FOOD TRAIN FOR FATHER KEN

Father Ken continues to get better! That's why we'd like to help him heal faster with healthy, home made meals. We have set up a "Food Train" online, <https://mealtrain.com/20e0ge> where you can go and sign up to bring Father a meal. If you'd like to help. If you don't "do the online thing", please call the parish office and Lou Anne will help to sign you up. If you are wondering what type of food, think "Mediterranean Diet". Healthy protein, vegetables, low sodium, low sugar). If you think that you'd just like to bring a meal, please call the parish office to make sure that date is not already taken. That is the beauty of the online sign-ups. Thanks to everyone for their support and prayers!

FOOD KITCHEN IS THIS THURSDAY!

This Thursday, August 2nd, is our monthly Food Kitchen ministry and as always we can really use your help to make it a success. Summer is here so we anticipate more children using the food kitchen this month. Please sign up to bring COOKED meatloaf (free hamburger in basement freezer), boxes of scallop potatoes (please don't cook we make them at the kitchen), salad and/or cookies for Food Kitchen on Thursday. We also welcome anyone who can help us serve this delicious meal to the homeless and others in need. DUE TO CONTRUCTION, we might have to move our normal drop off site from East Vestibule to another location (possibly outside or area near the office doors), so look for the signs. We will leave at 8:45 AM on Thursday morning and return approximately by 12:30 PM. It means so much to the people we serve to have a hot meal. What better way to honor Jesus' word "When I was hungry you fed me." Thanks for all your help in making this ministry a success.

CAMPAIGN/REMODEL UPDATE!

Well, as usual, things are moving along at a pretty good pace. The bathrooms have been demolished and they are putting in the wider openings and doing the mechanical. Constructions of the closets in classrooms are framed in.

Hopefully, by the time you read this the new HVAC will have been installed in the office. At this writing, I am staying cool in the Parish Meeting room.

The pews in the church have been reinstalled. The forms for the acoustical pads and the covers from the organ speakers have been removed and recovered.

The tile work on the altar and choir platforms (not part of the capital campaign projects) will begin this week. We need to shore up the surface and put down concrete board so hopefully we can be done with the tiles popping all the time.

A security fence has been put up around the 55th Street wing and demolition is set for August 5.

The campaign is going well. So far \$923,000 has been pledged and \$360,000 of that has been collected. We are so grateful for your love and support of St. Pius Parish. We are hopeful that all projects will be completed by the end of November and that we will be back in the church by the end of August.

We do have a special request. Since the capital projects will be completed before all the money from the capital campaign is completed, we'd like to ask, if you are in a position to do so, if you could pay your commitment early to help us avoid taking out a short term loan?

Thank you again for your support. Truly, SPX is God's "Green Acre".
