Mission Statement:

Inform with Faith, Form with Hope, Transform with Love

January 23, 2022  
3<sup>rd</sup> Sunday in Ordinary Time

Human history reveals many periods where people lost a sense of God's transcendence. It may even be argued that human beings have been wandering and lost more than they have been at home and focused. Human nature being what it is, we struggle with who God really is — the God of our salvation history or the "gods" of human constructs. Relying on our own designs and pursuits, we forget that we really are meant to listen to One upon whom the Spirit of the Lord rests, Jesus Christ, and not to ourselves. That same history that reveals our fickleness and infidelity also reveals God's constancy and faithfulness. God always finds us.

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainly of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.

### Plant Your Works in the Word

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.
