**Fr. Joe’s Jottings**

Welcome Fr. Jerry Thury as celebrant for Masses this weekend. The pastor is in Houston, TX for a wedding of a nephew, therefore Fr. Thury is providing spiritual guidance. He was the pastor that I served as a deacon back some almost 40 years ago in Salem. He has given of his retirement to serve us this weekend.

Since it is July it is also time to report to the parish the spiritual and fiscal matters of the past 12 months. I will begin with the grace moments of the last year. We celebrated the baptismal rite on 33 occasions. We have very good parents who wisely solicit good sponsors. There were 24 young people and 4 adults who received the Holy Eucharist for the first time in their lives. All of us pray that they never lose their love for the Bread of Life and the Cup of Salvation.

We have a great team who consistently prepare some of our teenagers for the Sacrament of Confirmation. This year Bishop Swain delegated the pastor to administer the Sealing of the Holy Spirit upon 33 candidates. At the Easter Vigil there were 4 people who joined the Roman Catholic Church by being Confirmed. Every year the RCIA class is always a source of joy for this pastor.

The community of faith witnessed 5 couples exchanging vows. They promised to love and honor each other for the rest of their lives. Another reality is that we prayed for 24 people who received an invitation to enter into eternity. As painful as death is, there is also the consolation that we are people of hope and believe in the resurrection of the soul. Next weekend I will begin reporting about the financial activities of the past year.

Fall Campaign for Life
I used to think it would be great if South Dakota could be the first state in the nation to have no abortion clinics, but it's not about "making history" or "bragging rights"; it's about every single precious life (no matter where they live) being valued. So please be in prayer, especially for Missouri, as they were close to shutting down their last Planned Parenthood clinic but it received a temporary stay.

40 Days for Life, along with myself, are expecting this Fall to be the greatest campaign yet and with the movie "Unplanned" coming out on DVD this summer, there will be even more excitement to get involved. If you ever wanted to be more involved in praying on the sidewalk in Sioux Falls, this is the time! We will be starting the last Wednesday in September (25th), but the time to prepare is now!

My goal is lofty: To see Planned Parenthood close in Sioux Falls after this campaign! Crazy, you say? I've already had someone tell me that is too ambitious of a goal and if it just depends on us, perhaps. But I believe God can do it!! As I've discussed with Sue Thayer in Storm Lake, Iowa, if He can do it there after one campaign, why not here?

And what if it doesn't happen? We press on! I believe in a big God who is more than capable of ending this atrocity. From Brad Lindwurm, 40 Days 4 Life bradlindwurm@gmail.com (605) 366-1883.
Thank you to all our amazing hosts, volunteers, and meal support, and for helping make our Totus Tuus summer program a great time for the kids.

From Bishop Robert Barron  
In the Gospel, Jesus twice gives the crowds sustenance for their day. He makes a meal that satisfies. They are hungry, tired and worn out from their exertions.

For Thomas Aquinas, the great metaphor for the Eucharist is sustenance - food for the journey. The Eucharist is daily food, sustenance for the journey, nourishment to get us through the day to day. How effective would we be if we never ate, or ate only on special occasions and in a festive environment? Not very. So, in the spiritual life, we must eat and drink or we will not have strength.

Is this just meant in some vague symbolic way? No, rather in a vividly analogical way. For just as the body needs physical nourishment, the spirit needs spiritual nourishment, and there is no getting around this law.

I visited the summer After School Program during “quiet time”. It was wonderful to see all the children curled up with a good book. I am hoping all children are spending a few minutes each day reading, writing, praying, and playing. School is starting soon and doing these small things will help your child.

Many of our After School Program employees graduated last spring and will be leaving for college. This means we have positions open for teens 16 or older. However, young people 18 or soon to turn 18 will be given preference. This is a perfect job as we are open from 3:00 to 5:30 pm. Please encourage your young people to apply by e-mailing: Gay.Pickner@k12.sd.us or Darlene.Braun@k12.sd.us

Just over 190 students are enrolled at SJS for the 2019/2020 school year and we still have room for your child! Contact Darlene.Braun@k12.sd.us

Tuition this year is $2,460. Donations to the Tuition Assistance Fund are designated to assist families who need assistance. St. Joseph School is dedicated to see all children in our parish receive a Catholic School education, if you can, please help.

Certified Music teacher needed at SJS. Please contact Darlene.Braun@k12.sd.us

Out of the mouth of babes:
“SJS taught me to be a Kid of Christ, to be kind and treat others the way I want to be treated. I know I can do good in the world!” Ava

“While at SJS I learned a lot about God, the importance of being kind and respecting others. I think I am prepared to go to middle school.” Travis

Do you have a Loved One who cannot attend Mass? Home Communion Ministers could bring Holy Communion to them once a week (usually on Friday mornings.) Please call the Office at 224-2483 to arrange it, or for more information!
Our Lady of Mt. Carmel
Hermits lived on Mount Carmel near the Fountain of Elijah in northern Israel in the 12th century. Tradition has it, that Our Lady appeared in a brown garment to St. Simon Stock, and presented him with a brown Scapular. She said “Wear it devoutly, it is my garment. To be clothed in it means you are always thinking of me, and I in turn am thinking of you, helping you to secure Eternal Life.”

Daily Mass Reading
Week of July 14

Although she had to suffer greatly for her faith, she remained firm in it. When Kateri’s relatives tried to force her to marry, she fled to a new Christian colony of Indians in Canada. There she lived a life dedicated to prayer, penitential practices and care for the sick and aged.
