June 2022 Financial Report

An average of \$18,000 in the collection is needed weekly to meet projected expenses.

What does this number mean?

St. Brendan Parish receives revenue from several sources. To pay for projected expenses, the weekly collection must average \$18,000. Revenue from other sources, such as from bequests and special one-time donations, grants, and tuition from school families who are not parishioners, is also needed in addition to the weekly collection to meet regular operational expenses.

If the weekly collection average is too low, how are the bills paid?

So far, St. Brendan has been able to pay bills despite a too-low weekly collection by drawing from savings and by receiving unexpected revenue (such as government money for COVID-19). However, grants and some special donations often cannot be used for regular operational expenses.

JUNE 19 - CORPUS CHRISTI

June 19 is the (transferred) solemnity of the Body and Blood of Christ. Following from the 9:00am Mass, we will have a solemn Eucharistic procession through Hardin Park followed by Benediction of the Blessed Sacrament upon returning to the church.

"In the liturgy of the Mass we express our faith in the real presence of Christ under the species of bread and wine by, among other ways, genuflecting or bowing deeply as a sign of adoration of the Lord. The Catholic Church has always offered and still offers to the sacrament of the Eucharist the worship of adoration, not only during Mass, but also outside of it, reserving the consecrated hosts with the utmost care, exposing them to the solemn veneration of the faithful, and carrying them in procession." (Catechism of the Catholic Church, no. 1378)

Additionally, by consensus of the parish pastoral council, St. Brendan will offer to the faithful Holy Communion under the form of wine beginning on Corpus Christi. Christ is fully present under each form (bread or wine) and each part of them, meaning that it is not necessary for the faithful to receive under both forms. Therefore, those receiving Holy Communion may choose to receive under both forms or just the form of bread at your option. As always, if you are sick, please stay home from Mass out of concern for others.

ST. BRENDAN SCHOOL NEWS

St. Brendan students modeled stewardship in several different ways during Catholic Schools Week. They organized a Souper Bowl food drive that resulted in donations of three cartloads of food that was delivered to the Laura Miller George Help Center. To assist the Room at the Inn, a local nonprofit organization that provides emergency shelter for the Mexico community, students contributed much-needed funds. A check for \$2,101.39 was presented at the beginning of February with the money raised from the royalty contest. The final way the school assisted the community was by preparing

Blessing Bags for Pin Oaks. Twenty-five bags were filled with fun items to entertain residents such as puzzles, coloring books, dominoes, etc. St. Brendan School appreciated the support from families to help in its mission to provide assistance to others within Mexico.
