FR. WELDON' S CORNER

Corpus Christi

It is only because God himself is the eternal dialogue of love that he can speak and be spoken to. Only because he himself is relationship can we relate to him; only because he is love can he love and be loved in return. Only because he is threefold can he be the grain of wheat which dies and the bread of eternal life. Corpus Christi is an expression of faith in God, in love, in the fact that God is love. All that is said and done on Corpus Christi is a theme of love; what it is and does. St. Thomas Aquinas wrote that love does not consume; it gives, and in giving, receives. And in giving it is not used up but renews itself. Corpus Christi is a confession of faith in the love Christ has for us. Transubstantiation: the bread becomes the Body of Christ. Love is transubstantiation and transformation—we become what we eat and live in the love of Christ, who is the truth incarnate. Christ loves us and gives himself to us through the Eucharist and that transforms our lives; therefore, there is hope. Hope gives us the strength to live and face the world. Many have doubts about the presence of God in their lives; even the presence of God anywhere at all. Corpus Christi celebrates life and hope in the Eucharistic presence of Our Lord and Savior Jesus Christ. It is a feast day that we need to re-discover today, now, more than ever. Pope Benedict XVI

Es sólo porque Dios mismo es el diálogo eterno del amor que él puede hablar y ser hablado. Sólo porque él mismo es relación podemos relacionarnos con él; sólo porque él es amor puede amar y ser amado a cambio. Sólo porque es triple puede ser el grano de trigo que muere y el pan de la vida eterna. Corpus Christi es una expresión de fe en Dios, en el amor, en el hecho de que Dios es amor. Todo lo que se dice y se hace en el Corpus Christi es un tema de amor; qué es y qué hace. Santo Tomás de Aquino escribió que el amor no consume; da, y al dar, recibe. Y al dar no se agota, sino que se renueva. Corpus Christi es una confesión de fe en el amor que Cristo tiene por nosotros. Transubstanciación: el pan se convierte en el Cuerpo de Cristo. El amor es transubstanciación y transformación: nos convertimos en lo que comemos y vivimos en el amor de Cristo, que es la verdad encarnada. Cristo nos ama y se entrega a nosotros a través de la Eucaristía y eso transforma nuestras vidas; por lo tanto, hay esperanza. La esperanza nos da la fuerza para vivir y enfrentar el mundo. Muchos tienen dudas acerca de la presencia de Dios en sus vidas; incluso la presencia de Dios en cualquier lugar. Corpus Christi celebra la vida y la esperanza en la presencia eucarística de Nuestro Señor y Salvador Jesucristo. Es un día de fiesta que necesitamos redescubrir hoy, ahora, más que nunca. Papa Benedicto XVI

Hello Everyone,

I want to offer a sincere thanks to all those who worked so hard for the Fiesta this year! The Firework display was AWESOME! We had some tried and true donors as well as new friends for the parish. I hope that everyone enjoyed some new food items. The Fiesta provides a great opportunity for the parish to celebrate and raise funds. Also, it is always a work in progress to make improvements. I will provide the financial stats for the parish soon.
