July 2022 Financial Report

An average of \$18,000 in the collection is needed weekly to meet projected expenses.

What does this number mean?

St. Brendan Parish receives revenue from several sources. To pay for projected expenses, the weekly collection must average \$18,000. Revenue from other sources, such as from bequests and special one-time donations, grants, and tuition from school families who are not parishioners, is also needed in addition to the weekly collection to meet regular operational expenses.

If the weekly collection average is too low, how are the bills paid?

So far, St. Brendan has been able to pay bills despite a too-low weekly collection by drawing from savings and by receiving unexpected revenue (such as government money for COVID-19). However, grants and some special donations often cannot be used for regular operational expenses.

Parish Events Calendar

It is wonderful to see everyone returning to parish life and the exciting and eventful times in our parish! With all the renewed activi-

ties, we are working on restarting our parish activities calendar. This will take a bit of time to get up and working. We are starting with a "clean slate" calendar. Any function (meeting, event, practice or gathering) that takes place on the St. Brendan Parish grounds must be scheduled and added to this calendar even if you have been meeting in the same place for years. Please help us to stay organized and call to reserve if you use any parish facilities. Contact Kelly @581-4720 to be put on the calendar.

High School Bible Study

High School Bible Study is going GREAT!
We will take the next two Sundays off (the 17th and 24th) and then **start session 2 on July 31st.**

All high school students are invited and really encouraged to come - its a great way to get some questions answered, share what your thoughts are, and get to be a better informed Catholic as you find your place in the world.
