## 11<sup>th</sup> SUNDAY IN ORDINARY TIME

“To what shall we compare the kingdom of God, or what parable can we use for it? It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants.”- Mk 4:30-32b

# Fr. Jerry's FORUM

## A Message of Hope To Be Faithful!

Wow! What a great 40th Anniversary weekend we had! Thank you to all of our staff and especially all of the good people of God who rallied together to plan a trinity of days to celebrate community. I've heard how nice and beautiful it was to gather in our beautiful courtyard Friday night and the cries to have more socials in that part of our campus. It blew our minds to see the great response Saturday night from the amazing liturgy which brought the Archbishop to us to help bring home the concept that we as a parish are so much more than just west Lawrence. It was nice to honor Monsignor Vince and his legacy in Lawrence, and to name the Commons after Fr. Mick and our parish hall now named the Fr. Jim Shaughnessy Hall. Fr. Jim told me many great stories about what it was like to move to this plot of land and the generosity and hard work of so many people of faith. And needless to say, now I feel like I have a real taste of the fruits and blessings of Corpus Christi.

And Corpus Christi, the Body and Blood of Christ in the Eucharist is the most important nourishment we will ever have as individuals and as a parish. I know that many people were here this past weekend for the first time in over a year -- they told me so, and they also expressed how nice it was to have returned. I've also heard from several people whom I have not seen back to church how difficult it is for them and for their families. It has become more convenient for them to stay home -- to do other things on the weekend, or maybe just to watch online. I said to one woman who seemed to not really think it was a bad thing to not return to the Eucharist; "But what about Jesus?"

We have now entered into the liturgical season of Ordinary Time, and how we have been wanting to get back to normal. We are finally seeing this return to a sense of normalcy as we can go to stores now and even in church and not wear masks and see the beautiful faces of those near us. This last year has been anything but normal, and so to continue so of the new practices that we've adopted, just out of convenience does not necessitate the legitimacy of those choices.

The first reading this weekend from the prophet Ezekiel refers to Jewish tradition that sometimes compared God's work in the world to the growth of plants and trees. He writes a message of hope to the disheartened people that God will restore His people to be a "majestic cedar".

We find a similar message of hope, with images of palm and cedar trees in today's responsorial psalm. The psalmist offers a prayer of thanksgiving for God for his fidelity to those who are just and have remained faithful.

So with this background, it makes sense that Jesus would draw on similar agricultural metaphors, such as seeds and mustard plants, to teach the crowds and his disciples about the Kingdom of God. In his public ministry Jesus was planting the seeds for the Kingdom of God that promised fulfillment in the future.

As St. Paul assures the Corinthians, we too can be "courageous" in our faith in Christ. And the kingdom of God continues to grow in our day in ways beyond our understanding. Be courageous and commit yourself again to the Eucharist every Sunday. Be courageous and know that our community at Corpus Christi and our world needs your gifts and talents to be shared. Be courageous and do what is right and not what is just convenient.

God bless,  
Fr. Jerry

## Two Construction Projects Coming Soon!

In the weeks ahead, parishioners will notice two significant maintenance/construction projects happening here on our campus: (1) a playground renovation and (2) repairs to our parking lot.

### Playground Renovation

Weather-permitting, work will begin the week of June 7 as we overhaul the Corpus Christi playground. Back in 2020, roughly half of the playground equipment was removed for a variety of reasons: the climbing wall obstructed visibility for recess supervision, safety, we needed equipment that might appeal to a broader age of student, and other factors. Because of COVID, we put off the project as we managed our way through the 2020-2021 school year.

Given the generosity of our donors and the blessing of a grant, we are now poised to tackle this critical project. A big part of the renovation project is resurfacing the playground (chunks of our current surface are coming up). We're blessed to have applied for and received a grant for \$10,511.25 from the Kansas Department of Health and Environment Waste Tire Grant Program that will help us offset the cost to repair and resurface our playground. In addition, the generosity of a donor is helping us cover the cost of repair and resurfacing, and we will be adding some low animals to the grass area for our youngest Saints (thank you Tom and Marilyn Dobski and McDonald's of Lawrence) as well as adding a ladybug drum.

In addition to resurfacing, we are removing the free-standing, twisting slide (because of equipment age and safety) as well as the two large funnel balls. Installation of all-new equipment (see rendering) will happen the week of June 7, followed by resurfacing. Total expense of the playground project is estimated at \$100,556.75.

To cover that cost, we have reached out to donors who made a gift to the 2013 Fund a Need that was designated for a Running Track. Thanks to the generosity of donors back in 2013 and the prudence of our leadership, we still have all of those gifts that were given for a running track set aside in an account that has not been touched. We've received permission from donors to redesignate these gifts to help us with covering the cost of the playground — a higher priority need at this time for our school and parish. All donors to the 2013 playground that we spoke with were in full support of Fr. Jerry and Mrs. Wondra using those gifts in this way. We are grateful to all who gave a gift, and we're excited for our Saints, the children of our parish, and the wider community to be able to enjoy an expanded offering with an updated playground with an all-new, safe surface.

### Parking Lot Resurfacing

Also, we will begin the process of repairing and resurfacing problem areas in our parking lot. First, Maryco Asphalt will saw-cut or mill the holes and bad areas, clean and remove all dirt and debris, apply a hot tack oil to bond a new hot mix, and then repave all problem areas with 3.5 inches of hot mix asphalt and compact. Secondly, and more wide-scale, Maryco will clean off the entire blacktop parking lot, fill cracks with hot rubberized crackfiller, seal-coat the entire parking lot with asphalt emulsion sand sealer, and then restripe and repaint all traffic markings. Total estimated cost for the two-part project is \$34,300.

As this was not a budgeted item, two developments are helping us tackle this need in the current fiscal year. First, the Paycheck Protection Program (PPP) loan that the parish received for Covid-relief provided some needed assistance — of course, to be forgiven (our PPP loan was completely forgiven, thus essentially became a grant) the PPP funds were used for payroll, utilities, and other specific purposes outlined by the federal government. The receipt of these funds gave us enough cushion to save funds for other needs on our campus. Secondly, the parking lot was the third priority outlined in our 2021 Auction Fund a Need. Both blessings allow us to tackle this project at this time.

As our facilities continue to age, we need to establish funding for maintenance, and your contributions to the parish offertory are as needed as ever — and always appreciated!

## Thank You

To the incredible people who make up the Corpus Christi Community,

Please know of our gratitude for including us in the annual celebration of your feast day. What a special day it was on Saturday to celebrate with your pastor, Fr. Jerry, along with Fr. Jim and the Archbishop. As we cautiously move further away from the pandemic, it was such a blessing to see so many people gathered and see so many smiling faces with your kind words and well wishes. Please know how blessed we feel to have been part of the Corpus community, and how humbled we were by the recognition. Thank you for your generous gifts and your generous spirits. Please continue to pray for us and know that we will pray for each of you.

All graces and blessings,  
Fr. Mick & Msgr. Vince

## Profound Gratitude

We owe a profound gratitude for the example of stewardship that so many provided this past weekend in helping us appropriately celebrate the past and embrace the future of Corpus Christi on the 40th Anniversary of our Parish's inception.

Starting back in early May, ministry leaders and parish leadership gathered to plan a feast and a celebration over the course of three days that would effectively call us to a meaningful liturgy experience while at the same time celebrating our history, our community, and our future. Roughly 500 folks attended our Saturday evening gathering after 4 p.m. Mass — which the Archbishop presided over and for which we were graced by the presence of Fr. Jim Shaughnessy, Fr. Mick Mulvany, and Msgr. Vince Krische.

Thank you to the Daughters of Isabella, to the Empty Nesters, to the Knights of Columbus, to members of the Pastoral Council, and so many other ministries, ministry leaders, and individuals who contributed. The weekend was a wonderful success, and we are thankful for the talents and gifts shared by so many people that allowed the weekend to take place.

## Hayden is Enrolling for 2021-2022

### Give the Gift of Catholic Education!

Becoming a Hayden student is more than merely submitting an application. It is a process for you to come to know our school and decide if Hayden offers the kind of experience you and your family want to be a part of. We love our school and we want every Hayden family to feel as we do! Contact us at [haydencatholic@haydencatholic.net](mailto:haydencatholic@haydencatholic.net) if you would like to explore a faith based education.

## Farewell to a Dear Friend

The Corpus Christi Community and especially the Accounting office wishes to thank Louise Ecord for her many years of dedicated and valuable volunteer service. Louise exemplified the stewardship model of sharing her time, talent, and treasure. She will relocate at the end of June to be closer to family, and we will miss her tremendously--not only for her diligence, but also for her humor and loving, youthful spirit. Louise, may the Lord bless and keep you, his face to shine upon you, and may he be gracious to you; may he lift up his countenance upon you and give you peace (*Num 6:24-26*).

### June 13, 2021 11th Sunday in Ordinary Time

*"For we must all appear before the judgment seat of Christ, so that each one may receive recompense, according to what he did in the body, whether good or evil." - 2 Corinthians 5:10*

We are all accountable for all of the gifts God has given us – our time, our talent and our treasure; everything we have and everything we are. Each of us is accountable not only for our own life but for the lives of others as well. One day God will ask each of us what did we do with the gifts we were given. How will you respond?
