

THE Body AND Blood OF THE Lord

Celebrating the past. Embracing the future.

JUNE 6, 2021

Fr. Jerry's FORUM

We Are Corpus Christi!

For more than a year now, life has been challenging for everyone. The pandemic has many asking questions about the importance of community and the difficulties of social isolation. An especially tense campaign season has left many open wounds and divisions, with added mental and social strife about race, gender, and religion. There is much uncertainty. As we celebrate the Solemnity of the Body and Blood of Christ (Corpus Christi) a particularly special feast for us here at Corpus Christi Catholic community in Lawrence, we have a 40 year history to celebrate.

I've recently returned to the 1993 World Youth Day in Denver, in my first year of priesthood, as I traveled and prayed with more than 100 collegians from KU, and gathered with Pope John Paul II. We all chanted the theme song many times together: "We are one body, one body in Christ, and we do not stand alone. We are one body, one body in Christ, and he came that we might have life."

At the heart of the church's teaching on family, community and participation is the conviction and the experience of being part of this one body, the mystical body of Christ. "We do not stand alone": This captures an important critical truth for our society today. We greatly value individual initiative and freedom to realize creative dreams, and this can be a wonderful drive to participate as co-creators in God's plan for humanity.

At the same time, when we overemphasize this dimension, we run the risk of becoming callous, or even blind to those with fewer resources, who hope to realize their equally valid dreams. Why should people with resources care about those who don't have health insurance or sick leave, or protection when unemployed? Why should we care about those on the margins because they are undocumented?

This pandemic has brought into focus that we are truly one body, deeply connected -- throughout the world. If we do not find a way to reframe our political, spiritual and social life to care for each other's basic needs, in a concrete manner, than no one can flourish.

"We do not stand alone": This also expresses a unique and comforting reality. We stand together precisely because the risen Lord is in our midst. Like the disciples on the road to Emmaus, we feel our hearts burning as we are nourished with the Eucharist and the love of Christ then courses through our veins. When we receive His body and blood, it gives us life so that we can be His body and blood to the world.

As we reflect on our 40 years, while blessed with various pastors and priests and religious in our parish, the most important space where we are called to witness to the truth of ONE body that is united, would be the family, what the documents of our Church described as the "domestic church". The health of society is closely linked with this most basic form of human community. The family can also be the first 'school' for attention to the wider community, and so it is important that our parish promote the dignity of family and the importance of every household to not isolate themselves from being involved in our parish, our community and our world, specifically to those in need and the most vulnerable.

The very word "Eucharist" means 'thanksgiving' or 'gratitude', and so this Feast is especially meaningful for us as we celebrate 40 years of parish life. Let us be thankful for all who over these 40 years have shared their gifts of time and their talents and their financial stewardship to help us to grow as a faith community.

As we continue to journey through the challenges of life, we can draw strength and healing not only from the awareness of being "one body in Christ" but also from the commitment to witness to the world that "we do not stand alone." Congratulations to our parish of Corpus Christi in Lawrence, Kansas for sharing that Body and Blood of Christ that you have received for 40 years, and my that same Body and Blood continue to nourish us to do the same for decades to come.

God bless,
Fr. Jerry

Two Construction Projects Coming Soon!

In the weeks and months ahead, parishioners will notice two significant maintenance/construction projects happening here on our campus: (1) a playground renovation and (2) repairs to our parking lot.

Playground Renovation

Weather-permitting, work will begin the week of June 7 as we overhaul the Corpus Christi playground. Back in 2020, roughly half of the playground equipment was removed for a variety of reasons: the climbing wall obstructed visibility for recess supervision, safety, we needed equipment that might appeal to a broader age of student, and other factors. Because of COVID, we put off the project as we managed our way through the 2020-2021 school year.

Given the generosity of our donors and the blessing of a grant, we are now poised to tackle this critical project. A big part of the renovation project is resurfacing the playground (chunks of our current surface are coming up). We're blessed to have applied for and received a grant for \$10,511.25 from the Kansas Department of Health and Environment Waste Tire Grant Program that will help us offset the cost to repair and resurface our playground. In addition, the generosity of a donor is helping us cover the cost of repair and resurfacing, and we will be adding some low animals to the grass area for our youngest Saints (thank you Tom and Marilyn Dobski and McDonald's of Lawrence) as well as adding a ladybug drum.

In addition to resurfacing, we are removing the free-standing, twisting slide (because of equipment age and safety) as well as the two large funnel balls. Installation of all-new equipment (see rendering) will happen the week of June 7, followed by resurfacing. Total expense of the playground project is estimated at \$100,556.75.

To cover that cost, we have reached out to donors who made a gift to the 2013 Fund a Need that was designated for a Running Track. Thanks to the generosity of donors back in 2013 and the prudence of our leadership, we still have all of those gifts that were given for a running track set aside in an account that has not been touched. We've received permission from donors to redesignate these gifts to help us with covering the cost of the playground — a higher priority need at this time for our school and parish. All donors to the 2013 playground that we spoke with were in full support of Fr. Jerry and Mrs. Wondra using those gifts in this way. We are grateful to all who gave a gift, and we're excited for our Saints, the children of our parish, and the wider community to be able to enjoy an expanded offering with an updated playground with an all-new, safe surface.

Parking Lot Resurfacing

Also tentatively beginning June 7 (weather-permitting), we will begin the process of repairing and resurfacing problem areas in our parking lot. First, Maryco Asphalt will saw-cut or mill the holes and bad areas, clean and remove all dirt and debris, apply a hot tack oil to bond a new hot mix, and then repave all problem areas with 3.5 inches of hot mix asphalt and compact. Secondly, and more wide-scale, Maryco will clean off the entire blacktop parking lot, fill cracks with hot rubberized crackfiller, seal-coat the entire parking lot with asphalt emulsion sand sealer, and then restripe and repaint all traffic markings. Total estimated cost for the two-part project is \$34,300.

As this was not a budgeted item, two developments are helping us tackle this need in the current fiscal year. First, the Paycheck Protection Program (PPP) loan that the parish received for Covid-relief provided some needed assistance — of course, to be forgiven (our PPP loan was completely forgiven, thus essentially became a grant) the PPP funds were used for payroll, utilities, and other specific purposes outlined by the federal government. The receipt of these funds gave us enough cushion to save funds for other needs on our campus. Secondly, the parking lot was the third priority outlined in our 2021 Auction Fund a Need. Both blessings allow us to tackle this project at this time.

As our facilities continue to age, we need to establish funding for maintenance, and your contributions to the parish offertory are as needed as ever — and always appreciated!

Congratulations

Congratulations to Fr. Brian McCaffrey, son of parishioner Patricia McCaffrey who was ordained to the priesthood for the Diocese of Salina on June 5. Congratulations also to the three men ordained to the priesthood for our Archdiocese of Kansas City in Kansas: Fr. Keith Chadwick, Fr. Thomas Maddock and Fr. Luke Doyle. Ad Mustos Annos!

Kathleen Johnson Hired for Part-Time Receptionist

We are excited to announce that long time parishioner Kathleen Johnson will be joining the staff at Corpus Christi. Kathleen retired in 2020 after a 35-year sales career that included Advertising Manager at the Lawrence Journal-World. Kathleen has been a member of Corpus Christi parish since moving to Lawrence in 2000. She and her husband Jeff have two adopted daughters, Anya 24 in Pittsburg, KS, and Alena 22 in Dallas, TX. Kathleen has volunteered at many events over the years and currently is a Eucharistic Minister, a minister to our homebound parishioners, leads one of our funeral dinner teams; and for the last year and a half has been filling in for Emily at our reception desk. Kathleen has accepted the part time position to work as a receptionist with Emily Kyle. She will begin working here on June 14th.

Laura Hulcher Hired for Faith Formation Director

Laura moved to Lawrence in 2016 from Richmond, Virginia after her husband accepted a job in Kansas. Born and raised in Fairfax, VA she is a graduate of the University of Virginia with a Psychology degree and an English minor. She spent years putting her skills to use in the corporate world in the areas of marketing and events. She is married to her high school sweet heart Dave and they have four active daughters Reese, Sydney and twins Beau & Taylor. Raised Catholic, but not practicing her faith, she responded to Christ's call back home not long after her family's arrival in Lawrence. Moved by the palpable grace present at Corpus Christi she brought her girls into communion with the Catholic Church. Since then she has been nourishing & developing her faith through the gift of His Church and is grateful for the opportunity to accompany others as the Director of Faith Formation at Corpus Christi. She loves the outdoors, the beach, sailing, hiking, cooking, gardening, spending time with her family and cheering her girls on in their activities.

No Taxpayer Abortion: Save Hyde. Save Lives.

The Hyde Amendment has protected Americans from funding abortion for 45 years. It's credited with saving the lives of over 2.5 million children to date. Now, powerful members of Congress want to take away this law that both Democrats and Republicans have supported for nearly half a century. Without it, billions of taxpayer dollars could go to abortion. That means abortions would be cheaper, easier, and funded with our taxpayer dollars. It is critically important for Catholics to send a strong message before Congress moves forward to impose taxpayer-funded abortion. Because of the incredibly high stakes Congress needs to hear from a massive number of people. As Pope Francis has said, "The future of humanity ... is fundamentally in the hands of peoples and in their ability to organize." An overwhelming majority of Americans, including low-income women and women of color who are most impacted by it, support the Hyde Amendment and laws that prevent government-funded abortion. We urge you, in the strongest possible terms, to ensure that the Hyde Amendment and all similar life-saving appropriations riders remain in place during the 117th Congress and beyond. Do not force Americans to subsidize the taking of innocent life. Oppose any bill, including any appropriations bill, that expands taxpayer funding of abortion. The primary goal is for millions of Catholics to sign the petition, so please go to [NoTaxpayerAbortion.com](https://www.NoTaxpayerAbortion.com).

Solemnity of the Body & Blood of the Lord

"Then he took a cup, gave thanks, and gave it to them and they all drank from it." - Mark 14:23

Jesus, the perfect steward, gave thanks, just before He gave Himself up for us, completely for our salvation. He offers us the same chance to drink from His cup. In the bread and wine, we meet Christ personally. If we follow Him, drinking from His cup means our own self-sacrifice, using all of our gifts for the benefit of others and to do His work on earth.
