June 2022 Financial Report

An average of \$18,000 in the collection is needed weekly to meet projected expenses.

What does this number mean?

St. Brendan Parish receives revenue from several sources. To pay for projected expenses, the weekly collection must average \$18,000. Revenue from other sources, such as from bequests and special one-time donations, grants, and tuition from school families who are not parishioners, is also needed in addition to the weekly collection to meet regular operational expenses.

If the weekly collection average is too low, how are the bills paid?

So far, St. Brendan has been able to pay bills despite a too-low weekly collection by drawing from savings and by receiving unexpected revenue (such as government money for COVID-19). However, grants and some special donations often cannot be used for regular operational expenses.

CORPUS CHRISTI

Adoring Jesus in the Blessed Sacrament

"Of all devotions, that of adoring Jesus in the Blessed Sacrament is the greatest after the sacraments, the one dearest to God and the one most helpful to us" Saint Alphonsus Liguori

This is so because in the Blessed Sacrament Our Lord is truly present, Body, Blood, Soul and Divinity. In adoration we not only get to pray to Him but we get to be with Him physically which helps foster that loving relationship we strive for. Giving some of our time to a quiet reflection in the presence of Jesus helps us build up our faith and can ignite your spirituality.

As we celebrate the great feast of the Most Holy Body and Blood of Christ, you are always welcome to stop by the Church to adore our Lord in the Tabernacle or you may want to spend some time in our adoration chapel as well. To get into our adoration chapel there is a number code lock, please call the parish office to receive that code. May the nourishment we receive from the Most Holy Eucharist enrich our lives continually.
