Brothers and Sisters,

This weekend we welcome Fr. Adrian Ichaka to give a missionary appeal to St. Anthony's. Hopefully, I'm taking a break this weekend.

We also welcome Fr. Rodrigo Mayorga Landeros as the new priest providing a spiritual and pastoral presence here at the parish. Fr. Mayorga was ordained on June 24th by Bishop Joensen. He is originally from Mexico, but moved to Osceola as a child. His assignment begins July 14th.

This month, two major decisions have come down from the Supreme Court affirming the Gospel. First is the Dobbs v. Jackson decision affirming that there is no such thing as a constitutional right to abortion. How can there be a right to eliminate one's own child; but for the crime of "inconvenience"? As you all know, the Catholic Church – everyone from our bishops to our youngest lay faithful – have been working tirelessly to overturn Roe v. Wade. Many people don't know that "Jane Roe" aka Norma McCorvey never had an abortion, repented of her role in the abortion movement, worked to overturn Roe, and died a faithful Catholic. While we rejoice that our nation is a step closer to recognizing the sanctity of all human life, there is still much work to be done – including passing the protect life amendment here in Iowa. Also, we will always need to support our crisis pregnancy centers, such as Innervisions on Army Post. But, we must always support the women we care about to make healthy decisions with their lives and promote the virtue of chastity and not the vice of lust our world is so enamored of.

The Supreme Court also released their Kennedy v. Bremerton decision that allowed for freedom of prayer in public settings, including schools. As you've heard me say numerous times, the First Amendment to the US Constitution states freedom of religion before freedom of speech. Speech, assembly, and the press are all consequences of freedom to behave in public according to our sincerely held religious beliefs. This decision allows people to more freely be who they are as faithful instead of the forced imposition of atheistic secularism that has been the unjust status quo in our schools and encroaching everywhere in our society.

Next weekend will be my last in the parish. There will be farewell events for me after all of the masses in the lower church. Please come and say farewell!

God Bless You,

Fr. Guthrie Dolan

CATECHISM MEDITATIONS

Topic: Freedom and Responsibility

1730 "God created man a rational being, conferring on him the dignity of a person who can initiate and control his own actions. God willed that man should be 'left in the hand of his own counsel,' so that he might of his own accord seek his Creator and freely attain his full and blessed perfection by cleaving to him."

1731 "Freedom is the power, rooted in reason and will, to act or not to act, to do this or that, and so to perform deliberate actions on one's own responsibility. By free will one shapes one's own life. Human freedom is a force for growth and maturity in truth and goodness; it attains its perfection when directed toward God, our beatitude."

1732 "As long as freedom has not bound itself definitively to its ultimate good which is God, there is the possibility of choosing between good and evil, and thus of growing in perfection or of failing and sinning. This freedom characterizes properly human acts. It is the basis of praise or blame, merit or reproach."

1733 "The more one does what is good, the freer one becomes. There is no true freedom except in the service of what is good and just. the choice to disobey and do evil is an abuse of freedom and leads to 'the slavery of sin'."
