their home, using the Sunday readings; like all the faithful, they should refrain from unnecessary work and avoid unnecessary shopping, and should spend time in leisure, rest, and prayer with their families and loved ones.
- If you are sick, you are not to come to church and are not bound by the obligation to attend Mass.
- Daily masses starting June 7th will no longer be live-streamed.

June 12/13

- The only liturgy being live-streamed will be the 8:30 am liturgy from this date on.

The Month of Mary

The Universal Church dedicates the Month of May to the Blessed Virgin Mary. Time should be taken to reflect on Our Lady's participation in the Paschal mystery and in Pentecost at which point the Church has its beginning.

As the Mother of God, the Virgin Mary has a unique position among the saints, indeed, among all creatures. She is exalted, yet still one of us. The Blessed Virgin Mary's path of faith and hope serves as an example to all.

Redeemed by reason of the merits of her Son and united to Him by a close and indissoluble tie, she is endowed with the high office and dignity of being the Mother of the Son of God, by which account she is also the beloved daughter of the Father and the temple of the Holy Spirit. Because of this gift of sublime grace she far surpasses all creatures, both in heaven and on earth. At the same time, however, because she belongs to the offspring of Adam she is one with all those who are to be saved. (Lumen Gentium, no. 53)

Pope Francis said "the message of hope contained in God's blessing was fully realized in a woman, Mary, who was destined to become the Mother of God, and it was fulfilled in her before any other creature." The Holy Father added that "our journey of faith is the same as that of Mary, and so we feel that she is particularly close to us."

Pope Francis notes the Blessed Virgin Mary has always been present in the hearts, the piety and above all the pilgrimage of faith of the Christian people. "Our pilgrimage of faith has been inseparably linked to Mary ever since Jesus, dying on the Cross, gave her to us as our Mother, saying: 'Behold your Mother!' These words serve as a testament, bequeathing to the world a Mother. From that moment on, the Mother of God also became our Mother! The "woman" became our Mother when she lost her divine Son. Her sorrowing heart was enlarged to make room for all men and women, whether good or bad, and she loves them as she loved Jesus."

God gave Mary such an important role in the story of our salvation, her special recognition "hyperdulia" is the greatest amount of honor we can give to any created person. Mary is the instrument of the Incarnation and her yes, or fiat, made it possible for our Lord to become the God-Man who was Crucified for our salvation. Mary is the first and most perfect disciple, hearing the Good News, and following Christ. Her entire life was devoted to him and assisting him, in whatever way she could, to carry on his mission. Unaffected by Original Sin, she was able to perfectly open herself to God's will. Mary is our mother because we are all members of the Body of Christ. Since she gave birth to that Body, then she's our mother, too. At the moment she gave her fiat, she became our mother in the order of grace. She may not have given birth to us physically, but she certainly has given birth to us spiritually. She loves you more than you can ever imagine. If she did not, would she have endured the horror of seeing her Son tortured, scourged, crowned with thorns, carry the Cross to Calvary, and die a gruesome death on it? She did it for you, for all of us, because she understood that Jesus' Passion and Crucifixion was the only way to your (our) salvation. She loves you like no human mother ever could. Mary is an advocate, helper, benefactress and mediatrix. Her job, began at the moment she conceived Jesus in her womb and continues until this day. What is more, it will continue for all eternity. As the first and most perfect disciple, she is devoted to accompanying him and continuing her saving office by interceding for us so that we may receive the gifts of eternal salvation. She is at work, for whatever we need, whenever we need it.

By her perfect charity, or love of God above all things, Mary serves as a model for everyone. We aspire to her perfect relationship with Christ and are called to say "Yes" to His plan for us like she did, even if it doesn't make sense at first.

Celebrating the past. Embracing the future

1981-2021

The Corpus Christi Community will celebrate our 40th anniversary of being a parish. It was just 40 short years ago that 300 families became founding members and along with Fr. Frank Horvat celebrated mass at West Jr. High. In the coming decades, this small West Lawrence parish would, by the grace of God's will, grow into the thriving Parish Community and School that exists today. God has provided us with a warm, generous and loving church community that continues to carry on the spirit of Corpus Christi.

June 4-6, 2021

4th

We will commemorate our past and pray for our future. A reception in the commons and courtyard will follow.

5th

We will celebrate Mass with Archbishop Naumann honoring our past pastors, Fr. Jim Shaughnessey, Fr. Mick Mulvany, and Msgr. Vince Krische as well as our founding members.

6th

We will celebrate our community with a continental breakfast both masses.

We would like to pay tribute to our past pastors, Fr. Jim, Fr. Mick and honor Msgr. Vince who is retiring. If you would like to contribute to a gift honoring these three wonderful priests please go to cccparish.org/priests-gift.

Our thanks to all the Confirmation students, parents and parishioners who took time out of their evening to get the new hymnals in the pews of the church. It is so exciting that we will all be able to lift our voices in song and prayer!

CORPUS CHRISTI PARISH SCHOOL ✘ EXCELLENCE IN ACADEMICS ✘ DISTINCTION IN DISCIPLESHIP

Principal for a Day - Mr. Newkirk

Monday, Nicholas Newkirk had the opportunity to work with Mrs. Wondra and Mr. McCaffrey to experience a "day in the life" of our school administration. Principal for a Day is an opportunity that can be purchased annually through our *Donum Fidei* Auction that raises funds each year to support our school ministry. Nick started his day greeting our Saints as they entered the building. He helped put up May Virtuous Behavior signage, created the 2021-22 Staff Meeting Snack/Prayer schedule, did observation rounds of the classrooms, had an "executive lunch" at Noodles and Co, assisted in Physical Education, pulled the fire alarm for our fire drill and ended the day by putting a pie in Mr. Fertig's face! It was an action packed day and Nick has all the makings of a success, no matter what he decides to pursue in his future!

Last Call to Turn In Your Hy-Vee Receipts!!

Every year your Hy-Vee receipts raise almost \$1000.00 for our school. But it could be more. Every year in the fall we throw away thousands of dollars in Hy-Vee receipts because they are from the prior school year. The golden rule of Hy-Vee Receipts is "You only get credit for receipts from this school year (August 2020 to May 2021)." So please don't let your efforts go to waste. Turn those receipts into cash for our school by May 9th. Thanks!

Gospel Meditation

“Spiraling out of control,” is a phrase that can easily describe the current display of human existence. In addition to the violence, unrest, uneasiness and turmoil that are common elements of our daily news, other essential pieces are misplaced or missing. Many lack an objective center around which to order and structure their lives or a clear set of definable goals or mores to act as guideposts and life directives. It appears that “feelings” have become a “new god” and traditional structures and ideals set aside. It is almost as if history only shows that we got this whole thing wrong and many are determined to finally set things right. The real truth, however, is that while wrongs and errors are certainly a part of our often-checked past, it is hardly the case that all was wrong. It is not our task to rewrite the history of our lives, but to learn from mistakes that were made, and preserve the perennial wisdom at the root of our successes. Learning is an essential part of being human.

The question becomes, however, from whom do we learn? Some have such a hard time placing God in that position, but that is precisely where God needs to be. God is the Master Teacher from whom all of humanity learns and gets its cues. It is in and through this relationship with the Gardener of Life that we are fashioned and pruned into the people we are intended to be and can be. It is only in God that we are able to find our best selves. Sadly, many think that religion too, as well as history in general, has also gotten all this wrong. Yet, our resurrection faith tells us differently. We are reminded, today especially, that we are meant to remain in Christ as Christ remains in us. We are also reminded that Jesus, the Incarnate God, is the vine upon which we grow, the branches that flow from the source of God's life.

Giving up our will to God's can be a painful endeavor. It is not easy to set our own desires and wants aside and allow God to step in and direct and guide our growth. But this is the only way to prevent deadly weeds from overtaking us and bringing us to a place of self-destruction. God's commandments are the very guideposts and benchmarks we need, yet many seek to remove them from all public view because they appear to limit self-expression and suppress what is considered by many to be “human freedom.” They are the only way we can find freedom, however. And, until we learn this fundamental lesson, we will continue to spiral out of control, never really knowing who we are, what our potential can be or how life really can be lived. We will not know peace.
