THE MOST HOLY TRINITY

MAY 30, 2021

Fr. Jerry's FORUM

Do We Believe in One God or Three Gods?

Sometimes our Catholic theology can be intense. Many times in trying to explain our beliefs we need to have knowledge that should propel us to know and find out more. Similar to other animal instincts, we humans, imprinted with the divine nature, should seek to know more about God and how we fit into His plan. If we are truly the glory of God and the highlight of His creation, why would we not desire to know and experience God more throughout our lives?

There are many animals with unique characteristics: the heart of a shrimp is located in its head, a snail can sleep for three years, the fingerprints of a koala are so indistinguishable from humans that they have been confused at a crime scene, slugs have four noses, it takes a sloth two weeks to digest its food (they are slow about everything it seems), and finally, the sentence "The quick brown fox jumps over a lazy dog." uses every letter of the alphabet.

Now I know the final example was not a unique characteristic about animals of the wild, but maybe about the human animal; we can think and process and reason. That is why our faith in God should seek understanding and our instincts should be to come to know God more and more.

Today's Feast of the Holy Trinity reminds us of our belief in one God in three persons (The Trinity). As Pope Benedict XVI wrote on May 22, 2005, "God is not solitude but perfect communion".

When we say we believe in ONE God we might be tempted to think that God is alone. However, God's ONENESS does not refer to the number of persons. God is three persons in ONE substance (or one 'nature' or one 'being'). The three persons (Father, Son and Spirit) are so united that they are ONE in being. Therefore, God is not alone!! The three divine persons are united in a communion of love.... Quite the opposite of loneliness.

Human relationships are brought to perfection when they imitate, insofar as they can, the love of the trinity. So if you can believe the truth that cows can sleep standing up, but only can dream laying down, and the average four year-old child asks over 400 questions a day, maybe you can continue to search for God and the truth to find out more about yourself.

God bless,
Fr. Jerry

Updated Protocols for Masses at Corpus Christi May 17, 2021

Archbishop Naumann has chosen our parish Feast, the Solemnity of Corpus Christi, June 5 and 6, as the occasion when the dispensation from the obligation by the faithful to attend Mass to be lifted. Beginning that weekend, Catholics must return to attending Mass every Sunday and Holy Day of Obligation. Only those who suffer from underlying health concerns or compromised immunity, or have grave concerns for their health are not bound to attend Mass, but are still obligated to keep Holy the Lord's day by honoring the scriptures and praying with and for the universal Church.

On May 12, Archbishop Naumann rescinded all diocesan safety protocols relating to Covid. The next day, May 13, the CDC also revised protocols for the wearing of masks and social distancing.

While we have followed the recommendation of Douglas County, according to the State of Kansas, churches are exempt from county guidelines. While we will continue to sanitize the Church following each liturgy and place hand sanitizer at each entrance, we are also making the following changes to seating in Corpus Christi Church.

We strongly encourage the continued use of masks and social distancing while in all of our facilities as a sign of good will and Christian charity. This would include entering and exiting the church as well as at when processing for communion. We will continue to provide social distanced and masked seating for certain sections of the congregation for the time being, while other sections will provide closer seating with masks being optional while seated. This will allow individuals to make choices for themselves regarding their health and comfort.

Two Construction Projects Coming Soon!

In the weeks and months ahead, parishioners will notice two significant maintenance/construction projects happening here on our campus: (1) a playground renovation and (2) repairs to our parking lot.

Playground Renovation

Weather-permitting, work will begin the week of June 7 as we overhaul the Corpus Christi playground. Back in 2020, roughly half of the playground equipment was removed for a variety of reasons: the climbing wall obstructed visibility for recess supervision, safety, we needed equipment that might appeal to a broader age of student, and other factors. Because of COVID, we put off the project as we managed our way through the 2020-2021 school year.

Given the generosity of our donors and the blessing of a grant, we are now poised to tackle this critical project. A big part of the renovation project is resurfacing the playground (chunks of our current surface are coming up). We're blessed to have applied for and received a grant for \$10,511.25 from the Kansas Department of Health and Environment Waste Tire Grant Program that will help us offset the cost to repair and resurface our playground. In addition, the generosity of a donor is helping us cover the cost of repair and resurfacing, and we will be adding some low animals to the grass area for our youngest Saints (thank you Tom and Marilyn Dobski and McDonald's of Lawrence) as well as adding a ladybug drum.

In addition to resurfacing, we are removing the free-standing, twisting slide (because of equipment age and safety) as well as the two large funnel balls. Installation of all-new equipment (see rendering) will happen the week of June 7, followed by resurfacing. Total expense of the playground project is estimated at \$100,556.75.

To cover that cost, we have reached out to donors who made a gift to the 2013 Fund a Need that was designated for a Running Track. Thanks to the generosity of donors back in 2013 and the prudence of our leadership, we still have all of those gifts that were given for a running track set aside in an account that has not been touched. We've received permission from donors to redesignate these gifts to help us with covering the cost of the playground — a higher priority need at this time for our school and parish. All donors to the 2013 playground that we spoke with were in full support of Fr. Jerry and Mrs. Wondra using those gifts in this way. We are grateful to all who gave a gift, and we're excited for our Saints, the children of our parish, and the wider community to be able to enjoy an expanded offering with an updated playground with an all-new, safe surface.

Parking Lot Resurfacing

Also tentatively beginning June 7 (weather-permitting), we will begin the process of repairing and resurfacing problem areas in our parking lot. First, Maryco Asphalt will saw-cut or mill the holes and bad areas, clean and remove all dirt and debris, apply a hot tack oil to bond a new hot mix, and then repave all problem areas with 3.5 inches of hot mix asphalt and compact. Secondly, and more wide-scale, Maryco will clean off the entire blacktop parking lot, fill cracks with hot rubberized crackfiller, seal-coat the entire parking lot with asphalt emulsion sand sealer, and then restripe and repaint all traffic markings. Total estimated cost for the two-part project is \$34,300.

As this was not a budgeted item, two developments are helping us tackle this need in the current fiscal year. First, the Paycheck Protection Program (PPP) loan that the parish received for Covid-relief provided some needed assistance — of course, to be forgiven (our PPP loan was completely forgiven, thus essentially became a grant) the PPP funds were used for payroll, utilities, and other specific purposes outlined by the federal government. The receipt of these funds gave us enough cushion to save funds for other needs on our campus. Secondly, the parking lot was the third priority outlined in our 2021 Auction Fund a Need. Both blessings allow us to tackle this project at this time.

As our facilities continue to age, we need to establish funding for maintenance, and your contributions to the parish offertory are as needed as ever — and always appreciated!

No Taxpayer Abortion

Save Hyde. Save Lives.

The Hyde Amendment has protected Americans from funding abortion for 45 years. It's credited with saving the lives of over 2.5 million children to date. Now, powerful members of Congress want to take away this law that both Democrats and Republicans have supported for nearly half a century. Without it, billions of taxpayer dollars could go to abortion. That means abortions would be cheaper, easier, and funded with our taxpayer dollars.

It is critically important for Catholics to send a strong message before Congress moves forward to impose taxpayer-funded abortion. Because of the incredibly high stakes Congress needs to hear from a massive number of people. As Pope Francis has said, "The future of humanity ... is fundamentally in the hands of peoples and in their ability to organize."

An overwhelming majority of Americans, including low-income women and women of color who are most impacted by it, support the Hyde Amendment and laws that prevent government-funded abortion.

We urge you, in the strongest possible terms, to ensure that the Hyde Amendment and all similar life-saving appropriations riders remain in place during the 117th Congress and beyond. Do not force Americans to subsidize the taking of innocent life. Oppose any bill, including any appropriations bill, that expands taxpayer funding of abortion.

The primary goal is for millions of Catholics to sign the petition, so please go to NoTaxpayerAbortion.com.

Kathleen Johnson Hired for Part-Time Receptionist

We are excited to announce that long time parishioner Kathleen Johnson will be joining the staff at Corpus Christi. Kathleen retired in 2020 after a 35-year sales career that included Advertising Manager at the Lawrence Journal-World. Kathleen has been a member of Corpus Christi parish since moving to Lawrence in 2000. She and her husband Jeff have two adopted daughters, Anya 24 in Pittsburg, KS, and Alena 22 in Dallas, TX. Kathleen has volunteered at many events over the years and currently is a Eucharistic Minister, a minister to our homebound parishioners, leads one of our funeral dinner teams; and for the last year and a half has been filling in for Emily at our reception desk. Kathleen has accepted the part time position to work as a receptionist with Emily Kyle. She will begin working here on June 14th.

Laura Hulcher Hired for Faith Formation Director

Laura moved to Lawrence in 2016 from Richmond, Virginia after her husband accepted a job in Kansas. Born and raised in Fairfax, VA she is a graduate of the University of Virginia with a Psychology degree and an English minor. She spent years putting her skills to use in the corporate world in the areas of marketing and events. She is married to her high school sweet heart Dave and they have four active daughters Reese, Sydney and twins Beau & Taylor. Raised Catholic, but not practicing her faith, she responded to Christ's call back home not long after her family's arrival in Lawrence. Moved by the palpable grace present at Corpus Christi she brought her girls into communion with the Catholic Church. Since then she has been nourishing & developing her faith through the gift of His Church and is grateful for the opportunity to accompany others as the Director of Faith Formation at Corpus Christi. She loves the outdoors, the beach, sailing, hiking, cooking, gardening, spending time with her family and cheering her girls on in their activities.

Important Liturgical Information

May 29/30

- Last weekend for Outside Communion
- Last weekend for Listen in the Lot.

June 5/6

- Archbishop Naumann has chosen the Solemnity of The Most Holy Body and Blood of Christ, the weekend of June 5-6, 2021, as the occasion on which the dispensation from the obligation by the faithful to attend Mass shall be lifted. Beginning with Masses for that weekend, all the Catholic faithful residing within the Archdiocese of Kansas City in Kansas must return to observing the precept of the Church to attend Mass on Sundays and Holy Days of Obligation.
- Of course, those who suffer from underlying health concerns or compromised immunity, or who have genuinely serious concerns about the risk of contracting the coronavirus are not bound by the obligation to attend Mass.
- Additionally, and as has always been the case, whether one is obligated to attend Mass or not, we are nonetheless obliged to observe the Third Commandment of our Lord to keep holy the Sabbath. The faithful who are unable to attend Mass should celebrate a liturgy of the Word in their home, using the Sunday readings; like all the faithful, they should refrain from unnecessary work and avoid unnecessary shopping, and should spend time in leisure, rest, and prayer with their families and loved ones.
- If you are sick, you are not to come to church and are not bound by the obligation to attend Mass.

June 7

- Daily masses starting June 7th will no longer be live-streamed.

June 12/13

- The only liturgy being live-streamed will be the 8:30 am liturgy from this date on.

Catholic Charities

Once a month someone is needed to stop over to the Lawrence FSC food pantry and pick up about 8-10 prepared boxes of food, and drive them over to a senior subsidized housing unit. There will be some lifting involved, but no major. It takes about 1-1 ½ hours of time once a month. The need is during the 3rd week of the month, any day of that week. If you are able to send this need out to a few of your groups, that would be great. Perhaps a couple of people would like to take it on, or one is fine too. We are flexible. If you can help please contact Abigail at achikanda@catholiccharitiesks.org or 913-433-1720.

Our Family Support Center Food Pantry has expanded to four days a week. It is open Monday through Thursday from 9:00am – 4:00pm. We are still in need of volunteers to support the pantry. If anyone is interested in volunteering in the food pantry or front desk, please contact cnekvolunteers@catholiccharitiesks.org or call 913-433-2100. Hours are flexible.

Lector Training

With more people coming back to church Fr. Jerry has asked John Rathbun to hold a training session for all lectors. We have scheduled that on Thursday, June 3rd at 6:00 pm. All lectors should plan to attend this training session.

CYO Next Fall

Many parishioners at Corpus Christi Church have built and grown the CYO legacy for 15 years. Now is your time to add to that leadership legacy for those who follow. We are currently seeking someone to act as Athletic Director for our CYO athletic programs. Athletic Directors are the primary contact person between the parish/parish school, our young people, families, and CYO Administration. CYO Leadership is an essential link to further our CYO mission and values instrumental in creating a positive experience for the young athletes. The current paid staff member will no longer act as the AD. The continuation of this program will depend on parent/parishioner leadership and involvement. If you are interested in hearing more about the stipend position please contact Cristy at 785-843-6286 or cristys@cccparish.org.

"The Spirit itself bears witness with our spirit that we are children of God, and if children then heirs, heirs of God and joint heirs with Christ..." - Romans 8:16-17

If we are heirs to the kingdom of God, shouldn't we work to build up His kingdom? Shouldn't we be good stewards of our inheritance, using our time in prayer, our talent in charitable works and our treasure to care for the Church that God has left to us? Our Church is a treasured heirloom from God. Do we treat it that way?
